PARTY SHOES

This is the time of the year when most little girls get a frilly new dress and a pair of patent leather party shoes. And the sparkle in the little wearer's eyes rivals the sheen of the patent leather. And you can't fool little girls about what constitutes dress-up shoes either. For instance, I know a little miss about two years old whose daddy bought her a pair of neat brown and white oxfords in the Fall. Daddy thought they would be practical for both dress and play. But, when Sunday rolled around, our style-wise two-year-old refused to put them on.

She wanted her old white strap Sunday-school shoes. So, Daddy had to provide a pair of patent leather dress-up shoes which suited the young lady. As I said, you can't fool little girls about [illegible] shoes. Party dresses require party shoes. And I might add that party shoes make a nice Christmas gift for little girls and that our fitting records enable us to provide the right size for our little customers so that you can surprise them.

Church Observes Anniversary Of Opening On Christmas

Christmas Sunday, Dec. 20, will mark the first anniversary for the new Community Christian Church located at the corner of Powell-av and Olive-st. The church sanctuary was opened on Christmas Sunday, 1952.

The first anniversary will be celebrated on Christmas Sunday at the morning worship service at 10:30, and the evening service at 7:30. There will be baptism and reception of members at both services. There will be special Christmas music by the robed Junior choir. The community is invited to attend these Christmas services.

The annual Christmas party at the Community Christian Church will be held on Wednesday evening, Dec. 23, at 7:30. There will be a Christmas program by the children around the Christmas tree. Santa Claus will come to give candy to all. This party is sponsored by the Sunday School, and our community is invited.

The Christmas Eve service will be held at the Community Christian Church at 730 p. m. This will be a candle light service, and Holy Communion will be served. Ruth Esther Lorenz will sing a Christmas number, and the entire congregation will sing the Christmas carols.

Customer: "How much are eggs?"

"Well," explained the grocer, "we've got first grade, second grade, and—"

"Wait a minute," interrupted the customer. "Give me graduated eggs!"

A screwball dashed breathlessly into a hardware store. "Hey, Mister!" he shouted. "Have you got any nails?"

"Yes," was the reply.

"Then scratch my back!" demanded the screwball.

SANTA CLAUS HAS AUTHORIZED the Columbus Recreation Department to receive his mail from all children who drop their letters postage free in Santa's Station No. 1 on the front-st side of City Hall. All children that mail their letters before Dec. 22 will receive an answer from Santa Claus on his special stationery. Here we see Dana and Susan Dodge, age 3 and 4 of 486 S. Richardson-av, dropping the first letter in the door slot.

Street Tree Planting Begins On the Hilltop

The beginnings of a long range tree planting program for the beautification of the city of Columbus are evident in several portions of the city at this time.

The Hilltop area is represented in this program by more than 100 street trees planted on S. Wilshire-av and S. Chesterahire-av between W. Mound-st and the south city limits. The Columbus Metropolitan Tree Commission is anxious that these example plantings be established where they may set a pattern for future work.

The varieties of trees being used are European Linden, Washington Hawthorne and Sugar Maple. These varieties are located on city property between the curbing and the private property line. Room for location of sidewalks, if they are desired, has been provided.

The Division of Parks and Forestry for the city of Columbus has charge of this project and it is anticipated that more trees will be planted next spring. Money for this work is appropriated from city funds, and as funds become available more trees will be planted in the Hilltop area. It is hoped that all of the neighborhoods which have insufficient trees or which have poor varieties of trees which are in need of replacement will be supplied.

The Columbus Metropolitan Tree Commission is a carefully chosen group of Greater Columbus, and their aim is to promote this city-wide beautification program which certainly is worthy of public support.

Rev. and Mrs. Arthur Wesley were the missionary speakers in the Hilltop Community Church, 179 N. Huron-av, at the 9:30 and 10:45 a.m. services last Sunday, Dec. 13. Mrs. Wesley, having spent a part of two terms in China before the Bamboo curtain was pulled over that country, will accompany her husband to India in the near future. The Wesleys are under appointment by the Oriental Missionary Society.

Nearly 200 Old Bibles Entered In Contest

Nearly 200 Bibles were entered in the Old Bible Contest which ran from Nov. 21 to Dec. 12 sponsored by the Eastwood Seventh-day Adventist Church in conjunction with the American Bible Society's 10th annual Bible reading program from Thanksgiving to Christmas.

With such a large number of Bibles entered it will require some time for the judges to examine them and make their decision as to the winners. Three of the Bibles entered were in the 18th and 17th centuries. Over 30 of them were in the 18th century and many interesting old Bibles of Civil War days were entered.

It is hoped by the sponsors that the winners in this contest can be announced next week just before Christmas. The winning Bibles will be placed on display during Christmas week at the Nell House Hotel. The following week the winning Bibles together with several of the other interesting old Bibles entered in this contest, will be placed on display at the Columbus Public Library, 96 S. Grant-av, for one month.

Original Anthem Is Christmas Program Feature At Glenwood

Glenwood Methodist Church will feature an anthem written especially for the combined chancel, Wesley and chapel choirs of Glenwood. The anthem, composed by D. Talmadge Crawshaw, minister of music at Glenwood, makes use of familiar carol melodies, together with chime effects to create the impression of Christmas caroling parties singing while the church bells ring.

Other music to be presented includes famous organ music and choral numbers. Mrs. Clyde D. Moore is organist and vocal soloists will be Martha Brown, soprano; Robert Muncie, tenor, and Carl Speckman, bass.

The complete program is:

Prelude: "Adeste Fidelis" from Christmas Suite II — Filsenbinder; Processional: "Angels from the Realms of Glory" — Smart; Anthem: "Noel"—Crawshaw, by combined chancel, Wesley and chapel choirs; Offertory: "Pastorale"—Corelli; Anthem: "The Shepherd's Story" — Dickinson (with soloists); Recessional: "Hark the Herald Angels Sing" — Mendelssohn; Postlude: "Fantasia on Christmas Carols"—Grell.

There were no other passengers on the bus, Panos said.

Hilltop Church Of Christ Plans Yule Program

The Christmas program at the Hilltop Church of Christ will begin Friday night when members of the church will come for a "Hanging of the Green" party. This group will decorate the church, and later go to the Fellowship Hall for hot punch, hot chocolate and singing. Arrangements for the evening's work and fun are being headed up by Mr. and Mrs. Richard Goudy.

The Children's Christmas party will be held Saturday afternoon at 1:30. Children will meet in the Fellowship Hall, meet Santa, be given treats, and sing and speak for their parents.

The Sunday School is planning on a large attendance Sunday morning. All lessons will deal with the meaning of Christmas. The sermon for the Sunday morning worship service will be "The Modern Journey to Bethlehem."

Sunday evening the Christmas program will be given. At this time, children for all the Sunday School's departments will sing or speak, the congregation will sing several carols and those present will take part in the church's annual "manger service" when gifts are brought to the manger. This year food is being given. Later, it will be distributed by a local community house.

One night in a Catskill Mountain hotel there was an argument in a room that could be heard all over the place. "What's all the noise about?" asked a guest.

"They're having a battle of wits," informed the proprietor.

"Who's in the room?" asked the guest.

"Shimkowitz, Lefkowitz and Horowitz!"

"Did you fill your date last night?"

"I hope so. She ate everything on the menu."

Yuletide Poetry

By Esther Weakley

A CHRISTMAS CARD

For an hour on Christmas Eve
And again on the holy day,
Seek the magic of the past time,
From this present turn away.
Dark though our day,
Light lies the snow on the hawthorn hedges
And the ox knelt down at midnight.

Only an hour, only an hour
From wars and confusions turn away
To the islands of old time
When the world was simple and gay.
Or so we say,
And light lay the snow on the green holly,
The tall oxen knelt at midnight.

Caesar and Herod shared the world,
Sorrow over Bethlehem lay,
Iron the empire, brute the time,
Dark was that first Christmas Day,
Dark was that day;
Light lay the snow on the mistletoe berries
And the ox knelt down at midnight.

Robinson Jeffers, in The New Treasury of War Poetry (Houghton Mifflin Co., Boston-Permission of Editor, George Herbert Clarke.

WHITE SILENCE

Silence—the housetops blanketed in white.
Smoke from each chimney curls against the skies;
Green wreaths within the windows; candlelight.
A soft wind whirls the snow with whispered sighs.

Silence—then through the snowy night there rings
The golden chiming of a distant bell . . .
Across the rooftops as an eager wings
Those chimes are bringing words they have to tell.

Silence—the white world waits expectantly—
Waits to hear again those words He said.
"Peace on earth." Lo, they fall caressingly
Upon a world from whence that peace has fled.

Sheila Stinson, in her book Down This Road Remembering

PARENTS' LAMENT

We braved the crowds; we spent our dough
For Junior's Christmas
We trudged for miles through ice and snow
For Junior's Christmas.
We bought a train, tricycle and bicycle
A model plane and a horse that rocks;
Yet he played all day with an old soap-box,
Did Junior, Christmas!

MOTHER OF A WISE MAN

Son, when you find the Baby there tonight,
Before you offer frankincense and gold,
Give His mother this white wool blanket
So she can protect Him from the cold.
Tell her it is one I made for you
When you were a baby. And son, take care
That when you and the others near the barn
You do not go to it with arms outstretched,
Lest she see your three shadows, striped
Before her there!

THAT FIRST GLAD NIGHT

No neon lights in Bethlehem
The night that Jesus came;
No glaring billboards, rainbow-hued,
To magnify His name.
Only a star, one single star
To lead the questing sages,
And yet that star shall guide mankind
Down through the countless ages.

GOD'S BARN

Here on this hill, wind pounds a requiem
Lonely enough, but silence has a [illegible]
For Crueller sorrow still when white snows pack
The gray walls' crevices and cover them.
Here, when the densely studded diadem
Of a winter midnight glittering and black,
Arches above the spire, and the cold trees crack,
Oh, who would not remember Bethlehem?
If any then but ghosts were listeners
To the soft-breathing beasts, they should be able
To quote some text, unscholarly and terse,
On how full circle here the cherished fable
Somberly comes, though a temple might do worse
Than find itself no humbler than a stable.

Winifred Welles, in Anthology of Magazine Verse

OX AND DONKEY'S CAROL

The Christ Child lay in the ox's stall,
The stars shone great and the stars shone small,
But one bright star outshone them all.

The cattle stood in the clean fresh straw
And strange to them was the sight they saw.
The ox and the donkey watched with awe.

The shepherds ran from the uplands wide,
The sheep bells tinkled; the angels cried
Joy to the dreaming countryside.

The three kings bowed at the stable door,
Their raiment trailed on the dusty floor,
They saw the sight they had journeyed for.

The kings came last in a lordly throng.
The shepherds ran in the space of a song,
But the beasts had been there all night long.

Brush Wizard Beautifies Hilltop—

Another example of "Wick's" wizardry is this scene he has painted on another wall of his home. His illustrations of deer have drawn praise from many quarters. Wick avers that to draw animals you must know them well. He at one time trained deer. (Record Photo)

(Continued from Page 1)

his neck are trademarks—that give another insight to another phase of his interesting life and background.

When crowds jam up about Wick while he is sometimes painting in a scene they are oft times amazed to realize that suddenly they are watching Wick the rope-spinner instead of Wick the artist. "I have a dozen circus acts," said Wick. "I'm a professional knife-thrower, sharpshooter, whip popper, animal trainer and all of that sort of stuff."

Wick gained that nick name during his boyhood when his father ran the Leonard Brothers Circus. He was at that time in the act.

Asked concerning his talents for being able to draw animals in such amazing detail, Wick replied, "I used to train deer and all kinds of animals. That is the reason I can draw them. You cannot draw anything you don't study."

"I never had any regular art training, but a lot of good professors said I didn't need any," was Wick's answer to a query on his art training.

Wick takes great pride in his Christmas painting, pointing out that he has customers who have called him back for the past 15 or more years. But on the other hand it is but a seasonal venture that takes but about three weeks of his time each year.

During the summer months he and his wife sally forth in their bright silver painted school bus and follow the fairs where Wick can always be found working on mirrors, velvet and fibreboard, employing his fast art technique to the fullest advantage. At times 200 to 300 people will gather about watching the "Wizard of the Brush" produce colorful scenic views that seem to vibrate with a lustre and life all their own.

A wacky one went into a theater. Suddenly he hollered, "Is there a doctor in the house!"

A man arose and announced, "I'm a doctor!"

"Hy'ah, Doc!" said the wack one. "How do you like the show?"

Robert Cramer Sets Sales Mark In Advertising

Robert Cramer, 1931 W. Broad-st, this week established himself as the top salesman in advertising for the Hilltop Kiwanis Club annual Christmas Newspaper. Final

Robert Cramer

tallies by Walter Bonnell, chairman of advertising sales, show that Cramer has set a new all-time high for the local club.

In the individual sales race Cramer easily walked off with the top honors by having sold 98 advertisements for a grand total of $498. In addition he was a member of the winning ad sales team captained by Bob Miller. Cramer, by virtue of his efforts, has been declared the winner of the advertising sales award given by the Hilltop Kiwanis.

Runnerup team in sales was captained by C. C. Hartley, but the actual team total did not top the individual mark set by Cramer.

A BIT OF HUMOR

Middle age is the time of life when a man stops wondering if he can escape temptation and begins to wonder if he's missing any.

A Sermonette

Something Incomplete

By Rev. A. L. Roth
Hillcrest Baptist Church

The hour of worship was concluded with the last chimes from the organ, and a reverent pause, as the congregation stood for a final moment of meditation in silence. I had taken my place at the church entrance, which now became an exit, for friendly interchange of greeting and conversation with the departing worshippers. The most significant bit of conversation that day came from a young man of the congregation. "Something is incomplete," he said, "if Sunday passes and I haven't been in church." I had commented on his regular Sunday attendance notwithstanding his frequent Saturday nights of necessary work.

Something incomplete! A churchless Sunday when circumstances would permit attendance is a day marred by failure to keep faith with God and an opportunity the day offers. Those who have once known the enrichment worship brings, but have carelessly allowed the good practice to die, would be acting the part of wisdom if they're return to where they dropped a good thing and take it up once more.

To Air "The Messiah" On Sunday Night

Handel's famous oratorio "The Messiah" will fill the air again on Sunday evening, Dec. 20, when CBS Radio will broadcast this immortal classic as sung by the Independence (Missouri) Messiah Choir. It will be heard in this area at 11:30 p. m. over Station WBNS. The program will originate in Kansas City, and is presented as a Christmas gift to the nation by the Reorganized Church of Jesus Christ of Latter Day Saints.

The local congregations of the sponsoring church are located at Reinhard and Twenty-second with a mission location at 630 N. Hague-av.

West Hill Church Lists Special Sunday Services

Santa will arrive during the children's program planned at West Hill Church of Christ at 9:30 Sunday morning. Christmas music and choir specials will be featured during the special Christmas communion service at 10:30 a.m.

The theme of the Sunday evening music service will be "Christ's Birthday In Music" and a birthday party and Christmas fellowship hour will follow. Rev. J. E. Gordon is pastor of the church.

Traditional Christmas Service Planned At Westgate Methodist

The traditional service of carols and candlelighting will be held in the sanctuary of the Westgate Methodist Church on Christmas eve at 8. The Christmas story will be retold in the reading of scripture and in the singing of the well-loved Christmas carols.

The climax of the service will be reached when each person will receive the light from the altar candles to light his own candle, flooding the sanctuary with light while the congregation sings "Silent Night, Holy Night."

Rev. George J. Taylor, pastor of the church, will read the lessons from the scriptures dealing with God's promise of the light. His giving of the light, mankind receiving the light and spreading the light as it was received on the first Christmas Eve.

The candlelighters, Dennis Hawes and Larry Spangler, will bring the Light of the World from off the altar as they light their tapers.

Jack Grigsby, director of the senior choir, is arranging the special music for the occasion. He will sing the traditional solo, "O Holy Night" by Adam, accompanied by Denver Young, church organist.

Young will play as the organ prelude "In the Stillness of the Night" by Perry and "Sweet Little Jesus Boy" by MacGimsey as the Offertory. A ladies' trio, composed of Mrs. Richard Heffelfinger, Mrs. Joseph Price and Mrs. Carl Younkin, will sing "Lo How a Rose Is Blooming" by Dykes while a men's trio, composed of Thomas Grigsby, Siddle, Fred Schmidt and Mr. will sing "We Three Kings" by Hopkins.

A cordial invitation is extended to all the friends of the church to join in the service of carols and candlelighting.

Christmas To Be Stressed At Burgess EUB

During the opening exercises of the Sunday School session at 9:15 a.m., the Beginners' Department will present its Christmas program under the direction of Mrs. Ralph Drinkhouse, being assisted by other workers in that department.

At the 10:30 a.m. morning worship service the three choirs, junior, youth and senior, will be combined and will furnish special music for the services. The sermon will be given by the pastor, Rev. Irvin H. Lane. Again at the 7:30 evening worship service the senior choir will sing, at which time a musical program will be presented, centering about Christmas.

Wednesday evening, Dec. 23, will climax the Christmas emphasis in the way of Church programs when the primary and junior departments will present their Christmas programs.

One World One Way

Far out past the great wing of the superliner, there is a dull, red glow in the sky. A passenger on her first trans-Atlantic trip leans forward in her seat to peer out at the sight.

She questions the stewardess, who comes forward to her seat, and says, "It might be . . ."

The stewardess checks her watch, looks out the window again. Then she straightens up and speaks again to the passenger. "Yes, we're on time, that light in the sky—that's London!"

Today, in a mere matter of hours, whole continents are joined together by air. "One world" is more than a phrase—it is fast becoming a fact. One world calls for one way. Upon that, all statesmen agree. Yet no one can agree on that way, and if agreement is not reached, there will be slight chance for one world.

If war comes again, there may be no world, as we know it, left at all.

In ten simple Commandments, the Bible offers the way to a permanent peace. It is the worldwide adoption of these Commandments for which your church works today. As a good member of your church, you can do your part to make certain that *one world* goes *one way* toward a just and lasting peace.

If ye walk in my statutes, and keep my commandments, and do them; I will give peace in the land. —Lev. 26:3-6

Merry Christmas! Merry Christmas!

The spirit conveyed by these words is the same in all countries, but the words themselves sometimes fall harshly on American ears.

"Merry Christmas" in French has a soft and musical sound. It is "Joyeux Noel."

In Spain the greeting is "Feliz Pascua," and in Italy, "Buon Natale." For Sweden it is "God Jul" and Norway, "Gladig Jul."

In Germany and Holland the greeting is a tongue-twister that will stump the average American. The Germans say "Froehliche Weihnachten" and the Dutch, "Plezierig Kerstfeest."

But whatever the language, the spirit behind this greeting is the

Are you willing to forget what you have done for other people, and to remember what other people have done for you; to ignore what the world owes you, and to think what you owe the world; to put your rights in the background, and your duties in the middle distance, and your chances to do a little more than your duty in the foreground; to see that your fellow-men are just as real as you are, and try to look behind their faces to their hearts, hungry for joy; to own that probably the only good reason for your existence is not what you are going to get out of life, but what you are going to give to life; to close your book on complaints against the management of the universe, and look around you for a place where you can sow a few seeds of happiness—are you willing to do these things even for a day? Then you can keep Christmas.

NEW YEAR'S EVE . . . And a very lovely Eve, too, is this young lady as she warms you that time is marching on.

New Years and Superstition Go Hand in Hand

Mankind has always been superstitious about New Years.

In olden times families sought a glimpse into the future by the "dipping" custom. The head of the family, with his eyes closed, opened the family Bible and indicated a passage with his finger; the text, solemnly read and interpreted was indictive of the luck—good or bad—that was in store for them.

Probably one of the most widespread superstitions concerned the first person to cross the threshold on New Year's morning. Women and light-haired men were considered unlucky, as where people who walked pigeon-toed.

In some villages, the superstition was taken so seriously that a dark-haired man was hired to be the first-footer. Going from house to house, he would be the first person to cross the threshold, thus preserving the good fortune of the community.

Anglo-Saxons, believing that something might happen when the New Year occurred often climbed upon the roof on New Year's eve so as to have a good view of any such event.

We moderns make as much noise as possible, presumably because our primitive ancestors believed that noise would keep evil influences at a distance.

New Year in France Day Par Excellence

January 1, la jour de la bonne annee, is the day par excellence in France.

It is the day of gift-giving and of ringing doorbells. Besides friends who come to present gifts, tradespeople are accustomed to call to offer compliments of the day and receive, in turn, small sums of money.

The atmosphere is full of joy and gaiety and hospitality. Gifts are proudly displayed and callers come and go amid many compliments and the toasting of everyone's health.

Jour de l'an has its serious side, too. Many families visit the graves of departed members, since this day is considered an appropriate time to remember the dead as well as the living.

The churches generally are crowded on New Year's Eve, which is also the Vigil of St. Sylvester, an early pontiff and father of the Church. In various rural communities, the cattle are driven to the door of the village church where they are blessed by the priest who also says Mass for their protection during the New Year.

Keep Trees Green

If you have the type of a tree-holder that permits the tree trunk to rest in water, you will find that a small amount of plant food dissolved in the water will aid in retaining the needles on the tree, and keep the needles green. If you use a pebble or rock-filled pail to support the tree, cover the pebbles or rock with a plant food solution.

Use one teaspoonful of plant food, powdered form, to each gallon of water in the container, or use one plant food tablet to each gallon.

Merry Christmas

The Spectator
By C. C. Hartle

"God Bless You, Merry Gentlemen"

Few if any of the more than 240 men who participated in the annual Hilltop Kiwanis Club Christmas newspaper sale last Thursday evening could [illegible] but have had something [illegible] to their Christmas cheer [illegible] they made their rounds from house to house selling papers.

In the first place, there was the largest number of volunteers ever to turn out for the sale and represented a fine spirit of cooperation from the Hilltop Lions Club, West Franklin County Kiwanis, Camp Chase Post of the Legion, the VFW and numerous others.

Hundreds of homes had their porch lights on and their money waiting and the response was fine. The Hilltop Kiwanis Club will show a net profit on the sale this year of over $6000 which is a new high by over $1000. This money will all be returned to the community in various types of youth activities in the coming year.

This is just another example of the fine spirit so evident on the Hilltop. To all who helped in anyway to make it a success, we say, "God bless you, Merry Gentlemen!"

New Trabue-Rd Improvements Are Scheduled For Next Spring

Improvement of a 3.4 mile section of Trabue-rd extending from McKinley-av west to the Rome-Hilliards-rd will begin next spring, according to announcement this past week by Guy Elbin, Franklin County engineer. The project, which will cost $234,000, is designed to improve traffic conditions to and from the General Motors Ternstedt plant and the new Westinghouse plant.

Trabue-rd will be widened from 16 to 24 feet from Hague-av to the Rome-Hilliard-rd while a 24 foot strip will be replaced with parking lanes added to either side of Trabue-rd between Hague-av and McKinley-av.

A contract for the construction is to be signed within the next few weeks with the R. J. Deinst & Co. of Columbus, which was the low bidder on the job. County and federal governments are sharing the cost of the project, which is expected to be completed by Aug. 31, 1954.

The Trabue-rd project is the latest of [illegible] to improve road conditions within the county [illegible] effort to reduce traffic hazards. The county [illegible] pointed out that after [illegible] house [illegible] General Motors [illegible] a full scale production [illegible] present roads would be inadequate [illegible] that the improvement is necessary at once.

Elbin said that the thoroughfare [illegible] closed to all traffic during the course of construction.

Library Collects War Souvenirs

Usually all wrapped up in books, the Columbus Public Library, 96 S. Grant-av, is trying to rustle up some relics this month.

Public help has been asked in a "search for souvenirs" for a library exhibit of Korean souvenirs to be displayed at the library through January.

"After all," says Pat Schaeffer, librarian in charge of the exhibit, "the library is crammed with books and articles about Korea, so it should be a natural to have a display of actual items from Korea. Everybody is interested in Korea—but how many have actually seen real articles from Korea?"

Souvenirs used will be tagged and kept under lock and key. Anybody who knows anybody who owns Korean relics is urged to contact Miss Schaeffer at the Library.

In Passing

By

Esther Weakley

And there were in the same country shepherds abiding in the field, keeping watch over their flocks by night. And lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them, and they were sore afraid.

And the angel said unto them "Fear not, for behold, I bring you good tidings of great joy, which shall be to all people.

For unto you is born this day in the city of David, a Saviour, which is Christ the Lord. And this shall be a sign unto you: ye shall find the babe wrapped in swaddling clothes, lying in a manger.

And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, Glory to God in the highest, and on earth peace, good will toward men. Luke 2:8-15.

PRAYER AT CURTAIN TIME

Please, God, I'm Bill; I'm six years old
And I got two teeth that's out in front
So I can't say "Christmas" like I should,
And "angels" don't come out so good!

If you can spare the time for me
(I know you're awful busy now
With what the minister calls Sin
And fearful-state-the-world-is-in).

Please don't let me forget my part—
I want mom to be proud of me—
So will You kinda help me through?
And Merry Christmas, God, to You.

ETERNAL CHRIST

The sages of the east rejoiced to see
The star which pointed them to Bethlehem.
This brilliant wonder of astronomy
Was more than just another stellar gem.
It was the sign which led them to a King.
An un-crowned Monarch in the least of towns.
The One Who taught the morning stars to sing.
The Lord Who shall be crowned with many crowns.
They brought their gifts to Mary's holy Child
Which told the story of incarnate Christ:
His deity, in human form reviled;
The risen Saviour Who was sacrificed.
They found the Babe asleep beneath a star.
We know the Christ Who wears our sin-made scar!

THE STORY OF SILENT NIGHT

The words of this beautiful carol were born over a hundred years ago, in the village of Arnsdorf, Austria. It happened on the night before Christmas Eve. The parish priest, Father Josef Mohr, was troubled. The old organ in the little church was broken. He thought of the Christmas Eve service. If there could be some special music! Coming home from a visit to a parishioner, Father Mohr found himself on the heights overlooking the little village, where a few lights glimmered in the silent darkness. So it must have been in Bethlehem on that silent night, holy night when Christ was born. Silent night, holy night! Words came to him. He hastened home and put them down. The next day he showed them to his organist, Franz Gruber. As he read the words, Franz Gruber felt the beauty of that first holy night. He began to sing, and those who listened knew the song would be immortal. There was no organ music in the church on Christmas Eve. But, as Father Mohr sang, with Franz Gruber accompanying him on the guitar, the congregation listened in wonder to the first rendition of a song that was to be a Christmas gift to all the world—"Silent Night."

Mail—From my favorite sheutin: I'm knee-deep in Christmas cards. If I had the man here who invented them I'd make him lick the seals and stamps and address them all. I'm just kidding, I love it only I'm swamped—like Chloe. Being lazy as I am, I love to receive cards but getting them sent is quite a chore . . . From Columbus: There seems to be a different feeling about Christmas this year. It doesn't seem so commercial, perhaps this is due to the "Put Christ back into Christmas" movement. Whatever is the reason, it is good . . . From Virginia: My sixyear-old niece told her teacher last week that she could not figure how Santa Claus could send her a card from Santa Claus, Indiana, and The North Pole, New York, the same day. Her grown-ups had a tough time explaining that the cards were sent by Santa's helpers who are stationed around the country. No wonder there are so many crazy, mixed-up little kids nowadays.

I'd like to wish everyone a happy Christmas, and shall speak with the little 1954 about bringing you all a lot of happiness and prosperity.

Last year's visitors to national forests included 8,027,000 picnickers; 5,931,000 anglers; 2,994,900 hunters; 1,641,402 campers; 974,661 swimmers and 815,639 hikers and horseback riders.

These Eyes —

How Well Do You Know Them?

Didn't the clue give you the answer to last week's owner of the eyes?

It should have because those eyes belong to well known Hilltopper, Dr. Fred Marsch, 38 Demorest-av, whose business is that of an optometrist with offices at 2446 W. Broad-st. Of course we fudged just a bit with the picture inasmuch as it was taken during the time the good doctor was in the U.S. Navy a few short years back, but nevertheless it was he.

The owner of this week's set of eyes is pretty well known wherever he might be and the clue is, "They're red hot right now."

CHRISTMAS
By Mrs. D. H. Latham

Celebration of Christmas is an ancient custom but strangely and paradoxically, more ancient than its own beginning.

Christmas began a mere two thousand years ago but similar feasts were celebrated by pagans for centuries before the birth of Christ and many of our most cherished customs in celebration of the holiday bear a remarkably close resemblance to those ancient rites.

But the fact that Christmas is an ancient feast time doesn't prohibit the introduction of new ideas. The outward and visible sign of the inner spiritual grace of Christmas is in all of us and is expressed by our festive decorations and here the very age of the custom offers a tremendous field for ingenuity and originality. To decorate our homes at this season, one can create with little expense.

Try clothesline wire and form it into a circle—wrap it with peat moss and tie it securely—then go to work with it on your branches. Wire one group of branches slightly to the right—the next group slightly to the left. Use smaller branches to fill in the empty spots. Gild or paint leaves to insert here and there for your bit of color. Finish off with a big bow of red oil cloth if used outside, red ribbon for indoors.

Don't forget the mistletoe — it means good fellowship and according to a legend, the white mistletoe berries are the tears of the goddess of love—Freyja. Since it is the only plant that stays green between the last leaf of fall and the first bud of spring, her son, Baldur, used to carry a spray of it on the tip of his spear, indicating that love is stronger than death.

Let the children share in the joy of placing the Nativity scene someplace in the house or you might use a window box or an extra wide window sill for an outside creche. Paste a silver star on your window.

Don't forget the three C's at Christmas — Christmas carols, Christmas candles and Christmas cookies.

Give your imagination full rein. BE ORIGINAL.

A Merry Christmas to all of you.

Cowboys Split With Win, Loss In Weeks Play

By Woody Owen

West High School's cagers ran their win streak to four last Tuesday night on the local court as they handed Delaware Willis a 74-41 setback in a non-league affair and on Friday night the Cowboys had that win streak snapped as they lost a 66-60 decision to East High's Tigers in a hard-fought city league contest.

The Cowboy-Delaware contest started as if an upset was in the making as the visitors connected on seven of their first 11 attempts to take an early 14-10 lead, only to see the Buff and Brown bound back to outscore them by a 30 to 7 margin to take a 42-21 halftime lead.

With only Jim Vincent of the starting five seeing any action in the final two periods, that being only 4½ minutes, the Cowboy subs outplayed the Willis five and won as they pleased.

Jim Vincent continued to lead the Cowboys' offensive as he connected on seven of 10 fielders and added four successful free throws in five attempts to total 18 points; Paul Longmire, sub forward, tallied 11 as did Jerry Ruffner with the latter also contributing a fine game off both boards.

The Cowboy-Tiger contest was in doubt until the final whistle as never more than six points separated the two quintets.

The Hilltoppers took a 10-9 first quarter lead, only to see the East Siders take over and gain the upper hand and leave the floor at halftime in front by a 32-26 margin.

The Cowboys were never able to gain the upper hand in the final two periods although twice in the final quarter they came within one point of tying the score 49-48 and 55-54 only to see the home team pull away to a five or six-point margin by which they won the contest.

Tiny Lee Morgan again led the winners, scoring with his brilliant one-hand push shots as he totaled 19 points. Nate Harris, Tiger pivot man, chipped in with 14 points, all coming at times when the Cowboys were threatening to take the lead.

Jim Vincent, for the fifth consecutive game, led the Cowboys' offensive with 20 points, and has now totaled 117 points in those games and in the last three of those has connected on 39 of 98 field goal attempts.

West Junior Varsity suffered its first loss of the season, dropping a 39-36 overtime decision to the Tiger seconds. Dick Furry of West was the game's leading scorer with 16 points.

Another sad note in the Cowboys' loss was a shoulder injury suffered by Ron Bowman, stellar back court man in a collision with Tim Blalock of the Tigers. The extent of the injury is unknown at this time, but his loss would be a severe blow to Cowboy hopes in future contests.

The Cowboy cagers will be idle until the 28th and 29th of December when they participate in the tourney at St. Charles with Bexley and Grove City the other participants.

Lightning Five Hilltoppers In Cage Finals

The Lightning Five and the Hilltoppers, pre-season winners of their respective leagues, won the second round games in the tournament and advanced to the finals at Glenwood this week. The Lightning Five, winner of League No. 2, defeated the Firehouse by a 40-33 score as Dave Williams scored 18 points and Dick Witter scored 12 points. The Firehouse was led by Phil Carmill, who bucketed 13 points.

The Firehouse led at the first quarter by a slim 11-10 score but the Lightning Five applied some scoring pressure in the second quarter to score 12 points to their opponents' 7. The scoring in the second half was very close as the Lightning Five outscored the Firehouse by an 18-15 margin.

The Hilltoppers outscored the Whiz Kids in every quarter and romped to a 85-36 victory. The Hilltoppers got off to a slow start with a 10 point first quarter but picked up momentum as the game progressed. The Hilltoppers had four players in the double figures in scoring with Bill Voss leading all scorers with 19 points.

High scoring Bob Thornton was held to six points but controlled both backboards. Dick Orr of the Hilltoppers and Jack Shaffer of the Whiz Kids each had 14 points.

In Festive Holiday Motif Youth Groups Decorate Center

CHRISTMAS DECORATIONS PUT UP AT GLENWOOD. Shown here are a few of the many children who helped decorate the recreation center for Christmas. Gathered around the tree from left to right are Jerry Hummel, Carol Schieblich, Bobby Schieblich, Vickie Quinn, Ronnie Hill, and Larry Jones.

Decorating Glenwood Recreation Center for Christmas was an activity in which many children have participated during the past week.

In addition to decorating the Christmas Tree, several other novel decorative ideas were used. Stars and candles were cut out of colored metallic paper and put on the walls with scotch tape.

Large Merry Christmas greeting cards were also hung on the walls. The windows were covered with colored cellophane, giving them a stained glass effect.

Members of the Gleaners, Boys Club, G. Y. O., Teen Club and Camp Fire Girls took part in the decorations.

Reserves Lose Second Tilt Of Cage Season

By Woody Owen

West Junior High cagers suffered their second consecutive league defeat against one win last Thursday at Champion as the current league co-leaders set a new all-time scoring record in doubling the locals score by a score of 71-39.

The loop leaders led by only a 26-21 margin at halftime, but ran wild to score 45 points in the final twelve as against the Buckaroo's 18, to win an easy victory.

Cherry, elongated Champion pivot man, led the assault with 21 points as three other teammates hit the double figures.

Mike Posey tallied 16 for West Juniors. The locals will be idle until Jan. 7, when they play at Roosevelt.

Safety Council Gives Pointers To Lessen Holiday Accidents

When Christmas trees are on the market, it is a safe prediction that Christmas is just around the corner.

The Safety Council of the Columbus Chamber of Commerce says that Christmas is time for sharing—sharing things of the spirit as well as gifts. It's the time of the year when we all gather 'round the tree to share our pleasure in giving with our families and friends. When we are buying gifts, putting up the tree and unwrapping the gifts, let's share safety too, this Christmas.

There are many ways in which we can do this and all of them take just a little common sense. All we have to do is to stop and think a minute when we're buying a toy for the baby for instance. Ask yourselves, can he possibly hurt himself with it? If he can't, then that's the toy Santa should bring this Christmas.

When we're unwrapping the gifts, let's have a waste basket handy for the discarded wrappings, and take them outdoors and burn them as soon as possible.

This is a party season too, so we can use fire resistive decorations and costumes, see that our walks and steps are free from ice and snow, and when going to and from these festive occasions, let's remember not to mix drinking with driving.

And when the tree has been dried out, let's dispose of it. Sentimental as we may feel about it, a dry tree is a major fire hazard. There are several precautions to take with the tree if is well to remember.

First of all, buy a tree only as large as you need, the larger the tree, the greater the fire hazard. Put it up just before Christmas so that it will keep green as long as possible, because a dry tree burns with almost explosive violence. And don't leave it up longer than necessary.

No tree is completely fire resistant, but it can be made comparatively fire resistive if a slanted cut is made across the base of the trunk and it is placed in a water-filled receptacle, and be sure to check frequently to see the water level is kept above the cut.

Other precautions to remember are to place the tree away from any source of heat; support it firmly, and place it where it will not obstruct an entrance or exit. Never use cotton paper or other flammable decorations either on the tree or around the base of it. Decorations of metal or glass are nonflammable and safe.

Check the lights and cords to see there are no frayed cords, faulty, ill fitting sockets or loose connections. Of course never use candles on the tree, and be sure not to overload the electric circuits.

Finally, always turn off the lights when leaving the house, or when no one is going to be in the room for any length of time.

If these precautions are carefully followed, the day will be one of joy and gladness instead of tragedy.

Health Officer Spikes Rumor Of Epidemic

Dr. H. L. Mitchell, county health commissioner, this past week scoffed at a reported "hepatitis epidemic" in the Hilliards schools.

He said the reports have been exaggerated, pointing out there have been only five or six cases at the schools since the fall semester began.

Hepatitis, he said, is a disease of the liver caused by a virus. He said it is not a serious disease, adding that it is a form of virus which results in a jaundiced condition.

"We actually don't know too much about the disease," declared Dr. Mitchell. "It breaks out in epidemics and we have not learned how it is transmitted."

The health commissioner said parents of students at the Hilliards schools apparently became alarmed by the presence of a county nurse at the schools. Dr. Mitchell said the nurse has been sent there merely to study the situation.

Mitchell declared the situation at Hilliards is no different than in several other school communities in the county. He emphasized the health situation is far from being alarming.

Call by Number

Christmas Day, the postman puts his bag down and his feet up. Santa relaxes and enjoys his tree. But your telephone operator is just half-way through her big Christmas job . . . handling the flood of calls that swamp our switchboards Christmas Eve and all day Christmas.

So many holiday calls are made that some may be delayed . . . in spite of many special circuits and an extra-large force of operators working with a will to get those calls through. Remember . . . it will speed your call and help your operator if you give the correct town number.

Contest Now Underway

The 17th annual School Press Project sponsored by the Columbus Tuberculosis Society is well under way with students from city and county high schools enrolled as contestants.

Medals, cash awards and honor scrolls are awarded in this county, state and national journalistic competition. It is open to students in all high schools of the county.

Entries may be in the form of news stories, features, cartoons or even fictional material based on one of the two following subjects: "How Our County Fights TB," or "What We Know About TB."

To be eligible the entry first must have been published in a November or December issue of a school paper or a student edited column of a commercial paper.

All clippings must be submitted to the Columbus Tuberculosis Society by Jan. 16 for appraisal by judges chosen for Franklin County. Winners will be presented gold, silver and bronze awards. Their entries then go on to the state contest where cash awards will be made. National winners will receive a certificate of recognition from the National Tuberculosis Association.

More than 100 of this year's contestants representing 13 schools attended a fall press conference and made field trips to do some first hand research before writing their papers.

The Columbus Tuberculosis Society has two aims in sponsoring these yearly press projects. Through the student research the Society hopes to further the knowledge concerning tuberculosis and its prevention among young people. Stories and cartoons featuring this research spread the information among their classmates and at the same time encourage better journalism in the schools.

Certificates of participation will be given each high school which has at least one student enrolled in the contest.

Thoughtfulness Toward Others Keynotes West Yule Activities

No school in Columbus has a "corner" on Christmas spirit, but it would be hard to beat West High School's Yuletide activities. The accent is on thoughtfulness for others.

Girls of the West High Y-Teens are "adopting a family" for Christmas, providing a $15 gift to provide that family the extras for a happy holiday. Art Club members gave up their usual party to spend its money on a needy family. The Girls' Athletic Association is presenting much-needed sports equipment, food and money to the Columbus State School.

Hi-Y members are having a gay time collecting materials for a Christmas basket for a needy family. Members of the Future Teachers of America Club are providing money and canned goods for children of the community.

Students of the 11A dramatics class have written an original play, "Santa's Workshop," which they will present at St. Vincent's Orphanage and the Columbus State School.

Homeroom groups have cut down down on their own Christmas parties to purchase gifts for those whom Santa Claus might otherwise forget, and the ninth grade Y-Teens will give a party and buy gifts for an "adopted" cottage of boys at Franklin Village.

Ninth-Graders Attain Excelsior

Nancy Grabill, Leona Linn, Linda Meyers, Zo Ann Stanfield, Janet Young, Ronnie Stilwell, John Love, Marietta Morgan, Dorothy Fleming, John Birle, Stanley Huff, Donna Gould, Jim McWilliams, and Judy Gilbert were honored at the West Junior High Excelsior Assembly on Tuesday, Dec. 15. To be eligible for membership, the 9A's must meet the highest standard of scholarship and additional qualities of good citizenship.

The group had chosen Nancy Grabill as their speaker. Nancy spoke on the subject of achieving one's goal. Pins were presented by Miss Bachmayer while Mr. Love read the names of the members.

The new board will meet Jan. 5 to elect officers.

Mothers Ready For Polio March

In spite of the Christmas rush, nearly 1500 Franklin County women have found time to help organize the county's second annual Mothers' March on Polio. Under the direction of Mrs. Glen H. Kraft and Mrs. Frank C. Willson, co-chairmen of the Mothers' March, women serving as colonels, majors and captains for the one-hour porchlight campaign have been recruiting other women to serve as contact mothers.

Approximately 16,000 workers will be needed to contact every home in Franklin County within the hour between 7 and 8 p.m. on Thursday, Jan. 28. If the needed number of volunteers are found, no one will need to call on more than 10 homes within her own neighborhood.

Nearly every section of the county still needs additional volunteers. If you would like to help in this drive to raise money with which to fight infantile paralysis, call AD. 2153 today. Your name and address will then be given to the proper section leader who will in turn contact you with specific instructions.

THORNBURG HONORED

Dale Thornburg, special representative of the Western and Southern Life Insurance Company, has again distinguished himself by being one of the first in the district to qualify in his company's exclusive Presidents' Club.

Thornburg's insurance career, embracing some seven years, has been equally divided between Columbus and Lancaster and he has year after year been one of the company's outstanding producers.

Mrs. Andrews Offers Readers Recipe For Delicious Caramels

Mrs. Gladys Andrews

Mrs. Gladys Andrews, of 151 S. Richardson-av, has submitted this week to be shared with readers of The Hilltop Record an original recipe for caramels.

She has two sons and two grandchildren, and candy-making has remained her chief hobby since she was a small girl.

The donor tells us that she and her two sisters grew up on a farm and their chief recreation and activity was candy-making. With approval of their understanding parents, they experimented endlessly and developed a number of original recipes. She has revised and improved on these recipes through the years until they have becomes as nearly perfect as her skill and experience can make them.

In choosing a recipe this week, Mrs. Andrews decided upon this one because it takes absolutely no candy-making experience to turn out really professional results.

Caramels

1 cup sugar
1½ cup white Karo syrup
½ cup milk
1 cup heavy cream
Lump of butter
½ cup nuts
1 teaspoon vanilla

Mix together all except nuts and vanilla. Cook until hard balls form (240 degrees), stirring all the time. If brown around the edges don't get alarmed as this is coloring of the caramel.

Remove from fire, add vanilla and nuts. Pour in 9 in. buttered pan. Set aside to cool. When cool, cut in squares.

A small town is a place where if all the "news" that goes over the backyard fence went into the hometown paper, it would cease publication—but quick.

LETTERS TO THE EDITOR

Editor Hilltop Record:

The writer has watched the phenomenal growth of the Hilltop for nearly 50 years.

The wheat fields between Broadst and Sullivant-av cut into lots all east of the office of your magnificent paper.

And in 1911 while conductor on the Ohio Electric Railroad we went to the mudhole at Mound and Sandusky to get our cars and went to Rich and Third to pick up our passengers, round the old City Prison at Town and Water, across the river, out Sullivant to Hague and West on Broad, out of town, with a five cent fare to the Big 4 Crossing from down town—10 cents to Alton and 15 cents to West Jefferson, $1.05 to Dayton.

Oh! Boy those prices. But chewing gum was five cents a package and it was a luxury.

And what a shame it was to see those fields of wheat and corn abandoned to the city.

Now W. Broad is a divided highway from West to East and from East to West.

Columbus is crossing the western plains.

Watch industry and markets Hug Broad-st to the west. Some of it will be rezoned down and some up.

No one can completely anticipate the growth in its entirety.

The Hilltop Record with its far-reaching influence will have its share in this growth.

Yours,
Clyde M. Rumfield,
268 N. Wheatland Ave.

PIONEER CUSTOM REVIVED

Welcome Wagon Ladies Carry Goodwill To All Newcomers

Have you ever known the loneliness that comes with moving into a strange new community? It's not easy to leave relatives, good friends and neighbors, the familiar churches and schools, civic and social groups and favorite stores and shops.

Newcomers to the Hilltop are finding ours a very friendly community, especially after receiving aid in making new friends and contacts in their new surroundings, from friendly, neighborly, Hilltop women who are Welcome Wagon Hostesses.

The Hilltop Welcome wagon hostesses, Mrs. Juanita Bowers, Mrs. Jane Pfaltzgraf, Mrs. Peg Warren and supervising key hostess, Mrs. Evelyn E. Jones, are friendly, neighborly women who have been residents of the Hilltop for quite a few years and are active in community (church, school and social) affairs. They are well qualified to help Mrs. Newcomer and her family get settled in their new home and surroundings.

They carry attractive baskets filled with literature and gifts from churches, leading civic and social agencies of Columbus, and business sponsors of their service. The church list they present on their calls is a complete list of all of our churches and they direct the newcomers to the church of their choice.

They present gifts and greetings from local stores and shops and tell about the services and merchandise offered in these stores. After this fine welcome and introduction to the Hilltop the newcomers begin to feel that they have found a real friendly section of Columbus in which to establish their new home.

Welcome Wagon Service, which is sponsored by local, civic-minded business men, is the modern version of the original Welcome Wagons of pioneer days.

The old tradition of sending wagons carrying food, fresh water and supplies to meet the weary travelers of pioneer days, was modernized in 1928, by Thomas W. Briggs, a newspaperman in Memphis, Tenn.

The service has grown until now over 4000 hostesses carry messages of good-will, cordial good wishes and gifts, in over 1100 cities in U.S., Canada and Hawaii Islands, and not only visit the newcomers to the cities but call on local families on the occasion of the birth of a baby, engagement announcements, change of residence, and other unusual special family occasions.

The Hilltop Record is one of the first sponsors of this service on the Hilltop, for it understands the community and lives up to the responsibility of making the Hilltop one of the nicest places in Columbus to live. A copy of The Hilltop Record is always carried in the hostess baskets and each new neighbor receives a free three-month subscription to the Hilltops own weekly newspaper.

If you are a newcomer and have not received your visit from the Welcome Wagon hostess, or if you are a "Hilltopper and know of a newcomer to your neighborhood, be a good neighbor and give the hostesses a helping hand by informing them of new arrivals. There is no obligation or charge to the recipients of these visits. Just phone Mrs. Juanita Bowers, JO. 8002; Mrs. Peg Warren, RA. 7387; Mrs. Jane Pfaltzgraf, RA. 4223 or Mrs. Evelyn E. Jones, RA. 4336.

Sermonette

Accusations

For several days the papers had carried the story of the murder and later the trial. No detail was omitted. The complete background of the couple and their fight the night of the killing was told so vividly that readers felt they were

seeing the life history and annihilation of two people.

The trial lasted almost a month, and brought out evidence of neglect and suspicion on both sides. The husband was sentenced for second degree murder. But the man-on-the-street felt that the guilt was also shared by the wife. In this situation they found it hard to point to one person and say, "You alone are guilty."

We have all felt the same way. This feeling is not only true of spectacular cases of violence. It is true of our every-day life. Many of us, for instance, think politics is dirty business. We indict a politician for corruption. Should we not also indict ourselves for indifference? Should not parents and the neighborhood be judged when a juvenile is judged?

The crucial point is that we are seldom in a position to assign guilt or sin to one person. The accused and accuser are usually both guilty. I cannot point my finger at you without three fingers pointing at myself.

The man who stood before God and admitted, "I am a man of unclean lips and I dwell in the midst of the people of unclean lips," was used by God. The man who went to the Temple and thanked God he was not sinful like others, was called a stupid man by Christ.

Christmas Greetings

As shepherds watched their flocks... and Wise Men followed their Star...a Babe was born in Bethlehem almost two thousand years ago. Today, as then, His message of Peace and Good Will shines brightly in the hearts of men...a beacon of hope to light the way to a better world for all. In the true spirit of that message, age-old yet ever-young, we wish for everyone, everywhere, a Christmas rich in the joy of blessings received... bright with the promise of happiness, deep and abiding, through all the years to come.

'TWAS THE NIGHT BEFORE

Christmas

We have our songs about that mighty night when the angels' voices shook the world and the light was bright over Bethlehem and the morning stars sang together in their joy.

And these are our carols of Christmas . . .

We have our Yuletide memories:—a sprig of holly, a loved one's kiss, a friend's greeting, and white snow falling softly on the roof-tops of an old, old town . . .

And these are our symbols of Christmas . . .

We have our stories of that night before the first Christmas when the silent little group stood in the shadows of the inn and the shepherds stood quietly with their flocks and the wise men pressed fast towards the East to pay homage to a small Son born in Bethlehem.

And this is our Christmas story . . .

Yet who of us knows Christmas until he has seen the love and wonder in the eyes of a child as he is read the little story of the Christ-Child's birth on that bright and wonderful night so long ago?

Seeing that, we know we can base in them our hopes for peace on earth, goodwill towards men that rang from the heavens on the first Christmas, and it is in them that we can place our faith for that future even as another Mother placed her faith in the small Son born to her that night.

And it is with the simple words of a child that your church brings its Christmas message to your home today—"God bless us, every one . . ."

Glory to God in the highest, and on earth peace, goodwill toward men.

St. Paul's Carolers Entertain Patients At Hilltop Rest Home

By Mrs. James W. Whelon

ROME — On Sunday evening the Carolers from St. Paul's Lutheran Church delighted the patients at the Wilson Rest Home on W. Broad-st, with their beautiful singing of Christmas carols. Approximately 30 carolers were accompanied by their minister, Rev. Arthur Riemiller, and made a happy hour for these folks who are unable to attend their churches and participate in the singing of carols.

The election of officers of the Rome Blue Star Mothers, Unit No. 11, was held at the home of Mrs. W. W. Ogden of Buena Vista-av this past Friday evening, during the regular December meeting. The newly elected and installed officers are: chairman, Mrs. Joe Lamb; vice chairman, Mrs. Melvin Dutton; secretary, Mrs. Harold David; treasurer, Mrs. William G. Lamb.

The December Christmas meeting of the Women's Missionary Society of St. Paul's Lutheran Church was held at the church this past Thursday, beginning at 12.30 with a casserole luncheon. Following the luncheon and business meeting was a Christmas program with Mrs. Forrest H. Dougherty in charge.

There was group singing of Christmas carols, Mrs. Bertha Holt read the Christmas story from the Bible, and this was followed by a gift exchange by the members present.

Next meeting of this organization will be held Thursday, Jan. 7, with Mrs. William Emmelhainz, president, Mrs. N. Hufford, vice-president, Mrs. Curtis Link, secretary, and Mrs. F. H. Dougherty, treasurer, taking charge of the meeting. These newly elected officers were chosen at a previous meeting.

Mr. and Mrs. Charles Seipel and daughters, Charlotte and Cheryl, 371 Lenox-av, were guests of Mr. and Mrs. Phillip Olsen of Findlay this week-end.

Mr. and Mrs. Earl Kordell, 82 Maple-dr, are planning to sell their home in Rome and are building a new ranch type home on Milnor-rd. near Pickerington, O.

Mrs. Harry Eberhard, 451 Maple-dr, who is a member of the special committee, attended the Capital University Mothers Club meeting this past Friday at Troutman Hall at 7:30 p.m. Husbands of the members were guests.

Guest speaker for the evening was Dr. Hilmar G. Grimm, member of the faculty, whose subject was "Some American Values". A program of Christmas music was provided by the University Men's Glee Club, directed by David Kearney. There was also group singing followed by refreshments and a social hour.

The annual Christmas cantata given by the members of the choir of the Columbia Heights Methodist Church was enjoyed by all those who attended the morning worship service on Sunday. Title of the cantata was "Glory in the Highest" and it was presented under the direction of Mrs. F. D. Walker.

The Christmas program was given for the members of the church by the children and young people of the Sunday School on Sunday evening at 7. At the conclusion of the program a visit was made by Santa.

YOUR YOUTH

By Bob Schmidt Dick Wilson

With the "Y" Christmas program moving in full swing it would be only proper to inform all of you readers of this column of the many special Christmas events and parties being planned and held by our "Y" groups.

The Hilltop "Y" Mothers Council enjoyed a family Christmas party at the home of its president, Mrs. Fred Dinsch. A fellowship luncheon and a visit from Santa and a short business meeting was the schedule of the meeting.

The Hilltop "Y" Indian Guide Tribes have been also enjoying visits from old Santa. The Shawnee Tribe met at the Wigwam of Big and Little Paul Legger and were entertained with a movie and special games. There was a gift exchange and the usual good refreshments. The same Friday evening the Cherokee Tribe met at the Teepee of Big and Little Frank Walls. This meeting was a combined guest night and Christmas party and boys enjoyed a visit from Santa who distributed gifts and also a special Indian Guide stocking for each of the Little Braves.

The Wednesday Girls Craft Class enjoyed their Christmas party at the home of their leader, Mrs. William Grover. These girls made their own refreshments, decorated the room and also made their own gift. This party was held Saturday afternoon and was attended by the parents, brothers and sisters of the members of the girls craft class.

The Gra-Y Clubs in each of the grade schools of the Hilltop held their regular business meeting last week but they also enjoyed ice cream and cake and especially the cake which was baked and contributed by the various mothers.

The biggest event was the Junior Hi-Y Christmas Party held Monday evening at the Hilltop "Y" office. The members of the Junior Hi-Y and other interested "Y" boys and girls of grade school age went Christmas caroling then returned to the "Y" office to enjoy a feast prepared by the Junior Hi-Y parents.

Sunday morning Dick Wilson and members of the Junior Hi-Y and Gra-Y attended church as a group at the Hillcrest Baptist Church.

Don't forget the Christmas Fun Club which is jam packed full of special events for the boys and girls of the Hilltop.

Cerebral palsied victims are being helped through the money you gave to the United Appeal last fall.

A Happy New Year To All Our Friends

"Most beautiful will ever written" expresses our sentiments as we pause to thank you for your wonderful friendship and to wish all a Happy New Year.

The following will was found in the pockets of an old ragged coat belonging to a patient of the Chicago poorhouse. He had been a lawyer and the will was written in a firm, clear hand on a few scraps of paper. So unusual was the will that it was read before the Chicago Bar Association, which ordered it probated and it is now on the record of Cook County, Illinois.

1 . . . Charles Lounsberry, being of sound and disposing mind and memory, do hereby make and publish this, my last will and testament, in order, as justly may be, to distribute my interest in the world among succeeding men.

That part of my interest which is known in law and recognized in sheepbound volumes as my property being inconsiderable and non account, I will make no disposition of in this my will. My right to live, being but a life estate, is not at my disposal, but these things excepted, all else in the world I now proceed to devise and bequeath.

I give to all good fathers and mothers in trust for their children, all good little words of praise and encouragement, and all quaint pet names and endearments, and I charge such parents to use them justly, but generously, as the needs of their children shall require.

I leave to children, but only for the term of childhood, all and every flower of the fields, and the blossoms of the woods with the right to play among them freely, according to the customs of children, warning them at the same time against thistles and thorns. And I devise to children the banks of the brooks and the golden sands beneath the waters thereof, and the rodors of the willows that dip therein, and the white clouds that float high over the giant trees.

And I leave to the children the long, long days to be merry in, in a thousand ways, and the night and the train of the Milky Way to wonder at, but subject nevertheless to the rights thereinafter given to lovers.

Sensenbrenner will take the oath of office from Chairman Pleas Judge Dana F. Reynolds. Immediately afterward, Floyd C. Redick and George O. Doyle will be sworn in as service and safety directors, respectively, by Common Pleas Judge William C. Bryant.

With County Democratic Chairman Walter F. Heer, Sr., acting as master of ceremonies, the inaugural plans also include invitations to 9 Republican city officials. They are the seven councilmen, City Auditor R. P. Barthalow and City Attorney-elect Chalmers P. Wylie.

Rev. J. Wold, pastor Hoge Memorial Presbyterian Church, where Sensenbrenner teaches a Sunday School class, will give the invocation. Offering the benediction will be Rev. Harold R. Albert of the First English Lutheran Church.

THE NEW YEAR

A flower unblown; a book unread;
A tree with fruit unharvested;
A path untrod; a house whose rooms
Lack yet the heart's divine perfumes;
A landscape whose wide border lies
In silent shade 'neath silent skies;
A wondrous fountain yet unsealed;
A casket with its gifts concealed—
This is the year that for you waits
Beyond tomorrow's mystic gates.
Horation Nelson Powers, in his book The New Year.

• • •

The New Year, like an infant heir to the whole world, was waited for with welcomes, presents and rejoicings.—Charles Dickens.

• • •

To paraphrase a little bit,
"Here has been dawning another New Year"—
What are you going to do with it?
Edna S. Beckman

• • •

Today (Dec. 18) I was introduced to a V.I.P. He and about ten of his pals were blissfully unaware that their adoring public was huddled on the opposite side of a very sanitary glass, oh-ing and ah-ing (and a few were crying just a little). The V.I.P. was busy catching up on his sleep and so were some of his chums. If he had been awake, he wouldn't have been one bit impressed. He was one day and three hours old and his friends were in the same age bracket. A minister was seeing his grandchild for the first time too, and he expressed what must have been in the thoughts of all of us who were watching the babies, that the world just HAS to be safe for all the babies being born each day. The minister said he has faith in the coming generation. I have too, but it is asking a lot of them to expect them to clean up the mess our generation is making. They can do it though, and they will.

End of the year jokes: In Hollywood one of those colossal producer's sons came down with smallpox, whereupon the producer insisted that his press agent see to it that the papers printed the fact—just the facts, mam—that his son has the 'great pox' . . . There are some boys of 16 who just can't believe that some day they'll be as dumb as their fathers . . . In some states it is a crime for a wife to ransack her husband's pockets. In my state it is merely a waste of time, said Henry . . . The man who boasts that he says what he thinks, seldom thinks . . . "My wife has been cured of her nervousness." "What cured her?" "The doctor told her that nervousness is a sign of advancing age."

• • •

Mail — (On or with Christmas cards, mostly): "What do you write to people who only write to you once a year?" . . . "If it isn't a white Christmas, a certain young man I'm slightly acquainted with —my son—says he is going to give his sled back to the Indians . . . "Is Santa Claus going to bring you what you want? Me neither" . . . "I pity all the lonely people on Christmas. You may be happy then, even if you are broke or ill, but if you are lonely it's no good" . . . "My daughter went to work in our town bank last week. So far she hasn't brought home any samples" . . . "I just returned from a visit in Tucson. During November they celebrated Old Tucson Daze. Everybody wears at least three pieces of western clothing or accessories or they are put in jail by the Vigilantes, who are members of the Junior Chamber of Commerce."

• • •

Wondering—does anything stick closer than pine needles to rugs? . . . If he'll like the two-dollar gift he'll receive as much as the $25 one he wants . . . what happens to all the Christmas trees that are not sold . . . if it is too late to get another doll for that certain little girl.

• • •

Here is a verse by the late gifted Ohio writer, E. Y. Williams:

WARMTH AGAINST WINTER
When fields are brown
And trees are bare,
When grey skies frown
With sullen air,
The world would drown
In chill despair;
But that in the heart
The flame burns higher
As man follows the chart
Of his old desire
With his beloved
By the fire.

Happy New Year, everyone. Shakespeare said it better: "Thine own wish wish I thee."

Through The Garden Gate

By Members Of Highland Garden Club

By Mrs. Raymond J. Miller

"Gardening—An Aid To Health"

As we drive along the streets of our city, we see so many beautiful homes with their lovely gardens. Many that show a great deal of care and many that almost speak the nature of the people who tend them.

How many times a busy housewife and mother becomes so weary of the many tasks incidental to housework and often wonders how she is going to get through the day. If that little lady would only take her garden tools, get down on her knees in the soil, do a little weeding, work the ground or do some small amount of transplanting in any way to suit her fancy and thus spend an hour or two outdoors, she then could complete her housework with an entirely different outlook.

A little time spent with your hands in the soil, enjoying the sun and fresh air will soon bring roses to ones cheeks and then too each day brings something new as the seeds and new plants begin to grow and bloom.

"Plant lilies and lilies will bloom,
Plant roses and roses will grow,
Plant hate and hate to life will spring,
Plant love and love to you will bring
The fruit of the seed you sow."
Mrs. Raymond J. Miller

These Eyes —

How Well Do You Know Them?

This is a new feature of The Hilltop Record. We know you'll find it entertaining in testing your own powers of observation and memory in identifying the person to whom these eyes belong.

Floyd Stahl

The eyes of last week were foolers for a lot of folk but there were some few who solved the answer. This was especially true of Hilltoppers familiar with the sports world. They recognized the eyes from the clue which was given.

The eyes were those of popular Floyd Stahl, coach of the Buckeye basketball five, which has been scorching the nets with a sensational string of victories. Last week the Bucks tasted their first defeat of the season against the Beavers of Oregon.

The eyes this week belong to a Hilltop man who is well known to many and the clue to his identity is: "His lucky number is 13."

The best man or woman is the most unselfed.—Mary Baker Eddy.

Hilltop

'Small Fry'

By J. Curtis Allen

"Okay, Okay, so we'll stay at home this New Year's eve."

We don't mean to imply that five-month-old Robert Cline would be out on the town this New Year's eve, but we do feel that with him about his mother and dad, Mr. and Mrs. Robert Cline, 37 S. Wayne av, will have to accede to his wishes and miss the New Year festivities.

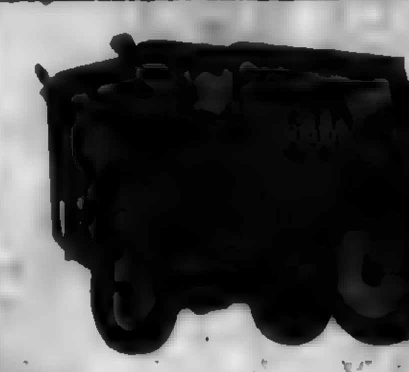
West Junior High Organizes Y-Teens

West Junior High has two newly organized Y-Teens. The eighth grade group is under the advice of Shirley Calhoun, Senior advisor from the Y.W.C.A. Jeannie Davis, a senior high student, acts as Jr. advisor. The girls have elected as their officers: Marcia Hoare, 8A, president, Judy Dunlap, 8B, secretary, and Sue Howison, 8B, treasurer.

The ninth grade Y-Teen advisor is Mrs. Frank Laderer and the Junior adviser is Nancy Hoare, a senior here at West. Their officers are: Janet Young, 9A, president, Vera Jean Mincks, 9B, Vice-president, Nancy Grabill, 9A, secretary, Zi Ann Pospichel, 9B, treasurer.

There are only three pleasures in life pure and lasting, and all derived from inanimate things—books, pictures and the face of nature.—William Hazlitt.

P.T.A. Exceeds 1953 Quota



The West High P.T.A. has exceeded its membership quota of 2100 by 35, making a grand total of 2135 members this year. Last year the school had the highest P.T.A. membership in the city and the third largest in Ohio. West is the only high school in Columbus to have a "study group."

On February 24, the West High P.T.A. will celebrate the 25th anniversary of its organization. A reception and tea will be held, plus group singing. Twenty-five years ago, the president was Judge Cecil J. Randall. This year's president is Mrs. Richard I. Wright.

There was one good thing about the old style telephone attached to the wall. People finally quit talking when their legs gave out.—Ellsworth (Wis.) Herald, H. F. Doolittle.

Sandwich spread is what some people get from eating between meals.—West Salem (Ill.) Advocate

Let the thought of self pass in, and the beauty of a great action is done like the bloom from a soiled flower.—James A. Froude.

West Vocal Department Holds Its Annual Christmas Concert

West High vocal department under the direction of Mrs. Edith White, presented a Christmas concert Sunday, December 20, at 3 o'clock.

This was one of the prettiest concerts given all year long. The choir had the traditional processional to "Silent Night," assisted by the Girls' Chorus from the balcony. The program included a number of sacred secular and popular Christmas music. The Beginning chorus did a medley of carols while the Girls' Ensemble sang "I'd like to Hitch a Ride With Santa Claus." The Girls' Quartette sang "I Wonder As I Wander" with Ron Klein doing the solo. The trio sang "Silver Bells."

Some of the songs that were sung by the Choir were "Masters In This Hall," "Lullaby On Christmas Eve," Ding Dong Merrily On High," "While By My Sheep," and "Lullaby of the Christ Child." Grace Durflinger sang the solo to "Lullaby on Christmas Eve," and Nancy Wilson sang it on "Sweet Little Jesus Boy."

A free-will offering was taken for equipment to be added to the vocal department.

Hilltoppers Win Pre-Season Tournament

The final game of the pre-season tournament at Glenwood Center was played on Tuesday, Dec. 22 with the Hilltoppers becoming the tournament champions by virtue of their hard fought win over the league champions, the Lightning Five. The defeat by the Hilltoppers was the first loss suffered by the Lightning Five and gave them a season's record of 7 and 1. The win enabled the Hilltoppers to remain undefeated in 8 games.

The Lightning Five became the first team to hold a quarter-score edge over the Hilltoppers as they led 19-16 at the half. The Hilltoppers tied the contest with 20 points in the third quarter as they held their opponents to 9 points.

Bob Thornton was held to slightly below his 21 point game average but he still managed to score 23 points and control both back boards. Bill Voss scored 16 points for the Hilltoppers also. Dick Witter and Larry Janes scoring 12 and 10 points respectively were the Lightning Five main point getters.

This game was the highlight of the pre-season league.

That's Telling Them!

Two of three girls who had grown up together married, and thereafter they continually annoyed their spinster friend with tactless remarks about her unhappy condition.

She laughed off their comments good-naturedly until one day they went a bit too far.

"Now tell us truthfully," they twitted her, "have you ever really had a chance to marry?"

With a withering glance, she retorted, "suppose you ask your husbands."

Blazers Win In Glenwood Senior League

The Blazers finished in first place with a 4-0 record in the Glenwood Senior League while the Blue Sockers came in second with three wins and one less.

with the clover blossoms and butterflies thereon, the woods with their appurtenances, the squirrels and the birds and the echo of the stream's noises and all the distant places which may be visited, together with the adventures there found. And I give to said boys each his own place at the fireside at night with all the pictures that may be seen in the burning wood . . . to enjoy without let or hindrance of care.

To lovers, I devise their imaginary world, with whatever they may need, as the stars in the sky, the red roses by the wall, the blossoms of the hawthorn, the sweet strains of music, and aught else they may desire to figure to each other the lastingness and beauty of their love.

To young men, jointly, I devise and bequeath all boisterous inspiring sport and rivalry, and I give to them the disdain of weakness and undaunted confidence in their own strength. Though they are rude, I leave them the power to make lasting friendship and of possessing companions, and to them exclusively, I give all merry songs and grave choruses to sing with lusty voices.

And to those who are no longer children or youth or lovers, I leave memory and bequeath to them the columns of poems of Burns and Shakespeare and of other poets, if there be others, to the end that they may live the old days over again, freely and fully (without lithe or diminution).

To our loved ones with their snow crowns, I bequeath the happiness of old age and the love and gratitude of their children, until they too fall asleep.

Dog License Tags On Sale

Now is the time to buy a 1954 license for your dog. A reminder comes from the Humane Society of Columbus that all dogs three months of age and older must have licenses and wear them at all times.

In order to facilitate the purchase for persons living out of the city, humane officers will be stationed throughout the county to take applications for dog licenses beginning Jan. 4.

Following are the dates and locations for purchasing dog licenses from humane officers:

Jan. 5—Rome, Harrison Market; Jan. 7—Hilliards, Arch Alder, Chevrolet dealer; Jan. 11 and 12—Grove City Farmers' Exchange; Jan. 13—Rome, Harrison's Market, and Jan. 14—Darbydale, Williams Market.

Licenses may be purchased daily in the office of the county auditor in the court house. Applications for dog licenses may be mailed to the county auditor's office, and must be accompanied by the license fee and a full description of the dog including sex and age.

License fees are two dollars for male, spayed female and female dogs; and $10 for a kennel license. Deadline for the purchase of 1954 dog licenses is Jan. 20, after which date a penalty of one dollar will be added.

Starling School News

WHITE CHRISTMAS

For several years its has been the custom for Starling pupils to bring small gifts to place around the Christmas tree. These gifts were taken to the State School to be given to the people there. Many of these people have no one to provide gifts for them and the only ones they receive are sent in from the outside by interested persons.

Due to the remodeling of the Starling building there was no tree this year but the pupils did not forget the unfortunate ones at the State School. Only new gifts were sent this year.

METAL ROOM OCCUPIED

One by one rooms in our remodeled building at Starling have been occupied. The latest to be opened is the metal shop. Now all departments of the school are housed in the new building except instrumental music.

Work on the gymnasium is going on and both pupils and teachers are looking forward to the time when it too will be in use.

NEW LIBRARY IN USE

Last week Mrs. Wright, the librarian at Starling had a busy time, meeting with every English class in the school for at least half a period to give hints about how to get the most help and pleasure from the increased space and additional number of books.

She told what books could be used only for reference and which could be taken from the library.

SHOE FUND

The annual shoe fund collection in the Columbus Schools has just been completed. Starling children contributed $64.03 this year.

TUBERCULOSIS

By Enid Burcham

Tuberculosis, which is referred to as TB, is a disease which usually attacks during the teens or during later life.

This disease is caused by a germ known as the tubercle bacillus and usually attacks the lungs.

What does it look like? Well, when stained blue, it resembles a thin rod 1/10,000th of an inch long and one-third as wide.

Tuberculosis is so old that it oppressed the world even before history was recorded. At that time it was known as the White Plague.

It has been proved by Jean Antoine Villemin that TB is contagious but not inherited. For this reason it is best that a TB patient go to a hospital where he will received the best possible medical care, and the spreading of the disease be curbed.

Treatment of the disease consists of bed rest, medicine, the proper foods, and in some cases surgery.

During surgery air is injected into the chest cavity to collapse the lung and give it a chance to heal.

Chest X-rays may show that a person has TB long before he realizes the symptoms. The disease may be cured if found in time and promptly treated.

Tuberculosis may be prevented by (1) taking care of colds that seem to hang on; (2) eating a balanced diet; (3) keeping oneself clean; (4) getting enough rest, and (5) lots of outdoor exercise.

Remember that if you do feel over tired and have a persistant cough, the best thing to do is to consult your family doctor at once.

TUBERCULOSIS

By Carolyn Kuhner

In 40 years the war against TB has moved it from first to eighth place in the list of man's chief killers.

The age limits of TB are from 15 to 34 years of age in most cases. The main ways to catch TB are (1) inhaling the moisture expelled into the air by a patient when he coughs, spits, or sneezes; (2) kissing a TB patient; (3) using anything the patient has used; (4) breathing dust containing germs; or (5) drinking milk contaminated by TB germs.

Most of the warning symptoms are a cold that hangs on, coughing or spitting blood, steady loss of weight, tiredness, hoarseness that lasts for a while, pains in the chest, and indigestion. If you have any of these symptoms, go to a doctor for a check-up.

TB can attack you at any age. Have a TB checkup regularly. Build up your health if you do have TB. If you discover the infection early, you will probably have early recovery. Treatments for TB are constantly improving. The patient should be his own best friend. After you are over this disease you can lead a normal life, but watch your health closely.

Some of the things you should know about TB are: What causes it? The answer is a germ. Where can they be picked up? The answer is through cuts and scratches, handling infected objects, from kissing, coughing, sneezing, and spitting. Where do TB germs live? The answer is inside and outside the body. Will the germs attack any part of the body? The answer is yes, the eyes and kidneys are other parts of the body that can be infected. Does TB given an early warning? The answer is yes. Who recovers from TB? The answer is the majority of people infected. What must one do to regain health? The answer is go to a hospital or TB sanatorium.

Treatments are improving very rapidly. The doctors have not yet found any single cure. The most important weapon in addition to rest is enough food of the kind the body needs.

You and your family should have a chest X-ray every year.

Favorite Party Cake Recipe Is Submitted By Mrs. Wells

Mrs. Freddie Wells

Mrs. Freddie Wells, 234 Derorest-rd, has submitted, this week, her favorite recipe choice, "Party Cake". Surprisingly for such a large cake, it may be varied to suit your taste by using your favorite frosting.

The donor is the well-known president of the Hilltop Welcome Wagon Club, a social group composed of newcomers to the community. She is also a member of the WSCS of Westgate Methodist Church.

Her husband, Charles, is sales representative for Cullman Wheel Co. and the couple has two daughters, Kay, 14, and Louise, 12, both students at West Junior High School.

This recipe has been a popular favorite with Mrs. Wells' family and guests since she first discovered it many years ago in an old cookbook. She has shared the recipe with her friends and neighbors, and is now passing it along to be enjoyed by everyone in the community.

Party Cake

1 cup shortening
2½ cup sugar
4 eggs
4 cups sifted cake flour
6 tsp baking powder
¾ tsp. salt
1 tsp. flavoring
1½ cup milk

Cream shortening, sugar, and eggs together until light and fluffy. Sift flour, baking powder, and salt together three times. Add flour mixture, alternately with milk, to shortening mixture. Add flavoring. Grease and flour two nine-inch cake pans or three eight-inch pans. Bake in moderate oven, 375 degrees, for 25 to 30 minutes. Frost with favorite frosting.

Social Security Begins at Home

Our government may lighten the burden of life in years ahead, but much we can do for ourselves, right now, to banish worries we take for granted. For example simply by arranging, now, for the ownership of a family plot, you will have conferred upon those you love the one item of "Social Security" without which no "Peace-of-Mind-Plan" can be complete. A Sermonette

Something Incomplete

Rev. H. E. Harwood

2 Timothy 4:13 "BRING WITH THEE THE BOOKS"

I do not know what books Paul had references to but if he were here today I am quite positive he would need the four books. Bible Book, Hymn Book, Discipline Book and the Pocket Book to organize, maintain and build a church.

Bible Book, God's Book

Isaiah 34:16 "Seek ye out of the book of the Lord and read"

The purpose of the book is to reveal God to man and man to God and himself. It tells of the origination, creation, adaptation and purpose of things. The book is full of doctrine, instruction, revelation. Tells of our condition, deliverance and destiny.

It took 1400 years. Written by 40 persons, it contains 66 books and was written by prophets, priests, kings, fishermen, farmers, teachers, doctors. Some were highly educated, others of common schooling and some among the common people of their day. All were inspired, directing to all nations, nationalities, ages and generations.

The Hymn Book

Collossians 3:16 "Let the word of the God dwell in you richly in all wisdom, teaching and admonishing one another in Psalms and hymn and spiritual songs, singing with grace in your heart."

Many fine arts as beautiful paintings, sculpture, dramas, poetry, architecture, beautiful windows, electric displays. Fine buildings, churches, temples all in honor of our Reedemer but nothing takes the place of music in worship.

Christianity was born with a song. "Glory To God In The Highest And On Earth Good Will Toward Men". History and the gospels are full of accounts of singing in services. Christians even praised God in hymn in jails, dungeons, among wild beasts in amphitheaters, and burning at the stake. Christianity sang itself around the world. Don't spoil church services by jazz rhythm. Your hymn book is full of good spiritual songs.

The Discipline Book

Job 36:10 "He Opened Also Their Ears To Discipline"

The christians duty is not only to rejoice, shout and sing, but to organize, co-operate, understand the problems and purpose of the church. Working together with rules, regulations, system and loyalty. Read 2 Timothy, Chapter four. In the discipline is confession of faith, rules of membership, government of departments. It is a part of the foundation of a growing church. It is to aid and guide in the activities of members. Study your discipline: Love your church. Honor God in working together.

The Pocket Book

Prov. 7:19 "He Hath Taken A Bag Of Money With Him."

I do not know where this man was going but anyway he was ready for any financial emergency. He had the business ability and wise enough to know he couldn't buy without cash. The pocket book is a friend indeed especially if in it is the cash. It is useful as a place for identification card, stamps, bills and change. TAKE IT TO CHURCH WITH YOU.

In a baptismal service some years ago I was about to baptize a man, when he, ran out of the river in a hurry and to a tent without saying a word until returning. He held a pocket book in his hand and said "Baptize my money with me."

The pocketbook is a good friend to the church when it attends church regularly. DON'T FORGET AND LEAVE IT HOME.

YOUR YOUTH

By Bob Schmidt Dick Wilson

Wow! Santa Claus is gone and its now only 359 shopping days until Christmas. So you had better start in right away on your presents. You think I am kidding? Then just look back on this past week and see the last minute rushing around you were doing.

Well, seriously it was a great week-end and all members of the Hilltop "Y" staff have reported that they all enjoyed the Christmas season immensely. Now the staff is preparing to climax the holiday season with a full packed schedule of special events in the Christmas Fun Club.

Monday afternoon the West junior Hi-Y boys enjoyed a Gym Jam at Glenwood Church gym while the younger boys held a special craft class at the "Y" office. On Tuesday morning boys and girls alike enjoyed a Mystery Rubberneck Tour and then returned the same afternoon to the "Y" office for a free movie. On Wednesday morning the boys of grade school and junior high school age enjoyed a swim at Central "Y". In the afternoon they returned to the "Y" office where they joined ranks with the female species to go on a Scavenger Hunt. The girls closed the final program of the Hilltop YMCA for 1953 with a special craft class.

Before closing off the last column for 1953, I would like to say "Thanks a million" to all the West junior Hi-Y Mothers who donated food for the club Christmas Party. Special thanks are in order for Marie Ingle, Lois Howe, Viv Schmidt and Jacqueline Wilson for serving as hostesses at the party and Carl Ingle, who served as chef.

In closing this year, Bob, Marie and I want to express our gratitude to all the Hilltop folk who have helped us in our work with the Hilltop youth and to wish each and everyone of you a Happy and Prosperous New Year.

In nearly every case when you exclaim: "There ought to be a law against that!" if you'll look it up, you'll find that there is.

Road TO THE New Year

Two men—Bill and Tom—often drive the road from Baytown to Centerville. That road, oddly enough, is exactly 365 miles long—the same number of miles as the New Year has days.

Bill hates the trip. Discourteous drivers, a rotten paving job on the stretch of road by the lake, fog in the valleys, same old scenery week after week. If it weren't for business, he'd never make the trip again.

Tom tells a different story. Sometimes, he says, while he's on that road, hill and stream and valley merge into a quiet pattern of beauty that brings him pretty close to God. No matter how many times he makes the trip, there's always something new to enjoy:—a line of wild geese honking their way across a crisp October sky . . . a youngster preoccupied with a sand castle down by the lake shore . . . sunlight on a white church in a friendly town.

This New Year—or any year—is much like the road traveled by Bill and Tom. It may be a repetition of the "same old road," or it can be a totally new experience each day, to be enjoyed, savored, and lived to the full.

The road into the New Year lies ahead of us all, to travel as we will. It is the heartfelt wish of your church that it bring you peace, happiness, and accomplishment that will be welcome in the sight of the Lord.

Cast away from you all your transgressions . . . and make you a new heart and a new spirit.—Ezek. 18:31.

A Sermonette

Something Incomplete

Rev. H. E. Harwood

2 Timothy 4:13 "BRING WITH THEE THE BOOKS"

I do not know what books Paul had references to but if he were here today I am quite positive he would need the four books. Bible Book, Hymn Book, Discipline Book and the Pocket Book to organize, maintain and build a church.

Bible Book, God's Book

Isaiah 34:16 "Seek ye out of the book of the Lord and read"

The purpose of the book is to reveal God to man and man to God and himself. It tells of the origination, creation, adaptation and purpose of things. The book is full of doctrine, instruction, revelation. Tells of our condition, deliverance and destiny.

It took 1400 years. Written by 40 persons, it contains 66 books and was written by prophets, priests, kings, fishermen, farmers, teachers, doctors. Some were highly educated, others of common schooling and some among the common people of their day. All were inspired, directing to all nations, nationalities, ages and generations.

The Hymn Book

Collossians 3:16 "Let the word of the God dwell in you richly in all wisdom, teaching and admonishing one another in Psalms and hymns and spiritual songs, singing with grace in your heart."

Many fine arts as beautiful paintings, sculpture, dramas, poetry, architecture, beautiful windows, electric displays. Fine buildings, churches, temples all in honor of our Redeemer but nothing takes the place of music in worship.

Christianity was born with a song. "Glory To God In The Highest And On Earth Good Will Toward Men". History and the gospels are full of accounts of singing in services. Christians even praised God in hymn in jails, dungeons, among wild beasts in amphitheaters, and burning at the stake. Christianity sang itself around the world. Don't spoil church services by jazz rhythm. Your hymn book is full of good spiritual songs.

The Discipline Book

Job 36:10 "He Opened Also Their Ears To Discipline"

The christians duty is not only to rejoice, shout and sing, but to organize, co-operate, understand the problems and purpose of the church. Working together with rules, regulations, system and loyality. Read 2 Timothy, Chapter four. In the discipline is confession of faith, rules of membership, government of departments. It is a part of the foundation of a growing church. It is to aid and guide in the activities of members. Study your discipline: Love your church. Honor God in working together.

The Pocket Book

Prov. 7:19 "He Hath Taken A Bag Of Money With Him."

I do not know where this man was going but anyway he was ready for any financial emergency. He had the business ability and wise enough to know he couldn't buy without cash. The pocket book is a friend indeed especially if in it is the cash. It is useful as a place for identification card, stamps, bills and change. TAKE IT TO CHURCH WITH YOU.

In a baptismal service some years ago I was about to baptise a man, when he, ran out of the river in a hurry and to a tent without saying a word until returning. He held a pocket book in his hand and said "Baptise my money with me."

The pocketbook is a good friend to the church when it attends church regularly. DON'T FORGET AND LEAVE IT HOME.

YOUR YOUTH

By Bob Schmidt Dick Wilson

Wow! Santa Claus is gone and 'tis now only 350 shopping days until Christmas. So you had better start in right away on your presents. You think I am kidding? Then just look back on this past week and see the last minute rushing around you were doing.

Well, seriously it was a great week-end and all members of the Hilltop "Y" staff have reported that they all enjoyed the Christmas [illegible] immensely. Now the staff is preparing to climax the holiday season with a full packed schedule of special events in the Christmas Fun Club.

Monday afternoon the West junior Hi-Y boys enjoyed a Gym Jam at Glenwood Church gym while the younger boys held a special craft class at the "Y" office. On Tuesday morning boys and girls alike enjoyed a Mystery Rubberneck Tour and then returned the same afternoon to the "Y" office for a free movie. On Wednesday morning the boys of grade school and junior high school age enjoyed a swim at Central "Y". In the afternoon they returned to the "Y" office where they joined ranks with the female species to go on a Scavenger Hunt. The girls closed the final program of the Hilltop YMCA for 1953 with a special craft class.

Before closing off the last column for 1953, I would like to say "Thanks a million" to all the West junior Hi-Y Mothers who donated food for the club Christmas Party. Special thanks are in order for Marie Ingle, Lois Howe, Viv Schmidt and Jacqueline Wilson for serving as hostesses at the party and Carl Ingle, who served as chef.

In closing this year, Bob, Marie and I want to express our gratitude to all the Hilltop folk who have helped us in our work with the Hilltop youth and to wish each and everyone of you a Happy and Prosperous New Year.

In nearly every case when you exclaim: "There ought to be a law against that!" if you'll look it up, you'll find that there is.

Road TO THE New Year

Two men—Bill and Tom—often drive the road from Baytown to Centerville. That road, oddly enough, is exactly 365 miles long—the same number of miles as the New Year has days.

Bill hates the trip. Discourteous drivers, a rotten paving job on the stretch of road by the lake, fog in the valleys, same old scenery week after week. If it weren't for business, he'd never make the trip again.

Tom tells a different story. Sometimes, he says, while he's on that road, hill and stream and valley merge into a quiet pattern of beauty that brings him pretty close to God. No matter how many times he makes the trip, there's always something new to enjoy:—a line of wild geese honking their way across a crisp October sky . . . a youngster preoccupied with a sand castle down by the lake shore . . . sunlight on a white church in a friendly town.

This New Year—or any year—is much like the road traveled by Bill and Tom. It may be a repetition of the "same old road," or it can be a totally new experience each day, to be enjoyed, savored, and lived to the full.

The road into the New Year lies ahead of us all, to travel as we will. It is the heartfelt wish of your church that it bring you peace, happiness, and accomplishment that will be welcome in the sight of the Lord.

Cast away from you all your transgressions . . . and make you a new heart and a new spirit.—Ezek. 18:31.

Service News In Brief

TEAGU, Korea — Sgt. John W. Landis, Jr., whose parents live at 2135 Dublin-rd, Hilliards, is serving with the Korean Communications Zone which was recently awarded the Republic of Korea Presidential Unit Citation.

The command was cited for outstanding service in providing supplies and administrative support for UN combat forces and economic aid and relief to the Korean people from July 11, 1952, to Oct. 1, 1953.

Sergeant Landis, a laboratory technician in the zone's 123d Medical Detachment, entered the army in February 1951 and arrived in the Far East the following September.

BROTHERS BILL AND JACK BUCKINGHAM, both life long residents of the Hilltop and co-owners of Buck's Auto Supply at 3428 Sullivant-av admire the new brake drum lathe they have recently installed at their place of business. The new machine features a micro-feed that produces a perfect finish in one cut. Another new bit of equipment is a machine for grinding warped, grooved or twisted cylinder heads. Bill lives at 177 S. Terrace-av, and Jack at 36 N. Wayne-av. Both this week placed emphasis on their brake drum turning service for wholesale and retail trade. (Record Photo)

100 Year Old Sleigh Provides Unusual Christmas Decoration At Hilltop Home

Arrangements of flowers are important considerations in any display.

Borrowing this principle from the flower enthusiast for Christmas decorations in the home is illustrated in other ways.

The Myron Seifert house at 46 S. Westgate-av has many holiday furnishings and appointments of unusual interest.

The center attraction is the 100 year old child's sleigh, loaded down with presents, in a colorful array of Christmas wrappings, and containing many surprises, in front of the living-room fireplace.

The sleigh, decorated with its original red and black color, and gold trimming, has more than a passing interest. It came from the family of Dr. C. E. Boyle, a well known Columbus physician more than a century ago, and was acquired from Ada Boyle Webster, 1369 E. Third, descendant of the eminent doctor, and is prized by the Hilltop duo.

Covering the fireplace are greetings from friends from the four corners of the earth.

On the mantel are colored specimens of colored glass, which represent gifts of a century ago, and are a part of the Seifert's collection.

Administration Starts Note Of Sincerity

If you were in attendance at auguration of Mayor Jack Sensenbrenner on Jan. 1 or if you eard or saw the ceremony by adio or TV you certainly must ave been impressed by the sincerity in every word he spoke. here was a reverberation all er city hall with the comment it was in unison: "He is sin e in what he is saying."

One main qualification has en uppermost when a name s been presented to him for nsideration to an appointment. has first asked "Is he hon ?"

It is a refreshing situation to e a man in public office who away with the double talk, t afraid to speak out, who stand up for the things he es in and all the time he l at work has time to see n in the job at hand. e said it before and we'll If given half a chance ensenbrenner will make a ayor, and Columbus may proud of him.

Hilltop Church Of God Dedication Planned

Rev. W. E. Reed

The dedication service of the new sanctuary unit of the Hilltop Church of God, 635 Whitethorne-av, will be held at 2:30 p. m. Sunday, Jan. 10.

Rev. W. E. Reed, field secretary of national evangelism, Anderson, Ind., will be the speaker. Rev. Reed is held in high esteem as an excellent speaker.

There will be singing and musical numbers on the program and acknowledgements will be given to valuable contributions and donated labor.

The sanctuary unit is of beautiful stone structure and strictly fire-proof throughout. The interior is arranged to accomodate between 350 and 400 people. A new sidewalk extending the full length of the block was laid. This will lessen the dangers of children going to and from school due to the traffic in the streets.

Following the afternoon service there will be open house. People of the community are invited to visit the building. It has 9,891 square feet of floor space for class rooms, social gatherings, and worship service.

A new film featuring Miss Helen Hayes, first lady of the American theatre, will be shown, followed by a brief talk by Miss Gale Denn, state representative for the National Foundation for Infantile Paralysis.

Final instructions will be given to the workers who will join nearly 13,000 volunteers in calling on every home in the county between 7:00 and 8:00 p. m. on Thursday, Jan. 28, to ask for funds to continue the fight against polio.

"We Print anything from a Calling Card To A Newspaper"

Through The Garden Gate

By Members Of Highland Garden Club

What has my garden been to me?
A refuge where I may—
Find rest and hope and beauty
And work my cares away.

Eakin-rd, a landmark in Columbus, was named for the father of Mrs. W. R. Hamilton. Her childhood and 41 years of her married life were spent on Eakin-rd. One of the pioneers of this community, Mrs. Hamilton has a wealth of stories and it is indeed a pleasant afternoon ahead, when one gets her to reminisce. She has led a full and interesting life—but to use her own words—"I made it interesting and didn't wait for some one else to do it for me". A little lady of great charm—her years sit lightly on her shoulders. Mother Nature has not only been her teacher but her physician also.

Always has she loved nature and has worked in the good earth ever since she was big enough to remember. As a tiny child she loved to visit her grandmother's garden and as she told me about it—I could almost visualize the old Garden Gate—the paths made of dirt—the beds laid out in orderly fashion and boxed in with boards—the bleeding hearts—the lovely larkspur—the hens and chickens and the beds all edged in violas.

She told me of her mother's cheery kitchen—the old fashioned heating stove—the windows full of geraniums—periwinkles—begonias—all potted in tin cans which had been covered with gay wall paper and I could almost smell the supper cooking and feel the contentment of peace that must have prevailed there. She paused a moment and said "I don't know whether it was the rust from the tin cans (which some folks say fed the plants) the steam from the cooking or the rain water we used on them—but in these days—the potted plants grew and flourished to greater heights and beauty than the ones we grow indoors today.

"Water lilies bring back memories too," she said. "A friend gave me some when I was still a child and my father took a large hogshead—cut it in half—filled it with water and we planted the lilies. Wasn't long before the lilies overgrew the container and the ducks sort of claimed it for their own.

Then one day, my dad went to the woods and dug a good sized pond there. When it was ready, what fun we had as we tied stones to the lily bulbs and tossed them in. My brothers built a raft and every Sunday morning would float around on the pond gathering huge pans of water lilies and then my mother would arrange them on a flat container and carry them to church to adorn the pulpit.

There were plenty of muskrats in our woods and finally they burrowed across the woods clear into our pond and it all drained away into the ditch and that was about the end of our water-lily pond."

Mrs. Hamilton feels that great progress has been made in horticulture the past fifty years and predicts the next fifty years will show even more strides forward in plant life. "I only hope," she said, "that Mother Nature will not rebel against this Atomic Age and punish us in some way for man is so desperately trying to take over. Our cities are spreading further into the farm areas — our water level is getting lower and lower—our scientists are trying to outfigure and outguess Mother Nature all the way."

I visited in the past—I enjoyed the present and I caught a glimpse of the future—while listening to this delightful lady who has the freshness of spring in her heart—the warmth of summer in her words—the maturity of fall in her wisdom and the purity of winter in her eyes that look at you and seem to say—LIFE IS SO WONDERFUL.

O praise the Lord, all ye nations; praise Him, all ye people.

QUERY

She [illegible] her little boy for making deep footprint imprints in her new concrete walk while he was innocently playing.
Showers came . . .
Tired little birds, drank water from the hollows.
Is it true that our errors in life give succor to endless followers?
Carrie Lee Patten, in Taleria.

• • •

Mail — From the mother of three: "Now that Santa Claus has come and gone, I'm ready for that padded cell. When S. C. brought those drums, roller-skates, horns and other noise-making toys I knew he had rocks in his dear old white head, but I guess one of the joys of motherhood is listening to noise. If they are quiet I worry, but sometimes I'd rather worry a little" . . . From my favorite shut-in: "Oh, for the eloquence of Swinburn or Shakespeare or somebody, to see me through all the thank-you notes I have to write. I've tried to write them—but I waste more stationery that way! Have written and destroyed about a dozen or so" . . . From a relative in Arizona: "Our first Christmas away from Ohio wasn't as bad as we thought it would be, or as lonely. People in Arizona are amazingly friendly" . . . From Korea: "My first Christmas away from the good old United States wasn't as bad as I thought it would be" . . . From another friend who spent Christmas far from home: "Christmas wasn't as bad as we thought it would be. After all, I suppose Christmas is like life—you get out of it what you put into it." (I'm glad that Christmas "wasn't as bad as they thought it would be" for at least three of my friends and hope it was good for everybody else.)

• • •

A few things I don't have the I.Q. to understand: Why people think a doctor should never be ill (I have Dr. Miles' word for it that they do think so) . . . Why little babies sleep all day and are awake all night . . . Why television stations carry only Catholic services on Christmas Eve . . . Why nobody will admit he slept a wink all night . . . Why some of the tv and radio "comedians" are considered comedians.

• • •

I [illegible] that I [illegible] never see
anything as lonely as
a cast-off Christmas tree.

• • •

After watching A. Godfrey's Talent Scout show last night, I know I'm not the only grandparent who considers a grandchild a V.I.P. (Glad I wrote about mine, and called him that before Tex Godfrey said it, so I can't be accused of "copying."). But it proves that grandparents are pretty much the same, whether they are great like Godfrey, or not great, like me/I.

• • •

From somewhere — A little boy was laboriously drawing a picture and his mother asked what he was drawing. He said "I'm making a picture of God." His mother reminded him that he could not make a picture of God because nobody knows what God looks like. The little boy replied, confidently: "They will after I get through."

Apparently no words were wasted in the old west, either orally or written. A tombstone carried the following inscription: "Low intelligence. High stakes. Low cards. High tree."

This old world goes round and round;
Some go up and some go down;
Some aren't important, and a few
Get their names in "Who Is Who."

Some get rich and some stay poor—
Earthly things do not endure;
After death, they're neck and neck,
So what the heck, kids, what the heck?

BURNED SHOE SOLES

The following mishap occurs so frequently at this time of year that I believe a little warning is timely. The shoes may be men's, women's or children's, they may be of the very highest quality and as expensive as they come . . . as long as they have a leather sole, this can happen. The sole cracks right across, the leather becomes so brittle you can pick pieces off it with your finger nail. Of course the shoes got pretty wet a day or so before and you did put them near the hot air register or the hot air from your car heater blew on them and you didn't realize that you burned your shoe soles.

Most people do not realize that wet leather burns at a temperature so low that the hand can stand it comfortably. Heat draws out the oils tanned into the leather to keep it pliable, and leaves the leather brittle. Quality or price or how long you have had the shoes has nothing to do with it and the factory or the shoe store is not responsible. In bad weather wear overshoes or galoshes and if you do get your shoes wet, lay them on their sides to permit air to circulate in them and let them dry out slowly at room temperature. When they are dry, shine them with an oil or wax dressing to restore the pliability.

'Small Fry'

By J. Curtis Allen

"I don't want to seem pessimistic, but . . ."

The serious look on the face of Linda, one-year-old daughter of Mr. and Mrs. Stanley Williamson, 196 N. Chase-av, is by no means indicative of her mood at all times. However, for the purposes of this column the title seems appropriate at this time of the year.

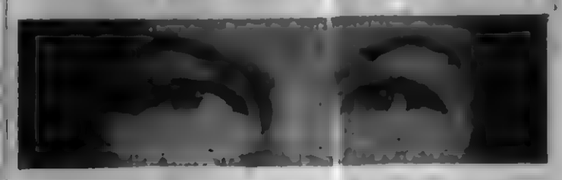
Galloway

By Mrs. Eva Ramey

Mr. and Mrs. Arthur Cockran and daughter, Maryln, of Grove City, Mr. and Mrs. Kenneth Conley and children, Parvin and Sandra Kay of Lilly Chapel spent Sunday with Mr. and Mrs. Charley Conley and family.

Nellie Dunn of Columbus spent the week-end with Virginia Ramey.

Our sympathy goes to the family of Frank Clay. Mr. Clay died Thursday evening and his funeral was held Sunday afternoon at the Blauser and Baker Funeral Home, West Jefferson. Burial was in Galloway cemetery.



Mrs. Ida Wilson returned home Saturday evening after spending the holidays with her daughters and their families.

Mr. and Mrs Mack Hensley spent Saturday evening with Mr. and Mrs. Omer Hensley and family of Grove City.

These Eyes —

How Well Do You Know Them?

This is a new feature of The Hilltop Record. We know you'll find it entertaining in testing your own powers of observation and memory in identifying the person to whom these eyes belong.

Chan Gibson

Did the eyes of last week prove a feeler to you even though the clue was very obvious? The clue "His lucky number is 13" should have been the tip-off for only a week or two prior his name was prominently mentioned on the front pages of The Hilltop Record. Who is he? None other than Chan Gibson, the newly elected president of the 13 Club. It should have been no problem at all for the many who knew him.

This week in order to start the New Year off with a real puzzler we went to our files for the eyes of a woman well known throughout the entire Hilltop area.

You might say as a clue, "Hello [illegible]"

Mrs. Wright Suggests Favorite Dessert Recipe, "Apple Crisp"

Mrs. Elsie Wright

A recipe for everybody's favorite, "Apple Crisp," is this week's choice of Mrs. Elsie Wright, 348 S. Southampton-av.

Well known on the Hilltop for her work in the PTA organization of West Junior and West Senior High School, she is president of the group. Their big effort of the year, the PTA membership campaign, has netted more than 2100 members to date. The organization will observe its silver anniversary in February. Proceeds from their year-round candy sale project are used to give general help and support to the school.

She also serves as Campfire Girls leader and is a member of the Columbus and Franklin County Board of the Parents and Teacher's Association.

Her husband, Richard, is a manager at the Modern Tool Die and Machine Co., and the couple has one daughter, Frances, who is enrolled as a senior at West High School.

A year-round favorite dessert with the donor's family, "Apple Crisp" is a delicious, hearty dessert; the perfect choice to finish a meal of soup and salad. Mrs. Wright also suggests that peaches may be substituted for apples, and the dessert may be served warm or cold with whipped cream.

Apple Crisp

Place in greased 6x10 baking dish five to six cups sliced pared apples (about six tart, firm apples).

Mix together with fork until crumbly and sprinkle over the apples:

1 cup sifted flour
½ to 1 cup sugar (depending on tartness of apples
1 tsp. baking powder
¾ tsp salt
1 unbeaten egg.

Pour over all one-third cup melted and cooled shortening. Sprinkle with one-half tablespoon cinnamon.

Bake 30 to 40 minutes in a moderate oven.

Serve warm with cream or top milk.

Makes eight generous servings.

West Captures St. Charles Cage Tournament Title

By Woody Owen

West High Cowboys for the second consecutive year captured the annual holiday tournament held at St. Charles, with Bexley and Grove City as the other participants.

In the opening play Monday, Dec. 28, the Cowboys walloped Grove City by a score of 65-42, with Bexley taking a 52-46 decision over the host five.

On the final night of play, Tuesday, Dec. 29, the Cowboys captured the title by nosing out the Blue Lions by a count of 55-53, while St. Charles captured third place with a 47-42 win over Grove City.

The Cowboy-Grove City contest started slowly with the latter holding a 10-9 first quarter advantage, but the Hilltoppers soon warmed to their task and, with Jim Vincent scorching the nets for 12 points, they spurted to a 31-18 half-time lead and continued to turn the game into a rout in the final two periods as their superior speed and shooting ability completely outclassed their opponents.

Vincent again led the locals with 25 points, while Bob Hagedorn tallied 13 for the losers.

The outcome of the Cowboy-Bexley championship game was in doubt right up to the final whistle as the champs trailed at the end of the first period 9-8 and at half-time by a 26-21 margin.

They came back in the third period with Jim Pruden leading the offensive to grab a 39-37 edge. The final quarter was nip and tuck with never much more than four points separating the two quintets. Jerry Ruffner's field goal and two free throws in the final two minutes gave the Cowboys the win.

Jim Pruden led the locals' attack with 17 points as Ruffner and Hicks turned in fine games on the boards. Barry Zacks led the Blue Lions with 18 points.

Tie Broken In Y Intermediate Cage League

Glenwood Methodist went into the first place position this week in the Hilltop YMCA Intermediate Basketball League by defeating the previously unbeaten West Senior Hi-Y by the score of 45 to 22. Donny Martin again led the Methodists with 22 points, most of them coming on unbelievable shots. The entire Glenwood team sparkled on defense, setting up a zone defense that the Hi-Y could not crack with any degree of regularity. Cannon led the West scoring with 10 points.

In the biggest upset so far this season, Hoge Memorial broke into the win column for the first time by handing West Park Methodist their first defeat in three games. Hoge jumped to a half-time score of 16 to 8 and was never threatened thereafter. Whitter was again the big gun for Hoge with 19 points while the tight Hoge defense held the high scoring Farrell and Guyton of West Park to 8 and 7 points respectively.

Westate Methodist remained in the running for first round honors by thumping Hilltop Church of Christ by the score of 37 to 27 in a game that was very close for three periods but was broken wide open by six timely points by Dick Sensenbrenner in the final quarter. Sensenbrenner with 13 points and Hutchison with 9 points were high for Westgate while Jahn led the Church of Christ gang with eight points.

Burgess EUB, after losing two very close games, came out of the league cellar by beating Hillcrest Baptist by the score of 37 to 23. Speakman and Cline with 12 and 10 points led the Burgess team on offense with Ronnie Grant again playing a fine floor game. Kuntz led the Hillcrest gang with nine points.

Harry's Back On Job After Sojourn In Tropic Climes

By ZIP

Regular customers at the Marathon Service Station, W. Mound and Central, are having a hard time believing their eyes these days, but it's really Harry Imes they see back on the job again. They recall that only a few months ago—last May, to be exact—they were wishing him a bright future in Florida, as he made plans to desert his home state to seek fame and fortune in southern climes.

However, it just wasn't to be. The family, which, in addition to the Mrs., included three boys—aged two years, five years and 12 years—dropped anchor on the Gulf Coast alright, but they found that the Ohio dirt on their boots just wouldn't mix with Florida's sand.

The nostalgic feeling was first felt by the distaff member of the family, but eventually it seemed that all longed to be back in good old Columbus, despite the fact that they had purchased a home in Florida and the little group had been increased to six by the addition of another boy, born in August.

Now, here's the happy ending. They've all returned to their old home town, Harry's back again as proprietor of the Marathon Service Station, and even the name of the thoroughfare which passes by their newly purchased home seems to be in harmony with the situation—Joyful-ay in the Rosary addition.

Red Cross Financial Report Lists Expenditures For The Past Year

Helping the troubled man in uniform, his family back home, and the helpless veteran patient cost the Red Cross nearly 40 percent of its total budget last year, John P. Biehm, chairman of the Franklin County Chapter announced last week.

This was revealed, he said, in a financial report to Red Cross members listing total expenditures of $86,041,583 by the national organization and its more than 3,700 charters for the fiscal year ending June 30, 1953. Of the total, Red Cross services to the armed forces and veterans cost $35,147,147.

In its major program, the Red Cross helped 232,200 servicemen and veterans each month at military installations and VA hospitals and 133,000 of their families each month at Red Cross chapters. Included was aid in solving personal and family problems, financial assistance in emergencies, help with communication between servicemen and their families, recreation in military hospitals, and help in applying for government benefits.

Of total Red Cross expenditures for this program, $17,525,171 was spent by the national organization and $17,621,976 by chapters. In Columbus the Franklin County chapter spent $57,830 in handling 8,908 cases.

Special Events Highlight "Y" Christmas Fun

Special events were the highlights of the Hilltop YMCA Christmas Fun Club which was for all youth of the Hilltop during Christmas vacation.

The first special event held for the youth was an educational rubberneck tour of the Columbus Citizen where the boys saw the huge presses of the paper run and received a copy of the Sunday funnies one week in advance. Those making the trip were David James, Jim Smiley, Charles Bentel, Dick Lowe, LeRoy Meaters, Billy Minnear, George Allen, David Thurston, Dick Sims, Paul Thompson, Beryl Badgeley, Harold Blatt, Cliff Shoemaker, Dick Rice, Don Furry, David Feustel and Terry Feustel.

The following day, 28 boys of the Hilltop were treated to a swim in the YMCA pool. Even though the weather outside was cold, bleak and dreary, the boys enjoyed the "Splash Party" in the 82 degree "bathtub." The boys were permitted to use the diving board and equipment such as innertubes and rubber bricks to make the mid-winter swim a great success.

The final special event of 1953 was a Scavenger Hunt which was attended by 26 boys and girls. The boys and girls were broken down into teams and had to search for a girl's yellow shoe, Webster's Dictionary, a suede shoe brush, a girls' striped hair ribbon, a July 1953 issue of Life magazine, the signature of the owner or editor of the Hilltop Record, a fourholed purple button, a pair of green swimming trunks, six packs of safety matches, an Indian Head penny, a red eversharp pencil, an empty aspirin box, a picture of Bugs Bunny, a birthday greeting card and a Sears and Roebuck catalog. The members of the winning team were Capt. Bill Ingle, Margaret Thurston, David James, David Kirch and George Allen.

The usual craft classes for boys and girls and movies for everyone were also run throughout the vacation period.

New 1954 Ford Cars On Display At Beasley-Grove

The 1954 Ford passenger cars and trucks, now on display at the Beasley-Grove Company, 747-61 W. Broad-st, feature the following Ford exclusives in the high volume field, according to L. K. Fistinger, head of the West Side Ford [illegible]:

An entirely new 130-h.p. Y-block V-8 engine with overhead valves.

A new 115-h.p. I-block Mileage Maker Six engine, noted for economy.

New ball-joint front suspension which Ford engineers call the greatest advance in front suspension in 20 years.

The Skyliner — an entirely new hardtop model with tinted, transparent plastic roof over the driving compartment.

A smart new Ford Sunliner convertible with an unusual transparent plastic panel inserted in the top over the front seat to provide overhead visibility.

Four new power-operated driving assists: power brakes, power steering, 4-way power seat, power-lift windows.

Fordomatic transmission.

In its 1954 passenger cars, Ford again is offering three lines — Mainline, Customline and Crestline —with 14 body styles. Three new body types added this year are: the Crestline Skyliner with the transparent roof and a Crestline Fordor Sedan, featuring luxurious interior trim formerly found only in costly limousines. A new Customline two-door station wagon similar to the four-door Country Sedan in trim and interior appointments has been added to the three Ford station wagons, previously available. This is called the Customline Ranch Wagon.

Fishinger said that this year, for the first time, Ford is offering buyers a choice of either its V-8 or six-cylinder engines in all models—a total of 28 models for 1954.

To maintain Ford's modern style leadership, the 1954 Fords are coming off the assembly lines in 156 exterior and interior color combinations with 13 single-tone body colors, 10 of which are available in 13 two-tone combinations. Twenty-three upholstery patterns, selected for their charm as well as durability, have been chosen by Ford stylists to assure harmonious interiors.

The 1954 Ford passenger cars are readily distinguishable by their new grille with its characteristic center spinner, recessed parking lights and jet-type air scoop. There is a new Delta-wing type hood ornament; an increase of half an inch in the height of the crown of the front fenders, and a new diagonal slant to the headlamps. Combined with the single strip of chrome running the length of the car, these give the new Fords a longer, speedier look.

Mary A. Pinney, Kenneth Hamm Exchange Wedding Vows Dec. 4

Mr. and Mrs. Kenneth J. Hamm

Miss Mary Ann Pinney and Mr. Kenneth J. Hamm exchanged their nuptial vows in Calvary Apostolic Church on Dec. 4. Rev. Chambers officiated at the 7:30 p.m. ceremony.

The bride is the daughter of Mrs. James R. Collins of 3782 Sullivant-av, and the bridegroom's parents are Mr. and Mrs. Joseph Hamm of 27 N. Roys-av.

Given in marriage by her stepfather, Mr. James R. Collins, the bride was gowned in white skinner satin and chantilly lace. The gown was fashioned with a tight-fitting bodice of satin, off shoulder illusion yoke trimmed with appliqued lace which formed a Bertha collar and long, lace-covered satin sleeves coming to points at the wrists. The satin skirt, enhanced with a wide panel of lace in the front, was worn over a hoop skirt and extended into a chapel train.

Her fingertip veil of imported silk illusion was caught by a tiara of seed pearls and sequins.

Mrs. Joy Root attended the bride as matron of honor and serving as best man for his brother was Mr. Robert Hamm. The ushers were Mr. Charles G. Pinney and Mr. Ronald Hamm.

A reception was held at the church, immediately following the ceremony.

The bride attended West High School. Her husband also attended West and is now a member of the U.S. Navy.

Following their wedding trip to Niagara Falls and Canada, the newly-married couple will reside at 139 Spring-st, Newport, R.I.

White Tapers Illumine Altar For Patridge-Willson Rites

Mrs. Zack E. Willson

Before an altar lighted with white tapers and decorated with pine scented boughs, Miss Marcia Patridge and Mr. Zack E. Willson exchanged their nuptial vows on Dec. 19, in Glenwood Methodist Church. Rev. Joseph Shellhaas officiated at the 2:30 p. m. rites.

Given in marriage by her father, the bride is the daughter of Mr. and Mrs. Melvin T. Patridge, 131 N. Brinker-av, and the bridegroom's parents are Mr. and Mrs. Zack Willson of 414 E. Beechwold-blvd.

The bridal gown of white chantilly lace over taffeta was styled with round scalloped neckline and long sleeves of lace coming to points over the hands. Tiers of tulle formed a bustle effect and extended into a long train.

A chantilly lace cap held her fingertip veil of tulle and her only jewelry, a choker necklace of miniature pearls, was a gift from the bridegroom. She carried a cascade corsage of white poinsettias and silver bells.

Mrs. Constance Patridge attended her sister-in-law as maid-of-honor and the bridesmaids were Miss Jean Willson, Miss Nancy Miller and Miss Barbara Suver. They carried corsages of red poinsettias and silver bells.

Their identical floor-length gowns of emerald green Oriental silk taffeta and velveteen were fashioned with fitted, strapless bodices of taffeta, topped with soft folds of velveteen. The bouffant skirts were worn over old-fashioned hoops and billowing crinoline petticoats. The shoulders were covered with a velveteen jacket with bracelet length sleeves and a Queen Anne collar, and they wore matching velveteen hats with small theatre nose veils.

The best man was Robert Patridge, brother of the bride, and serving as ushers were Joseph Spain, William Peace and Gordon Martin.

The mother of the bride chose an eggshell faille dress and a small black velvet hat with matching accessories. She carried a corsage of symbidiums. The bridegroom's mother wore a biege shantung jacket dress with matching hat and accessories, and a corsage of symbidiums.

Hostesses for the reception held in the basement of the church for 150 guests were Miss Beverly Jordan, Mrs. Gerry Lazenby, Miss Ann Sargant and Mrs. Carol Fulks.

Mrs. Willson is a graduate of West High School and is employed at the Ohio Bell Telephone Co. Her husband, a graduate of North High School, is a junior in the college of commerce, Ohio State University.

Following a tour of Florida, with one week spent in Ft. Lauderdale, the couple is residing at 131 N. Brinker-av.

Deitchle-Hight Wedding Is Event Of Christmas Season

J. Curtis Allen Photo

Mr. and Mrs. Myron E. Hight

One of the local weddings of the Christmas season was solemnized at 3:30 on Sunday afternoon, Dec. 20, at West Park Methodist Church. Rev. William Martell George united in marriage Shirley Kay Deitchle, daughter of Mr. and Mrs. Clarence F. Deitchle, 2516 Eakin-rd, and Myron E. Hight, son of Mr. and Mrs. Waldo J. Hight, 150 Brehl-av.

The altar for the candlelight ceremony was banked with ferns, palms, boughs of cedar and two Christmas wreaths of pine with bright red ribbons. Baskets of white gladioli and mums with red ribbons also decorated the altar.

Candelabra holding 24 candles and a lighted Christmas tree illumined the service. Four tall tapers and bows of white satin ribbon with sprigs of cedar marked the aisle.

The bride, given in marriage by her father, was gowned in alencon lace and candlelight skinner satin, featuring a yoke of lace extending into a panel to the waist. The bouffant satin skirt had two pleats with inserts of lace at the front, worn over an old fashioned hoop, ending in a long chapel train.

The finger-tip veil of imported illusion fell from a Juliet cap of satin and seed pearls, and her only jewelry, a pair of pearl ear-drops, was a gift from the bridegroom. Her handkerchief of handmade lace was brought to her from Italy by her brother, and she carried her mother's Eastern Star Bible, topped with a shower bouquet of shattered carnations, centered with a white orchid.

The attendants wore identical floor length gowns of ice-blue net with strapless self-draped bodices. Wide sashes of heavenly-blue silk shantung cascaded down the back to the length of the very full hooped skirts. Their matching headbands and net stoles were attached to the bodice.

The maid of honor, Carolyn Dobbs, carried a bouquet of red poinsettias; and bridesmaids Virginia Bowser and Carol Eickert, and bridesmatrons, Mrs. Joann Deitchle and Mrs. Annabelle Weisheimer, carried white satin muffs covered with white mums centered with red poinsettias.

Mr. Ralph Hight was best man for his brother and ushers were Mr. Don Hight, brother of the bridegroom, Mr. Stan Deitchle, brother of the bride, Mr. John Gilbert and Mr. Ralph Bargar.

For the reception following at the church, the bride's mother greeted the guests in a Pickwick fashioned dress of powder blue crepe and lace with trimming of pearls and sequins. Her accessories were of navy blue and she wore a corsage of white carnations.

The bridegroom's mother's dress was of royal blue crepe with beaded design at the neckline. She wore navy blue accessories and a corsage of pink carnations.

Hostesses for the reception were Sally Kendall, Sonya Albery, gowned in floor length red velvet with corsages of shattered white carnations, and Rita Elliott, in white net over taffeta, wearing a corsage of red shattered carnations.

After a honeymoon through Pennsylvania and Maryland, the newlyweds are at home at 4332 Lafayette Court, Whitehall.

Mrs. Hight is a graduate of West High School and is associated with the offices of Julian and Kokenge Shoe Co.

Mr. Hight is a graduate of Central High School and served four years with the U.S. Navy. He is studying pre-law at Ohio State University where he is a member of Lambda Chi Alpha fraternity.

Mr. Bean is a graduate of Garrett Theological Seminary and has done graduate work at Vanderbilt, Northwestern, and Ohio State University. Priscilla Smith, Director of Christian Education at the First Congregational Church, is the Associate Dean.

The school is primarily designed for those persons active in local churches who seek to know better the content and application of religion to life. It endeavors to help officers and teachers of the local church to be better prepared to serve in their own Sunday schools.

Further information about the School and registration blanks may be obtained from local pastors.

YOUR YOUTH

By Bob Schmidt   Dick Wilson

With the holiday just a pleasant memory, everyone has now settled back into the old routine of everyday life.

The Hilltop "Y" program for January has certain percentage of everyday routine clubs but something has been added to the January schedule. The January schedule is just off the press, kids, so hurry down to the "Y" and get your copy today. Looking at this January schedule we find beginning Jan. 16, that the Tom Toms of the "Y" Indian Guides will be beating every Saturday morning for the Little Braves. The Medicine Man will teach the Little Braves various Indian dances and also they will be taught to make their own costumes. Yes, Little Braves, will want to listen for the beating of the Tom Toms then make-um tracks down to the "Y" Saturday, Jan. 16, at 10 a. m.

The big event which will be Sunday, Jan. 17, will be a trip to Marion to see the Marion Barons Ice Hockey Game. All Gra-Y, Indian Guides, Junior Hi-Y members and parents are looking forward to seeing this hockey game. You fellows will want to be sure and turn in your reservations for you and your parents to the "Y" office before Jan. 9.

The Gra-Y Basketball "A" and "B" League have resumed play Monday and Thursday afternoon at Glenwood Methodist Church gym. The Junior and Intermediate Church League have also resumed play at John Burroughs gym. The "Y" Volleyball Men's League will resume play Friday evening after enjoying a three week vacation.

Again we would like to remind all of our friends that the Hilltop "Y" Annual Banquet is scheduled for Jan. 20 at 6:30 p. m. at Glenwood Methodist Church. Reservations may be obtained from any member of the "Y" Board of Management or by phoning "Y" office JO. 4641.

Sermon Series Is Started On Apostle's Creed

It has been announced by Rev. George J. Taylor, pastor of the Westgate Methodist Church, that he has begun a series of sermons on the Apostle's Creed which opened with the communion meditation, "I Believe." The second sermon in the series, scheduled for next Sunday, Jan. 10, will be "In God the Father Almighty."

These sermons on the Creed of the Church are designed to help the members of the congregation to prepare themselves for the coming Lenten Season. Others in the series are scheduled as follows: Jan. 17, "In Jesus Christ"; Jan. 24, "To Judge the Quick and the Dead"; Jan. 31, "I Believe in the Holy Spirit"; Feb. 7, "I Believe in the Holy Catholic Church"; Feb. 14, "The Forgiveness of Sins"; and Feb. 21, "I Believe in the Life Everlasting". This will close the series at the beginning of the "Week of Dedication" and the beginning of the Lenten Season.

All the friends of the church are cordially invited to join the congregation in hearing these sermons.

[illegible] of Faith

Suppose, for a moment, you were up here tonight, on the flying bridge of a large ship plowing through icy North Atlantic waters. Nothing to worry about, even though the seas are running high.

Suddenly, an engineer appears on the ladder, hurries across the rolling, pitching deck and reports to the Captain. There is excitement and fear in his voice. "Sir—the rudder's gone!"

Of course, such an accident is next to impossible today. Big ships just don't lose their rudders anymore.

Yet many who cannot think of such an accident without a chill of fear passing down their spine have managed to lose another rudder without giving the matter any thought. These people have lost the rudder of religious faith—and many of them lost their rudders when they ceased to attend church regularly. Only when disaster looms ahead will they regret their loss.

Churches don't fashion rudders. But they do enable a man to make one of his own that is stout, strong and indestructible. Sometimes there is nothing a man can fall back upon but his faith in his own dignity and his faith that God is with him. His church is his stout keel. His faith is his sure guide.

That man is not afraid of his future—for he sails forward with God.

And the Lord shall guide thee continually, and satisfy thy soul . . .

Hilltop Kiwanis Achievements For '53

(Continued from Page 1)
both schools to assist in the program.

In the field of Kiwanis education and fellowship, the Hilltop Club adopted the Mansfield plan of induction of new members, attended the annual installation party in January, and the Kiwanikwe installation during the same month. Sponsored a team at Kiwanians in the "Old Men's Looper Baseball League," sponsored annual breakfast along the Scioto River in an inter-club meeting, held a family picnic at Westgate Park in September at which 220 were present, participated in the Kiwanikwe Birthday Party, held an annual song-fest, participated in a tug-of-war contest with Hilltop Lions at Bean Dinner and again at East-West football game. Seven new members were inducted in 1953.

In public and Business affairs the local club sponsored a safety program, in which the city and drivers in general were asked to obey traffic laws and reduce the terrific death rate in the city, sponsored program of welcome to the officials of the Westinghouse Corp., sponsored appearance of Del Starkey on Columbus Chamber of Commerce who told of "The Growth of Columbus." Provided "Drive Safely" display on W. Broad-st, seen by more than 50,000 persons and drew publicity in all newspapers as well as photographs in Kiwanis Magazine and National Funeral Magazine, sponsored appearance of mayoralty and council candidates before club.

Visited electrical plant in southern Ohio, presented new trophy case to Hilltop Branch Library, participated in activities of Hilltop Community Council, sought better bus service, contributed to "World Neighbors" program, urged public through advertising to take advantage of X-ray program, assisted Camp Chase Post American Legion and Hilltop Business Association in selecting "Hilltop Man of the Year", provided 10 men from club to assist in United Appeals drive, contributed to City Fire Department Athletic Association fund, maintained membership for club, participated in activities of West Franklin County Civic Association and City Inter-Club Council.

Contributed funds to help send American Legion band to state convention, sponsored advertisement in Hilltop Lions Sight-Saving newspaper, sponsored congratulatory message to West High graduates in newspaper and provided 33 members of club to assist Hilltop Lions in their annual Sight-Saving newspaper sale.

The organization's public relations activities included printing of a club directory and the purchase of a lieutenant governor banner which was presented to the Newark Club.

Two photographs were published in the Kiwanis International under club activities, one photograph used in National Funeral Directors' magazine, and 180 stories pertaining to the club appeared in newspapers along with 62 photos. This does not include the Christmas edition. There were also, during the year, four TV appearances and 10 radio spots.

Three new road signs were erected and subscriptions to the Kiwanis magazine were presented to West High and Hilltop Libraries. A contribution of $50 was made to the fund for the Miller family and aid was given to the benefit show, which netted $701.40, for the family. They also co-sponsored a booth at the Hilliards Fair, showing Kiwanis at work, and sponsored a government bond program.

Their full support of the churches is shown by invocation at regular meetings, annual Easter program with all ministers of the community as invited guests and the change in the club's opening exercises to provide for singing of the fourth stanza of "America".

Mrs. Margaret Beery was chosen as Hilltop "Mother-of-the Year" and honored at the club's Mother's Day program. Judge Cecil J. Randall was selected as Hilltop "Father-of-the-Year" and was honored at the special Father's Day program. Special recognition plaques were also presented to two members of the club on their golden wedding anniversaries.

More than 75% of local business houses participated in the Kiwanis community Good Friday by closing, and the club conducted World Neighbors meeting with Dr. Roy Burkhart as speaker.

The organization printed and distributed, through Welcome Wagon Service, 1000 community church directories to all newcomers and conducted a drive to provide clothing for "Kids-in-Korea".

Their essay contest on "Why I Like To Go To Church" was conducted among junior and senior high school students, with prizes totaling $100 awarded to winners. The annual Thanksgiving program was presented, leaflets on "Our Four Great Faiths", "Four Pillars of Freedom" and "Toward a Better World" were distributed and sponsorship of a Japanese student at Illinois School of Technology was continued. The annual Christmas Club program was provided.

In underprivileged child welfare work, the group assisted in the local "March-of-Dimes" campaign, sold tickets for the United Kiwanis baseball game, which made it possible to send 135 underprivileged boys to camp, and presented repaired, used TV sets to Columbus State Hospital.

They also assisted other clubs in taking orphans from Franklin Village to Lockbourne Air Base and paid for refreshments for them, provided Christmas gifts for 23 young people of Franklin Village and purchased $100 worth of movies for their use. At Christmas time they provided basic essentials for 26 children in eight families.

Their vocational guidance program was conducted on Apr. 6; the group assisted in formulating and conducting the first West High School "Career Day" and conducted a job survey among all business firms. Two worthy high school students were awarded $360 scholarships and $75 and $50 music scholarships were presented to students selected by the music committee.

Chairman Dick Nash and his membership committee set an all-time high for perfect attendance, with five months in the 100% bracket.

The program and music committee, composed of Jim Cooper and his members, contributed to this attendance record with an outstanding year of good programs and music.

The year's social events included a three-game bowling contest with Eastern Club on Mar. 5, the Jan 8 installation party and the Kiwanikwe installation on Feb 26. The annual nut festival on Mar. 19 had 211 present and on June 11 the Kiwanikwe held its birthday party with 100 in attendance.

A tug-o-war was a big attraction at the Bean Dinner on July 17, on Sept. 16 the annual picnic was held at Westgate Park, and on Oct. 9 another tug-o-war was held at the West High School football game.

November events included Fun Night on Nov. 10 and the attendance of members at the Charter Party of the West Franklin County Club Nov. 19. The club's softball team participated in 10 games during the season, with four members chosen for the All-Star game.

The Sunshine committee mailed 11 cards and remembered, with flowers, many members who were ill or hospitalized during the year.

Letters To The Editor

This newspaper invites letters from its readers on subjects of timely interest. All letters, however, must be not more than 400 words in length and all must be signed by the writer. The writer's name will be omitted if requested.

Dear Editor:

The Marine Corps Reserve's TOYS FOR TOTS Campaign went off with a measure of success which was far beyond the anticipation of the Central Ohio Council of the Boy Scouts of America, Franklin County Welfare Agencies and the individual efforts of Columbus business men like yourself. Over 150,000 toys, books and games were distributed to underprivileged children of Franklin County. This distribution was made through 41 welfare agencies.

Last year your Marine Reservists collected over 7,000 toys. This year our goal was 40,000 toys, based upon a minimum requirement to provide 20,000 toys for a like number of children. We were of the opinion that there can never be too many toys for an underprivileged child at Christmas and our opinion has not changed. We are gratified that we were able to provide about eight toys per child.

To give you some idea of the type of toys collected, the following is a partial list of toys distributed: tricycles 173, wagons 135, cars (pedal operated) 83, kiddie cars 112, doll beds, 248, doll carriages 65.

In addition to these and other major toys, there were dolls, small cars, games and toys too numerous to report in detail. Four truck loads of repairable toys were sent to the Goodwill Industries for repair and painting.

The support given the TOYS FOR TOTS campaign by The Hilltop Record and West Side News by the publication of articles about our program contributed materially to the successful effort made by your Marine Reservists. We are grateful for your help and support in making this worthwhile project a bang-up success and for the true Christian spirit of giving to the less fortunate at Christmas time.

Sincerely yours,
R. D. Wina

This Is Not The Smell Of A Flower

This past week we had a call from a Hilltopper who works for the city and reminded us that Mayor Sensenbrenner had stated back in the campaign that no one would have to shell out for the customary "flower fund" that has been operated around city hall for so many years.

It was a fact that the mayor did make such a statement and in our papers.

And it is also a fact that no such flower fund is being operated at city hall or any other department of the city government, in the knowledge of the mayor.

This same informant advises that workers have been told that the usual 25c a week that has always been assessed has now been upped to 50c per week and workers have been told they must either "pay up or else."

If such an order as this has been issued, the mayor advises, it is without his authorization. He firmly states that no city employe will ever be forced to contribute to such a fund.

It would therefore seem that if today and yesterday contributions were made to a flower fund such city employes should look into the matter for themselves. The odor that will come out of such an affair will not be from flowers but from a source of rottenness that takes on racket proportions.

Acts From Past Will Feature 1954 Minstrel

They're getting ready to observe a Silver Anniversary on the Hilltop. The Silver Anniversary, that is, of the Hilltop Business Association's annual Minstrel Show which is slated this year for its showing at West High School auditorium on Feb. 24 and 25.

C. H. In addition to a dance line composed of Hilltop business men such as the one which brought down the house in 1953, there will also be the precision chorus line of girls known as the "Beckerettes" composed of Hilltop girls, many of whom have appeared in the highly praised West High School Chorus line.

Features dancers from past shows who will appear in the 1954 version of the Hilltop Minstrels are Gayle Lamb, 1950; Tommy Smith, 1950; Sonny Albery, 1953, and Pat Manna.

Reserved seats for the 1954 edition of the Hilltop Minstrels will go on sale Feb. 1, according to announcement made this week by C. H. Campbell. He said they would be available at five locations on the Hilltop, namely: Goodwin's Pharmacy, 2772 Sullivant-av; City Furniture Store, 2288 Sullivant-av; May Furniture Co. at Central Point Shopping Center; Esquire Men's Shop, 2417 W. To Observe 60th Anniversary

Mr. and Mrs. S. J. Westlake

Mr. and Mrs. S. J. Westlake, residents of this community for many years and founders of The Hilltop Record, will observe the 50th anniversary of their wedding day on Monday, Jan. 18.

Married by Rev. J. B. Woodland, pastor of First Baptist Church in Delaware, on Jan. 18, 1904, the couple has one living daughter, Mrs. Viola Louks, three grandchildren and six great-grandchildren.

The couple moved to Columbus in 1902 and, with a capital of $10, founded The Hilltop Record in 1917. Reminiscing about those early days, Mrs. Westlake recalls that she also played an important part in the beginnings of the paper. Her duties ranged from selling advertising to folding the papers. Mrs. Ina Dodson, 249 S. Burgess-av, was the press feeder on the original Franklin press.

On Aug. 10 of last year, Mr. Westlake had completed 72 years in the printing trade. At the age of 86, he still follows that avocation at Columbus Pharmacal Co., 336 Oak-st, where he is a typesetter.

In recent years the Westlakes have made their home in The Chesterfield Hotel.

Shopping Center Also Included In Development

Mushrooming up from what was formerly farm lands adjacent to Sullivant Avenue Airport these days is a new Hilltop housing project that when finished will comprise 800 living units for more than 3500 persons. Known as Westgate Manor the huge development which covers an acreage of 50 acres, will also feature a shopping center and when completed will have a $10,000,000 valuation.

Developer of this huge area which will go far toward relieving the housing problems of the Hilltop area is the Vernon C. Neal Co. Inc. of Pittsburgh, which has built and is operating similar developments in Florida, Puerto Rico, the Bahamas and in Pittsburgh.

At the present time in various stages of completion with some of the units already occupied are apartment buildings comprising two stories and garage level quarters. Each of the apartments is built to house 12 families. The present 25 buildings under construction which comprise the initial phase of the project will provide a total of 360 living units.

In addition a 16 store room shopping center facing on Sullivant-av, is also under construction with expectations that it will be finished and ready for opening about Mar. 1. The shopping center will be comprised of food stores, drug store, possibly a bank, beauty shops and professional offices.

When completed the Westgate Manor will be really much like a city home in the country, according to the builders, with complete recreational facilities such as playground equipment, ball grounds, a shelter area for picnics as well as a private swimming pool available for residents of the manor. In addition there will be parking space areas of black top surface that will accommodate approximately 2,000 cars.

The apartments in the buildings will be of the one, two and three

Fire Ravages West Side Firm; Loss Is $3100

A fire at the Novelty Manufacturing Co., 425 S. Central-av, Tuesday afternoon, was responsible for two West Side men being burned and caused damage unofficially estimated at $3100.

Battalion Chief Clarence Grubb said the blaze started at 2:55 p.m. from an undetermined cause in an electric baking oven converted from a used refrigerator. Being treated in the oven at the time were small novelties made of nitrocellulose.

The door of the oven apparently came open from heat of the flames, Chief Grubb said, and the fire filled the room, then burned off the two large front doors of the one-story concrete block building and spread along the roof to the rear.

Firemen were unable to enter the structure for about half an hour because nitrocellulose throws off deadly fumes when it burns, Chief Grubb said.

Burned while trying to fight the blaze with a hand fire extinguisher was the owner, John Batista, 40, whose home is located at the front of the address. Also burned was Fred Shato of 638 S. Harris-av, a refrigerator repairman at the firm.

Both suffered first and second degree burns about their faces and hands. They were treated at Mt. Carmel Hospital.

The flames also burned the auto of Christus Phillips of 2653 Eakin-rd, a workman at the shop. The car was parked in Union-st next to the burning building.

Chief Grubb unofficially estimated loss to the building at $500, to the contents at $2000 and to the car at $600.

Robert Teaford, local attorney and chairman of the City Planning Commission, will advocate the annexation. Dr. Harvey Walker, who has recently been engaged in a study of fringe areas annexations and incorporations in Ohio, will oppose, and Homer Trantham, chairman of the Columbus Board of Education, will not take a position, but will speak unofficially.

You are welcome to attend these Town Meetings in the studio at WBNS-TV, 495 Olentangy-blvd. There you may ask your questions directly of the speakers. If you do not attend them, you may telephone your questions to FLetcher 3881.

Public Comment

Opinions Evenly Divided On Question Of 18-Year-Old Vote

Readers of the Hilltop Record when queried this week with the question of "How do you feel toward the President's proposal of permitting 18-year-olds to vote?" were fairly evenly divided as to how they thought on the question. The few contacted concerning the query expressed such opinions as "if they are old enough to fight they're old enough to vote," "They should have a voice" and others said, "They've not yet reached the age of reason."

MRS. LUKE REILLY, 3013 FREMONT-ST: "It would be better to leave the age limit at 21. I believe 18 is quite young. Although some youngsters are mature at that age, I still think that 21 is "the age of reason" and young enough for participation in political affairs."

MRS. ARTHUR MITCHELL, 355 BINNS-BLVD: "I would go along with the present age limit of 21 in the matter of voting. At that age youngsters are better qualified to form their own opinions on the basis of facts rather than talk, and are not so easily swayed by others."

MRS. CLARENCE SCHNEIDER, 592 OAKLEY-AV: "As long as they are required to serve in wars at the age of 18, I see no reason why they shouldn't be allowed to vote."

MRS. OSCAR ZIEGFELD, 586 NASHOBA-AV: "The boys of that age think that as long as they are old enough to fight for their country, they should be allowed their 'say' in events. But it's still true that the average person can think more clearly and reasonably at 21. There are two good sides to the question."

MRS. KENNETH FRY, 214 POWHATAN-AV: "That is a difficult question but the age probably should be lowered. It is still true that if boys of 18 are ready to fight they surely should be ready to vote."

MRS. BEN DAVIS, 2794 CRESCENT-DR: "Yes, I think the age should be lowered. As long as boys of that age are considered capable of fighting they should also be considered capable of voting."

MRS. HOMER GILLILAND, 1965 FLORAL-AV: "I don't agree with the proposal that boys are old enough to fight and to vote at 18. My personal opinion is that they are too young to fight, as well as to vote, until they reach 21. Too many of those youngsters were sacrificed in the Korean trouble."

MRS. WALTER GRILE, 2704 VALLEYVIEW-DR: "I think the youngsters should be given the chance to express their opinions by voting and I do believe they are mature enough at 18."

Two Hilltop Men Given Promotions

James M. Doherty, 321 Letchworth-av has been appointed supervisor of sales advertising for the Farm Bureau Insurance Companies.

He has been copy manager since joining the companies in January, 1948.

O. O. Johnson, 2734 Valleyview-dr, has been promoted to manager of the fire underwriting technical department of the Farm Bureau Insurance Companies.

He joined the companies in 1945 and has been manager of central fire services for the past two years.

Mercurio Named As Market's Supt.

Announcement was made early Wednesday of the appointment of John Mercurio, 42 of 852 Wiltshire-rd as the new Superintendent of Markets to succeed Frank Harrison. M. D. Portman, administrative assistant to Mayor M. E. Sensenbrenner made the announcement. The appointment is effective as of Feb 1. Salary is $370 per month scaling upward to $409 per month after 3 years.

Mercurio, a Hilltop resident for the past 11 years said Wednesday he planned to give up his fruit and produce wholesale business to devote full time to his new position. He has been in the fruit and produce business for a total of 27 years.

Mercurio is married and lives at the Wiltshire-rd address with his wife Mary Ann and son John, Jr., who attends Aquinas High School.

NEW OFFSPRING

Too late to include in the story of Mr. and Mrs. Spring's golden wedding anniversary in this issue, was the news of the birth of another great-grandchild.

Mr. and Mrs. Richard Falter, of 238 N. Warren-av, became the parents of a son on Jan. 12 in Mt. Carmel Hospital.

Falls From Bicyle

Clarence Anderson, 12, of 3089 Wicklow-rd, was treated by emergency squadmen for a cut over his right eye, received in a fall from a bicycle Tuesday evening. He was taken to Mt Carmel Hospital for further treatment.

ESSAYS ON "WHY I GO TO CHURCH" brought cash prizes Tuesday to three members of West Junior High School at a special assembly. The contest, sponsored by the Support of Churches Committee of Hilltop Kiwanis Club, drew 80 entries. Pictured above at the presentation of the awards are Roy Kistner, Principal Irvin F. Young, Mayor Jack Sensenbrenner, W. Raydn Jones and the winners, Carolyn Cooper, first prize $25; Ned Johnson, second prize $15, and Bobby Lee Bateman, third prize, $10. (Hilltop Record Photo).

Four More Hilltop Soldiers Are Reported As "Presumed Dead"

Four more Hilltop men who have been missing in action in Korea for more than a year have been listed as "presumed dead" by the Department of the Army.

They are Sgt. Ralph E. Lorenz, son of Mr. and Mrs. Lester Lorenz, 469 S. Harris-av; Maj. Albert C. Standish, husband of Mrs. Margaret C. Standish, 274 S. Chase-av; Sgt. Harry C. Dennis, son of Mr. and Mrs. Arthur G. Dennis, 22 Midland-av and Cpl. Curtis W. Doherty, son of Raymond E. Doherty, Galloway.

The Army said that the presumption of death in these cases "does not establish an actual or probable date of death." It said the law requires the establishment of a presumptive date of death for the termination of pay and allowances, settlement of accounts and payment of death gratuities.

"In view of the lapse of time without information to support a continued presumption of survival, the Department of the Army must terminate such absence by a presumptive finding of death," the Army said.

Memorial services have been scheduled for Sgt. Lorenz for Sunday at 3 p. m. in Bethlehem Lutheran Church, Harris-av and Vide-pl with Rev. Paul R. Milheim, officiating, according to announcement this week. He is survived in addition to his parents by two sisters, Mrs. Ruth Reuice, 1575 Isabelle-av and Karen Lee at home. Lorenz was first reported missing on June 12, 1952.

Sgt. Dennis was graduated from West High School and was drafted in 1942. He served two years during World War II in Germany and re enlisted twice after returning to the United States where he was stationed in Kansas. He went to Korea in July, 1950 and was reported missing on Dec. 2 of that year.

Dennis is survived by his parents, his wife Bernadine and a daughter Nora, 4, both of Kansas City, Kan.

Hoge And Westgate EUB Tie For "Y" Junior Church Loop

By Dick Wilson

After the "smoke" had cleared away from the explosive games in the Hilltop YMCA Junior Church League played at John Burroughs gym last week, the score book showed that Hoge Memorial and Westgate EUB were still tied for the loop lead.

The first game of the evening was really an explosive affair as the Presbyterians exploded in the faces of the Junior Firemen to score 97 points while holding the Firemen to 8 points. John Edwards and Jerry McLinn were the "guns" for the Hoge five as each collected 34 points. They were closely followed by Coon who swished 18. Norris and McPherson were high for the losers with three markers each.

The second game of the evening resulted in the first forfeit of the season as the Hilltop Church of Christ was unable to floor a full team on time to go against the Miller coached Westgate Methodist five. A practice game was held when the Church of Christ team showed, and the Dixon coached five were victorious 30 to 12. Sneidigar was high for the Church of Christ while Ewing and McQueen led the losers who nevertheless won by forfeit.

The third game was a heartbreaker for West Junior Hi-Y as they were knocked-down from a tie for first place by a scrappy and more experienced Burgess EUB team. The game was never in doubt for the Grant coached five from the start as the "Y" team could not collect a point until the second quarter. The Engle coached team got 3 in this quarter to make the score 20-3 at the half. The third and fourth quarters were the same old story as the game ended 31-19. DeWitt was the big-boy for the victors with 9 points while Bill Rector led the losers with 7.

Glenwood Methodist pulled the surprise of the evening as they led the league leading Westgate EUB team 11-8 at half time in the final game of the night. Experience and a height advantage however paid off for the Powell-ay five as they displayed championship form to come back in the second half to edge the "fired-up" cellar dwellers 30-21. Don Ireland led the Westgaters with 12 points while Byerly led the Donaldson coached five with 7.

Thompsons Vow They're Back On Hilltop To Stay

By ZIP

Best place in the world to live is on the Hilltop.

That's the firm conviction expressed by Wilbur E. Thompson, 983 Racine - av, who, after being away for three years, now has his feet firmly planted in the area in which he grew up, having recently been named agent for the State Farm Insurance Companies.

Most folks on the Hilltop will remember Wilbur and his brother, Walter, as a well known pre-war twin brother "team." Walter, an athletic coach, guides the destines of football and basketball teams at the Hawthorne (Fla.) high school.

The Wilbur Thompsons had also made their home in Florida until their return here in October. As a matter of fact, Mrs. Thompson, whose home is in Bainbridge, Ga., met Wilbur at the Marianna (Fla.) Air Force Base during World War II, where she was a civilian employe.

Receiving his discharge from service in October of 1945, the couple returned to the Hilltop and resided here for five years before going to Tallahassee, Fla., in 1950, because of Mrs. Thompson's health. Having fully recovered from her illness, however, both longed to return to the Hilltop and now they've completed the transfer, along with their three children, Richard, 7, a student at John Burroughs school, Steven, 5, and Patricia Ann, 3.

No sir, there's just no place like the Hilltop. And even a transplanted Georgian—Mrs. Thompson—is in hearty agreement with her husband on that score, vowing they are back to stay.

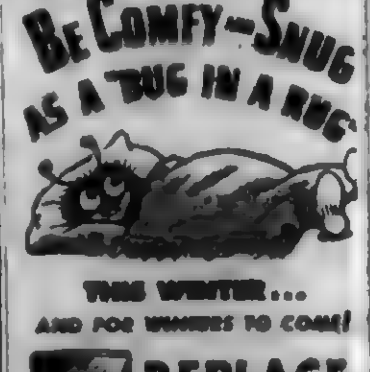
Blazers Top Pups By 45-30

The Glenwood Blazers defeated the Schiller Pups 45-30 in an inter-center cage game Saturday, Jan. 9 at Glenwood Recreation Center.

The Blazers took a 9-6 lead the first quarter and held an 18-11 margin over the Pups at halftime. In the third period the Blazers scored 10 points to the Pups' 11 to hold a 28-22 margin. In the final quarter, the Blazers tallied 17 points while holding the Pups to 8, to win a 45-30 decision over the Pups.

Sonja Forgraves of the Blazers took scoring honors with 24 points while Janet Richeson, also of the Blazers, was second with 16. Doris Grinstead and Shirley Metzger shared scoring honors for the Pups with 12 points each.

Betsch Scores 25 Points To Lead Sockers To Win



Sonnie Betsch scored 25 points to lead the Blue Sockers to a 47-17 victory over the Hilltoppers Wednesday, Jan. 6 at Glenwood Recreation Center.

The Sockers took a 12-3 lead over the Hilltoppers in the first quarter and at half time held a 27-9 margin. In the third period the Sockers scored 14 points to the Hilltoppers' 6, giving them a 41-15 lead and in the final quarter the Socker's 6 points to the Hilltoppers' 2 free throws gave them a 47-17 victory.

Betsch led the scoring with 25 and Kay Glass had 18. Joan Neiderlitz was high scorer for the Hilltoppers with 8 points.

In Passing

By

Esther Weakley

So troubled heart, so stormy soul,
He walks the waves when billows roll.
He watches you, He calms the sea,
However fierce your Galilee.
Old hymn.

TO A FRIEND

The cupboards must be cleaned and scrubbed;
The hardwood floors waxed and rubbed;
The kitchen chairs can't have a shine;
No fingerprints on windowpane.

The days depart on eager wings;
Work can dull a heart that sings.
But a moment with a friend can be
Treasured till eternity.

Mrs. Gilbert F. Thompson, 1472 W. Sixth-av, publicity chairman for the annual cat show, sends in the following publicity; I hope everyone interested in cats will attend this big event. Dorothy (Mrs. Thompson) is entering her own Mari-Sand as a novice, since the cute blonde kitten is only eight months old. When she arrived at the Thompson home, Dorothy sent out clever announcements to her friends, of which I am fortunate enough to be one. But here is Dorothy's publicity:

The Ohio State Persian Club, Inc., will present its 33rd Championship All-Breed Show at the Southern Hotel Ballroom, Saturday and Sunday, Jan. 16 and 17. Hours, 10 a.m. to 9 p.m. There will be, in addition to the All-Breed Show, a specialty show of the Windsor Solid Color Cat Club. More than 220 cats and kittens are entered in the event, including several Burmese kittens.

Judge of the All-Breed Show is Mrs. Frances Kosierowski, and judge of the Specialty Show is Mrs. Horace Reed. Show managers are Mr. and Mrs. Perlie McKnight; show secretary is Mrs. Earl G. Fleming. President of the Persian Club is Mrs. Willis Hostetter; vice-president, Judge William C. Bryant; secretary, Mrs. Earl G. Fleming; treasurer, Mrs. Dwight Seidler. The premium list will include rosettes, ribbons, trophies and cash prizes. The exhibitors' banquet will be held at the Southern Hotel Saturday, Jan. 16, at 7:30 p.m.

Mail — From a cousin who lives on a farm in Licking County: "Better come down while we are eating high on the hog. We butchered last week" . . . From a reader (I have one): "Please use more jokes 'In Passing' and tell me where you find the ones you do use. Some of them are so old they are new again" . . . From the mother of my namesake: "Your namesake has two sons now, four-plus and two-plus. They keep her very busy and at times are wearing to her nerves but she is a very nice mother. She cajoles them into good behavior, paddles if necessary, picks their chests and noses and keeps them as clean as two active boys can be kept, and feeds them well. That is about all boys like that need, except understanding . . . From my favorite shutin: "Now don't get all weepy if your young man takes a dim view of his adoring grandparents, and yawns in your faces. Babies resent untoward familiarity, according to child psychologists. Also, according to them, 'baby-talk' is not good. But I bet they talk baby-talk to their own children and grandchildren, though they probably would never admit it" . . . From a friend: "We women who have to save pennies to buy one dress a year cannot be too sympathetic because the Duchess didn't make the list of the 10 best-dressed women."

• • •

Things I refuse to worry about —Whether the Duchess ever "makes" the list again . . . The high price of shrimps, mink coats and chess sets . . . Things I can't help—I think . . . Whether Frankie and Ava try it again . . . How Zsa Zsa acquired her black eye . . . Whether there is "fear" in cigarette-smoking.

• • •

Wondering — what ever happened to telephone advertising (haven't had a call for three days, but I'm keeping my fingers crossed) . . . What ever happened to moustache cups . . . If brass beds are coming back, can the washstand with its bowl and pitcher be far behind . . . If the Christmas bills will be paid by the time the Easter Bunny hops over the horizon.

Through The Garden Gate

By Members Of Highland Garden Club

[illegible]
By Mrs. E. M. Gildersleeve
182 Letchworth Ave.

Once again, thru our garden gate, another spring and summer have come and gone. Now we can only put the visions of their beauty in our book of beautiful memories. Not even autum with its Indian Summer, and Mother Nature dressed in all her gorgeous colors, can blot out that bit of nostalgia that comes with the realization that soon winter will take over our garden with its beautiful flowers, and all the landscape with its magnificent colorings, for his own use. But Mother Nature has provided us with materials with which we may work and create beauty for indoors while King Winter reigns outside.

The interesting and fascinating art of making dried arrangements. This may sound forbidding, but it really isn't. With just a little delving into the subject, I found Mother Nature has provided many things for us to use, such as rocks, weeds and wood. To begin with, let's talk about a landscape arrangement (it is the simplest, so it is said.)

First, our arrangement should convey to the observer an idea, feeling, mood or story. There are some necessary elements for a design, such as line, form, pattern and texture. The basic forms are sphere, cube, triangle or a combination of these. In this kind of arrangement, an accessory as a focus, in a natural setting is appropriate. But we must keep in mind, an accessory should express repose, never action. The size is important, not too small or too large, and as it is the focus, it must never be used outside the container.

Next, the type of frog used has a great deal to do with the success of our arrangement. Heavy pin types are best. The frog must be anchored securely with clay —not modeling clay. There are several good brands for the purpose. The frog may be covered with sedge grass, colored sand, ground slate, tree moss, or fine colored dirt.

You will need florist's corsage wire for securing small stems. Barbecue plates, trays of either wood, copper or plastic make good containers. If pottery is used, there should be no decoration or conspicuous handles.

Rocks are a very important part of nature, so a well chosen rock is the simplest and most effective way to give weight and balance at the base where it is needed.

Now for the materials to be used in our containers. Moss growing on the trunks of trees, weeds, seeds and grasses. The latter can be dried without too much difficulty. The most important thing is to pick them at the right time. Most weeds should be picked maturity, tied in small bunches, and hung upside down to dry. Here are some of the better known materials for drying —milk-weed pods, Queen Ann's lace, jimson weed, mullein, wild artichoke, dock, cattails, and from our gardens, heather, poppy seed pods, statice, cockscomb, hydrangea, everlasting flowers, dusty miller and Job's tears.

I have seen the proof of what can be done with these things, for making beautiful dried arrangements, and it will surely fill the need until spring and summer come through our garden gates again.

SALE SHOES

When is a bargain not a bargain? Well, I can tell you when shoes are not a bargain. No matter how much the price has been cut, no matter what a wonderful value they are . . . shoes are no bargain if they do not fit. And unfortunately most sale shoes are not fitted very carefully. To begin with sales are held to get rid of undesirable merchandise. In the case of shoes, either the style is out of season or the pattern did not fit or the sizes remaining are so broken that you generally end up with one that is not quite right. And too, sales-people are often hired just for sales and you don't get the same attention you might get with regular shoes.

Take the case of the little boy one of our local foot doctors sent to us last week. It seems that father bought him three pairs of bargain shoes when some store was selling out. None of the three pairs were fitted . . . in fact the child wasn't even along. One pair, the youngster wore until it was worn out, but the second pair was so far off in size that it injured the boy's arch. The third pair went into the trash box and the youngster is now wearing special shoes that cost plenty but which will be cheap if they save his feet.

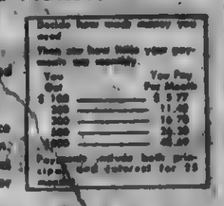
These Eyes —

How Well Do You Know Them?

This is a new feature of The Hilltop Record. We know you'll find it entertaining in testing your own powers of observation and memory in identifying the person to whom these eyes belong.

Susie Johnson

Our readers have been getting pretty good at the guessing of the owners of the eyes which appear in this space each week, but last week we fooled them with a pair of womans' eyes so that there was quite a bit of conjecture just as to whom the eyes belonged.



The tip we gave should however have been a pretty good lead "Hello Broadway" was just enough but had we said, "Brigadoon" every one could have guessed to whom we were referring. Susie Johnson was owner of last week's eyes and is well-known throughout the Hilltop and the theatrical world as the star of that stage presentation.

The owner of this week's eyes is a well known Hilltop personality and known to hundreds, as a matter of fact hundreds of local people see him every day. Our tip for this personality? "The Lions Roar."

Grandview Trips Cowboy Cagers 65-59

By Woody Owen

West High's cagers broke even in the two contests they played last week, thus running their season's record to seven wins, five losses.

Tuesday night a red hot Grandview quintet threw a surprise into the Cowboys' ranks by hanging a 65-59 defeat on them.

The Bobcats led from the outset with Jerry Looker's five field goals in as many attempts spearheading them to a 23-7 first period lead, and they continued in front at halftime by a 34-21 margin.

Early in the third period Coach Heischman removed all of his starting five with the exception of Jim Vincent, but with only two minutes remaining in the period and trailing by a 49-32 count, they suddenly caught fire and whittled the lead to a 52-50 count as the quarter ended. Longmire, Vincent and Nafzger continued to spearhead the comeback and with only three minutes remaining in the final canto they had whittled the score to a 57-54 count only to see Looker and Brown count field goals to pull the Bobcats out of danger.

Jerry Looker of the winners turned in a fine floor game to go along with his 22 points to be the game's outstanding performer, while teammate Bill Brown played a fine rebound game.

Jim Vincent led the Cowboys with 19 points, but the play of the second stringers was also largely instrumental in the fine second half showing, especially the work of Stretch Longmire and Larry Nafzger.

Center Jerry Ruffner's brilliant all around performance sparked the Cowboys to their initial city league win of the campaign last Friday night on the local hard court as they took a surprisingly easy 79-54 victory over Aquinas.

The Terriers jumped into an early short lived 11-2 lead, only to see the Cowboys tie the count at 15 all as the first period ended. Ruffner's fine work off the boards and consistent point making spurted the Cowboys to a 35-26 halftime lead and he continued his brilliant play in the third canto by counting 12 more points as the locals pulled away to a 57-42 margin.

At the three-quarter mark, with subs playing most of the final period, the Cowboys continued to win as they pleased.

Ruffner was the game's top scorer, with 30 points, Vincent also scored 16, while Longmire again turned in a good rebound performance.

Reiser led the Terriers with 22 points.

This Friday night on the local court the Cowboys have high hopes of garnering their second city league win as they clash with Linden McKinley.

Mrs. Pfaltzgraf Submits An Unusual "Spice Cake" Recipe

Mrs. Madeline Pfaltzgraf

A recipe for a spice cake with a surprise ingredient has been submitted this week by Mrs. Madeline Pfaltzgraf of 30 Clarendon-av. The donor tells us that the addition of a pinch of black pepper intensifies the flavor of the spices.

A member of St. Aloysius Parish she has made sewing and cooking her chief hobbies. Both she and her husband, Charles, are associated with F&R Lazarus & Co.

This recipe has been one of her favorites since she first obtained it six years ago. It makes an unusually large cake and Mrs. Pfaltzgraf suggests that caramel or sea foam frosting is the best choice. She also recommends creaming the shortening and sugar by hand for added quality of texture.

Spice Cake

2¼ cups sifted flour
1 teaspoon baking powder
¾ teaspoon baking soda
1 teaspoon salt
½ teaspoon cloves
¾ teaspoon cinnamon
Pinch black pepper
¾ cup shortening
¾ cup brown sugar
1 cup white sugar
1 teaspoon vanilla
2 eggs
1 cup sour milk

Sift and measure flour, sift again with baking powder, soda, salt and spices.

Cream the shortening, add lumpfree brown sugar. Cream until looks like whipping cream. Next add white sugar, a little at a time. Then add vanilla. Continue creaming until mixture is very fluffy and grains of sugar disappear. This is a bit of a chore but it is the trick that makes a wonderful texture.

Add unbeaten eggs, one at a time, beating hard after each addition. From here on, work fast.

Sift about one-third of the flour mixture into batter and stir it in. Do not beat. Add one-half of the sour milk and stir in. Repeat these operations, ending with flour.

Pour batter in greased floured pans. Bake 30-35 minutes in 350 degree oven.

Pirates Grab Early Cage Leadership

The West Side Pirates jumped to an early lead in the Boys' Intermediate League at Glenwood Recreation Center last week with a pair of wins. The Jailhouse Five and the Big Five also won opening games in the first round of the regular season league.

John Boyd led the Jailhouse Five to a 41-23 win over the Bombshells with 12 points. Team mate Floyd Love was close behind with 11 points and Joe Bowman led the Bombshells with 12 points.

Ernie Mawhirter was the night's leading scorer with 22 points as he led the Pirates to a 37-23 win over the Basketteers. Larry Witherup was the leading scorer for the Basketteers with 10 points. The Pirates jumped to an early lead and were never headed, but a Basketteer rally in the last quarter produced 12 points to the Pirates' 8.

The Big Five paced by Art Slate's 12 points, came from behind to defeat a smaller Bulldog team by a close 33-29 margin. The Bulldogs led until late in the 3rd quarter when the height of the Big Five began to pay off.

The Pirates won their second game of the week on Friday with a 40-17 win over the Bombshells who lost their second game. Mark Zulovitz, with 16 points, was high point man for the Pirates and Joe Bowman was high scorer for the Bombshells with 7 points.

The schedule for next week is: Thursday, Jan. 21, 6:00 p. m. Pirates vs. Big Five and 9:00 p. m. Bombshells vs. Basketteers.

Friday, Jan. 22: 6:30 p. m., Big Five vs. Jail House Five.

"What an evening! What an evening!" sighed the host after the last guest had left. "We had a wonderful time, though, didn't we?" His wife agreed.

"And old Senator Pompess," the host continued, laughing, "Boy! He was tighter than a drum."

"How can you say such a thing!" his wife demanded indignantly. "The Senator definitely was not intoxicated. Any man who can slide down the banisters without losing his balance certainly can't be drunk."

Only One Week Remains To Get Dog Licenses

With only a small portion of the county's 41,417 dogs licensed, the Humane Society of the City of Columbus urges dog owners to obtain their dog licenses before the deadline date of Jan. 20. After this date a penalty is added.

If you cannot get to the Court House, Auditor Fred C. Dunn will mail your license on receipt of your application giving a full description of your dog and accompanied by the correct amount for the tag; $2.00 for a male, spayed female or female dog, and $10.00 for a kennel license.

YOUR YOUTH

By Bob Schmidt—Dick Wilson

It will be just three days from today when 80 Hilltop YMCA boys, parents and friends will make a trip to Marion to see the Marion Barons Ice Hockey team play the Milwaukee Chiefs. All reservations are already turned in and transportion will be furnished by the "Y" boys' parents. Watch next week's column for a report on this big event.

Wow! Things sure have been popping around the old "Y" office since Christmas vacation. Bob tells me that around 40 boys have been braving the elements of cold, rain and snow to attend the Monday evening craft classes held at the "Y" right after school. Better than this is the report that around 70 boys and girls have been coming down to the "Y" on Tuesday evenings after school to see free movies.

From just these two events, the rest of the Hilltop youth can see that they are really missing a lot of fun if they don't come with a buddy or girl friend to these events which are held just for you.

On top of these events, the girls have two craft classes. One is held at the "Y" on Fridays and the other is held at 1960 W. Broad-st.

Now, I have the news flash that all of you boys have been waiting for. Bob and I have worked out a schedule, with the Central YMCA, where on the first and third Saturday of every month we can take boys down to the pool for a swim. We will meet at the Hilltop YMCA office at 2 p.m. on Jan. 16, Feb. 6, Feb. 20, Mar. 6, Mar. 20, Apr. 3, Apr. 17, May 1, May 15 and June 5. We then go as a group to the Central "Y" and swim from 3:30 to 4:30.

In closing this week's column, I would like to express my appreciation to Frank Brown, who is doing a bang-up job as club adviser for West Senior Hi-Y. Some of the current events they are planning are a trip to the Untied Nations, winning the "Y" Intermediate Church Basketball League, handling the cost check room for West High basketball games and entering some candidates in the state-wide youth and government [illegible].

Social Security Begins at Home

Our government may lighten the burden of life in years ahead, but much we can do for ourselves, right now, to banish worries we take for granted. For example simply by arranging, now, for the ownership of a family plot, you will have conferred upon those you love the one item of "Social Security" without which no "Peace-of-Mind-Plan" can be complete. Call or visit.

Bad Start

This nail got off to a bad start.

An amateur might have yanked it out as scrap.

But in the hands of a skilled carpenter, this nail will be used again. Perhaps it it did get off to a bad start. But it can and will be straightened out—and next time driven hard and true, to hold fast throughout the life of the wood.

This little nail stands as a symbol for many lives. These lives also get off to a bad start. And unless checked in time, they will someday end up in the courts and newspaper headlines—unless the church has a fair chance to step in and help.

No church can ever force a man to "begin over" before it is too late. No church has that legal power. But every church does have a power that is even stronger than any court or any law. That power is the word of God, and if heeded by those who need it most, it can redeem the most unpromising career, and salvage the most hopeless prospect.

Perhaps, in your own life or in the lives of your friends, you can detect danger signals that stand for a "bad start." If so, do not delay. A God-given remedy for the assistance all men need can be found in your church, which counts the lives of all men and the salvation of all souls as its sacred duty and its sacred trust.

Then they cried unto the Lord in their trouble, and he delivered them out of their distresses.

City water and sewers have also been made available to the development and tentative approach has been made to have city bus line loop service to the area. The apartments will rent from $67 to $86 per month, according to Alvin H. Teaster, resident manager of the apartments. Rental agent for the shopping center area is the Hayden-Edwards Co.

Vernon C. Neal, only 36 years of age with 15 years building experience, heads this vast enterprise which maintains its home offices in Pittsburgh. Neal is on the job daily at the construction site as are W. P. Jones, engineer, vice-president, and H. E. Moody, engineer, vice-president.

Neal only last year for the fourth consecutive time was honored by the National Association of Home Builders for having completed the greatest number of multiple housing units in the span of one year's time.

It was pointed out by the builders that all labor employed on the project comes from local sources with only supervisory personnel being brought in from outside sources.

Hear, Hear!

A charming southern belle named Tandie was being courted by a rather stern young banker. When queried by a friend about the prospects of a matrimonial alliance, Tandie said flatly: "If that stuffed shirt pr poses, I'll give him nothing but a deaf ear."

But less than a week later Tandie was wearing the young banker's diamond. Her friend commented, "I thought you said you'd be deaf to any proposal from him."

"Yes, I did," Tandie admitted, looking at the great, gorgeous diamond in the engagement ring. "But I didn't say I'd be stone deaf."

New Scoring Record Set In "Y" Intermediate League

By Harry Grashel

The hoops at John Burroughs gym took a terrific beating this week as the Hilltop YMCA Intermediate Basketball League completed its fourth set of games. The Glenwood Methodist cagers set a new league scoring mark by hitting the nets for a total of 86 points in their 86 to 38 conquest of West Park Methodist.

Donny Martin, the league's leading scorer, was again high for Glenwood with a total of 31 points. This gives Martin an average of more than 21 points per game. Rick Farrell, the West Park "hotshot", dropped in 25 points to remain in second place in the individual scoring race.

In the only low-scoring game of the evening, West Hi-Y put on a last half rally to defeat the Hilltop Church of Christ team by the score of 29 to 20. Robinson, with 13, and Ronnie Klein, with eight points, led the Hi-Y to victory while Dixon, with six points, was the leading scorer for Church of Christ. This game was marked by brilliant defensive play on both sides.

Hoge Memorial Presbyterian had a very good night by thumping the Hillcrest Baptist five 64 to 23. Dick Witter continued his high scoring ways by tallying 21 points while his teammate, Bob Delph, scored 13 points for Hoge. Coffman and Kuntz, with seven each, were the high point men for the small but game Hillcrest gang.

In the final game of the evening, George Miller's fine Westgate Methodist team scored another convincing victory to remain on Glenwood's heels for first round honors by lacing the Burgess EUB cagers 56 to 34.

Dick Sensenbrenner, with 22 points, and Hutchinson, with 18 markers, were high for Westgate. Bonnie Grant, playing another fine game, was high for Burgess, with 18 points.

Hospital Crest Lists Services

Crest No. 2 of Alum Crest Hospital, upon completion of another year of service to patients of the hospital, has listed some of its achievements for the year.

At Eastertime, cartons of colored eggs and cookies were distributed to the patients and on Father's day, each was given a gift of his choice. A dedication service and presentation of a plaque for the library the Crest had established, was made on Nov. 4.

Members of the group assisted the patients in gift choices from the first floor gift shop and a cart with gift selections was taken to bed patients. Also in December, a wheel chair and a walker was donated to the patients. Treats and filled stockings were distributed to the third floor patients at Christmas.

Butter for Reds?

Two excerpts from a weekend news dispatch datelined Washington, tell a grim tale:

"Washington — Pressures are mounting on the Eisenhower administration to lower some of the cold war barriers so as to permit more trade between the United States and Russia and its satellites.

"Many top officials responsible for international economic policy feel some decisions will have to be made fairly soon. Meanwhile, splits appear to be developing between the interests favoring trade and those wishing to maintain maximum economic pressure on the Communist bloc.

"The issue may come into focus upon an application by Minnesota businessman Dwayne Andreas for permission to export 20,000 tons of butter and 3000 tons of cottonseed to Russia. These are not strategic materials and there is no policy barrier against them except a general policy under which the government reserves the right to bar any exports to Russia contrary to the security interests of the United States."

And:

"If the deal for sale of surplus butter to the Russians goes through, the Soviet government stands to make perhaps 500 per cent profit.

"The Russians will sell the butter through their state retail channels at prices comparable to those charged for Soviet, Argentine and Danish butter now on sale—roughly 30 rubles per kilogram, which is the equivalent of $3.40 per pound.

"Since the butter will presumably have been purchased at the export prices of the Commodity Credit Corp.—40 to 80 cents a pound—the Soviet government stands to make a profit of $2.90 to $3 a pound, minus of course the costs of shipment and distribution.

"Meanwhile the whole thing will have cost American taxpayers from 15-35 cents a pound, since the U. S. government price to American farmers who produce the butter is 65 cents per pound."

Opinions Vary On Women In The Presidency

Last week President Eisenhower made the remark that he felt a woman could handle the job as President of the United States, but added that he thought not many would want the task. This week then our question was: "What do you think of the President's statement regarding women as being fitted for the Presidency of the United States?"

Here are some of the answers gleaned from our readers:

Harold Perkey, 215 S. Algonquin-av: "I don't so why not. They are surely getting smarter every year and have been successful in everything they have undertaken. They should at least be given a chance; they couldn't do any worse than some of the presidents we have had in office."

Mrs. Fred Shafe, 636 S. Terrace-av: "Yes, I agree with President Eisenhower. We are just as smart as the men and I see no reason why we couldn't handle the job of presidency."

Mrs. Reeder, 92 S. Warren-av: "I believe it is still a man's job. I think a man is stronger physically and mentally, and the office should be filled by a man."

Mrs. James LePage, 169 Nashoba-av: "A woman's place is still in the home and not in politics. I'm afraid I don't agree that they could handle the office of presidency."

Mrs. Walker, Hilliards, Cemetery-rd: "I don't think so. It's still a man's job and it would be pretty difficult for women to accomplish so much."

Turn On Your Porch Light Next Thursday

Let the Mothers' March on Polio worker in your neighborhood know that you want to join in the fight against infantile paralysis by giving to March of Dimes. Turn on your porchlight promptly at 7 p. m. next Thursday evening.

At that time, nearly 13,000 women will visit every home in the county where the porch light signals that the family living there wants to help. The dimes and dollars you give that night will help care for the new polio victims we will have in 1954 as well as to continue the treatment of patients from former years.

This year, you can take great pride in knowing that your dimes and dollars will help bring the blessed day of total victory over polio much closer. Through your financial support, the National Foundation for Infantile Paralysis will be able to continue its research into the prevention of polio by field testing the newly-developed polio vaccine. It will also provide all available gamma globulin for the protection of persons who have been exposed to polio.

When the volunteer Mothers' March on Polio worker steps at your home next Thursday night, be as generous as you can. It will take 50% more in '54. Your gift to the March of Dimes will help a child walk again—and surely you can think of no better investment than that.

Remember the time—7 o'clock next Tuesday evening—turn on your porch light for the Mothers' March on Polio.

Hilltop Churches Will Observe YMCA Sunday

The Hilltop Ministerial Association and the Hilltop YMCA will observe YMCA Sunday, Jan. 24. Rev. Carl Smith, president of the Hilltop Ministerial Association, urges each church and its members to become aware of the work and objectives of the local Hilltop YMCA.

Each church member will receive a bulletin telling of the history and work that is being performed by the YMCA. The theme of this year's bulletin is "Partnership With A Purpose."

For more than a century the Young Men's Christian Association has been in active partnership with the Church.

In the Church-"Y" partnership, two great forces for good are giving young people the groundwork for adult lives of service to God and country.

Said Rev. Smith this week "Today we are deeply involved in a 'cold war' with a ruthless, Godless way of life that reaches out greedily to enfold more slaves as each hour passes. Our children of today — leaders tomorrow — will be called upon to make grave decisions that may well affect the lives of all freedom-loving peoples. And never before has the YMCA felt so deeply the challenge of its basic purpose to help youth attain a lasting loyalty to Jesus and His Way of life."

"The YMCA helps today's young people become the right kind of leaders by giving them the principles of Christianity and the tradition of America upon which to base their decisions and actions."

"On this YMCA Sunday the Hilltop Young Men's Christian Association pledges its continued cooperation with His Church in this great "partnership with a purpose."

Joe Bowman's 12 points led the Bombshells to a 27-13 win over the Briggsdale Bulldogs. The Bulldogs were held scoreless in the first period and could never close the gap between them. Again for the second straight game, the Bulldogs were forced to play with a height disadvantage and the Bombshells made good use of their height.

In the week's final game the Basketeers again emerged victorious in a basketball thriller as they outgunned a fighting Jailhouse Five by a 28-17 score. Ronnie Hill and Phil Williams led the Basketeers attack with 9 and 8 points.

The individual scoring leaders are monopolized by the Pirates with 3 of the top scorers. They are Ernie Mawhirter 38, Mark Zulovitz 33, Paul Thompson 26. Joe Bowman of the Bombshells has 31, Art Slate of Big Five 24, and Ronnie Hill of Basketeers 21.

The Pirates lead the team standing with 3-0, Basketeers 2-1, Bulldogs 1-1, Bombshells 1-2, Jailhouse Five 1-2 and Big Five 0-2.

An instructional film was obtained for the last meeting on "Officiating". This film was procured from the Physical Education department of Ohio State University and featured the interpretations of several rules with assistance given by the players from Stanford University.

Other movies will be shown at the next three meetings.

The Lightning Five was awarded a forfeit victory over Canata and the Hilltoppers outlasted the Clowns for a 41-32 victory. Dick Martin paced the Hilltoppers with 12 points and Perry Stavrides bucketed 10 points. Gerald Marvin and Harry Chadwick set the pace for the Clowns attack with 8 points each.

The Little Bucks mauled the Firehouse Five with a 41-20 win. The Firehouse Five could only manage 7 points during the first 3 quarters and scored their first field goal midway in the second quarter. Bill Winnestaffer of the Little Bucks led the assault with 21 points.

Church Of Christ Swamps Junior Firemen In Church Loop

By Dick Wilson

Joe Bowman of Church of Christ exploded in the opening game last week in the Hilltop YMCA Junior Church League for 42 points as the Church of Christ five swamped the Junior Firemen 76 to 13. The game was one sided from the start as the Firemen were unable to stop the red-hot Dixon coached five.

The Firemen only got five points for the first half and eight in the second, but they nevertheless played a high spirited game. McPherson was high scorer for the scrappy losers with five points. Bowman was high for the winning team which had every player break into the scoring column.

Burgess EUB and Hoge Memorial played a hard-fought game in the second session with the Presbyterians coming out on top 24-13. The game was closer than the score indicated as the teams were tied four times before the Hoge five gained a decided edge. Wilkins was high scorer for the victors with seven points closely followed by McLinn with six. DeWitt was high for the losing Grant coached five with five markers.

Glenwood won the third game of the evening by beating Westgate 29-17 in the battle of the Methodists. Both teams played a greatly improved game, but the Glenwood height advantage was too much for the George Miller five to overcome. Hummel was high for the winning Donaldson coached five with eight marks while Westgate was led by David Mack who accumulated nine for his evening's efforts. McQueen played a good floor game for the losers while George Tittle looked good defensively for the winners.

The final game of the evening was a repeat performance of the first game as Westgate EUB beat West Junior Hi-Y by the lop-sided score of 48-14. The West Jr. Hi-Y team was unable to score a field goal until the last quarter when Mike Engle broke the ice by tipping in a rebound. The only other field goal scored by the losers was by Dick Rice who was high point for the losers with a total of four. Every member of the Maier coached team broke into the scoring column. Don Ireland led the victors with 12 points.

Ruffner Leads Cowboy Five To Victory

By Woody Owen

Continuing his brilliant all around play, Cowboy pivot man, Jerry Ruffner, counted 22 points in the final two periods to lead his teammates in a rousing comeback as they easily defeated a rangy but more erratic Linden McKinley quintet by a score of 75-60 to notch up their second consecutive City League win of the campaign last Friday night on the home hardwood.

The first period was dull and the play by both teams very erratic with two fielders each by Bowman and Vincent giving the Cowboys a 14-10 edge as the quarter ended.

The McKinley coach, using the two platoon system as in football, put an entirely new team on the floor as the second period began but the Cowboys spurted to a 24-13 lead with five minutes still remaining.

The visitors suddenly shifted from their zone defense into an all press which temporarily befuddled the locals, as Linden stole several passes, turning them into field goals.

Joe Pollina, led the way with eight points as the Panthers grabbed a 31-30 lead at halftime.

In the third period Ruffner became a scorer from all angles, counting 11 points as the Cowboys raced to a 61-44 lead at the three quarter mark, and in the final period the ace pivot man with aid from Jim Vincent, turned the contest into a rout as he counted 12 more points before fouling out with two minutes remaining.

Ruffner not only counted 28 points but his fine rebound work was also outstanding.

Jim Vincent with 18 points also aided greatly in the victory.

Jim Southall led the Panthers' attack with 14 points.

This Friday night the Cowboys will be out to capture their third City League win as they invade the lair of the Central Pirates.

This contest will pit Cowboy pivot man Ruffner against Jim Carmen, Pirate center, probably the best defensive man in the league at that position, having held high scoring Jim Franklin to a mere 10 points when they tangled.

This individual battle should be interesting to watch.

Ships Of Our Day

"Some ships sail east, and some sail west, by the self same winds that blow. But it's the set of the sail, and not the gale, that determines where they go."

While watching President Eisenhower bring the ship of state into port, on the shores of the Potomac, I began to think about ships in general. It's an interesting subject. How many ships are sailing uncharted seas, without compass or anchor?—or within hailing distance of a safe port. How many ships are flying high, without ballast or drag line, longing in anguish for terra firma?

Transition from war to peace will be no mean accomplishment requiring a quality of resiliance and consistency not to be found in demagoguery. A return from the flight into the wild blue yonder, will place a strain upon the machinery of our ships, both public and private, and will require all the skill and ingenuity of trained and industrious pilots, who know how to sail or fly, but to be equally at ease when at home with both feet on the ground.

The most important ship sailing these troubled waters is salesmanship, the motive power of the world. But one thing to keep in mind, the man at the wheel may be good, bad or indifferent. The art of stimulating someone else to act favorably toward our objective is a Masters Art. The responsibility for the proper use of the particular brand of salesmanship we happen to possess is very great, sometimes quite beyond our capacity to properly evaluate. Salesmanship being the great force in the world that it is, requires a leavening quality without which is loose force and effect. The spiritual force with which mankind is endowed is boundless and eternal, the great arbiter of man's destiny.

PATTERN FOR WINTER
I should resolve myself to salt of sea.
sand under driftwood, leaves that fall last year,
to keep your love, the words that once were dear
I should let fall forever tonelessly.
For it is wisdom to keep faith by going,
tryst by departure, holding by a thread
almost too thin against the winter's blowing
all that was said.
Margaret Janvrin Adams, in The Lyric.

Here is a tribute, written by my favorite shutin: "I first met Joe Dobbins (WCOL) through a mutual friend who introduced me to him and to his charming wife and daughter. That was in 1946. It was love at first meeting on my part. Joe was in a position to do a lot of cheering-up for a lot of people, particularly us shutins; he never forgot any of us. His programs were escapes from 'the cares that infest the day and night.' He was always cheerful and witty. His humor was never malicious or sarcastic and he was full of good will for his fellow men. We will all miss Joe Dobbins. We knew he was in our corner and we loved him. There will never be a replacement. We always knew that Joe did not say kind things to make an impression or because he was being paid to say them. He said them because he was sincere and truly wanted to make his listeners happy—for a while. I seem to remember a poem that somebody wrote a long time ago that went something like this:

'Do not write that I was good—
All men are good; that's no fit epitaph—
Rather, write that I made no claim to being good, but I made people laugh.'"

* * *

From Stolen Laughter page of The London Prison Farmer—A tourist stopped at a gas station in Texas and got to talking with an old native and his son about the drought. "It's certainly been dry but looks like it might rain soon," he remarked. "Shore hope so," drawled the old timer. "Don't care so much about it for m'self as for m'boy here. I've already seen it a-raisin'."

Mail — From Cincinnati: "I'm the only one who has troubles. Sometimes I wonder why I bother to set the alarm. I never hear it and I'm always late for work. I tried one of those wake-up services but the voice was so struppy-sweet I couldn't take it before I'd had my coffee. This morning what happened to me shouldn't happen to anyone. First I was late anyway, then my hang nail caught on my last pair of nylons, then the percolator went bad and blew a fuse, the paper was soaked from lying in a puddle (why can newsboys always hit puddles when they usually can't hit the porch unless there IS a puddle on it?). It was still raining, I missed a bus; I was late so naturally my boss was early. He had been sitting with his finger on my buzzer for ten minutes when I finally arrived at the office, or so he said. If Heaven protects the pore wolkin' goil it somehow skipped me. Of course I'm kidding, but today truly was one of them days when I shoulda stood in bed" . . . From Georgia: "The camellia buds are about ready to burst, and today my red bird came to call" . . . From Columbus: "Think I'll pack my other dress and head for Florida or Georgia or some place where there isn't any snow."

From somewhere — The state of matrimony is the only state that allows a woman to work 18 hours . . . The man who writes the loan company ads is not the man who makes the loans . . . One foot on the brake is worth two in the grave.

AS ELIZABETH BARRETT BROWNING MIGHT SAY IT TO HER ROBERT, TODAY

How do I love you? Let me tell you, ducky.
I warn you it's the kind that never dies—
The sort of love that makes me think I'm lucky
To dance with you till daylight, then to rise
At seven, just to see you eat your toast
And drink your coffee from behind the news!
Enough to murmur "Yes, dear," when you boast,
And hang enraptured while you air your views.

Enough, my love, to let your wandering eye
Approve a stream-lined redhead now and then,
Enough to never let you see me cry,
(My crying's not the sort that charms the men.)
Be warned, my man, your sentence is for life;
You can't escape your ever-loving wife,
Beatrice McIlwee. (Reprinted.)

This is reprinted by request:

The good Lord sends me troubles
And I get to work them out,
But I look around and see
There's trouble all about.
And when I see my troubles,
I just look up and grin
To think of all the troubles
I ain't in.

LETTERS TO THE EDITOR

Editor:

Since the new mayor of the city has seen fit to put his finger on one of the surest spots concerning the city's future growth, wonder if it isn't time to hear what the people in the surrounding territory have to say about Columbus' future expansion.

Much of the territory and the people immediately adjacent to the city on the north and west might be very aptly compared (in their governing habits) to the Indian tribes who used to possess the same areas, and follow the same small disorganized governing methods, until they are as extinct as the Dodo bird.

The Indians, whether from a lack of proper future discernment or from just plain ignorance, followed the same pattern as the people of today are trying to emulate. They never believed that they should, in order to survive, get together with their neighbors and organize for their survival. Even the example of the stronger tribes seemed to mean nothing to them, and they continued to try to get along alone until the very time of their extinction.

So it is with all the different little cliques — and I use the word intentionally — towns, groups, and the many other little organizations that infest the City of Columbus on all sides. All having small questions of their own, fighting among themselves, petty jealousies clouding every main issue, until in almost every case they are working against the very thing that allows them to survive. The imaginary illusion that they may survive individually, even in the face of the facts that they can never hope to be self-sustaining and independent of the City. Under the present trend of high and higher taxes, at the local level, and in the face of all examples of history that they always will be dependent on each other, how long will they be able to continue their vapid imaginings.

The idea of ANNEXATION to the City of Columbus, which feeds the very life blood into them seems to be very repugnant to most of them. They, in the majority, depend on the City for their incomes, their water supply, their sewage, and indirectly, almost everything else they possess. They keep on kidding themselves, year after year, continuing administrative duplications, increasing taxes to support small town expenses, their debts and operating levies requiring more and more each year. Their educational plants never sufficient to handle the ever increasing number of school age children.

ON THE OTHER SIDE, the City sits idly by, twiddling its thumbs, chattering endlessly of high powered planning, slum clearance, progress and still more progress, of the ideally planned future metropolis, wearing itself to a frazzle trying to WINDJAM itself into believing that it really is the berries in its planning for the future.

All the while this endless City Chinamusic is being broadcast about the future beautiful city, the many developments, unplanned except as to the returns in hard cash that they will produce for their owners, and myriads of small towns are steadily encircling the City, catch as catch can projects are springing to life overnight, slowly but surely choking off the future planned development of the metropolitan area.

If it wasn't serious, a real belly laugh would be the result of many of the verbal antics, and the superideal imaginings of many City yappers, while area after area is being allowed to grow into another hodge podge of accumulated planning mistakes, for some future City Planners to yak about and finally eradicate at public expense.

Can an ideally planned metropolis be produced by allowing the City to spread out in the shape of a cross, sprawled to the four winds, while in each corner, virgin residential territory, which any well-planned city must have, is deteriorating into more hodge podge developments, planned for the dough it will produce, with never a thought from the promoters of providing for school, police or fire protection. Yes, they put in streets and water and sewers, because they cannot sell them without, but these charges are paid by the sucker who buys them.

How many years has elapsed since Clinton-twp was disemboweled by the City and left to try and survive with the head on one side of the City and the tail on the other?

How many years has it been since peanut politics and community Osmosis set in on Perry-twp, resulting in bite after bite being taken out of it until nothing remains completely intact, except a little strip around the Rally Button?

How long will the residents of Sharon be able to carry on their own extremely high rate of taxation?

How long would any of these three Townships and the small towns they contain be able to survive without their incomes, their water, their sewers, etc., which are provided by the people of the City of Columbus? — About as long as it takes the people to get out.

When, Oh When are we all going to decide that there is safety, economy, protection, etc., in numbers?

When are we going to decide that ONE set of administrators for all would be more sensible and economical?

When are we going to quit penalizing many of the children with the puny 1917 educational setup?

When is the City going to wake up and take what they should have to provide for the future rational growth? Or stop serving them with necessities until they do wake up?

When are we going to quit playing Indian Tribe and get together with the City for better educational facilities, better administration, safety and Economy? Most of us are willing, how about you?

We hope it is now, and we are glad to hear the new Mayor has thoughts in that direction, and at the same time, hoping that more progressive intestinal fortitude is contained under the belt of Sensenbrenner, than some of his predecessors.

'Small Fry'

By J. Curtis Allen

"Where'd all that snow come from?"

Probably Nina Kay, 16-month-old daughter of Mr. and Mrs. Raymond Fry at 787 S. Roys-av, didn't say just those words because she has not as yet reached that age, but the expression captured by the camera lens aptly mirrors the thought that was in all likelihood expressed by other small fry of the Hilltop.

Through The Garden Gate

MUMS THE WORD
By Mrs. George W. Matsey

Autumn is the season often referred to as the Melancholy Days. It need not be. Walking through the garden looking at the beautiful mums blooming in all their glory proves very cheerful. No other plant blooms more profusely or adds more beauty and color than chrysanthemums.

Planning and planting an apartment house yard is quite different compared to one's own flower garden. Keeping those in mind whose living rooms face the back and side yards we have tried to keep their view as attractive as possible by planting mums that can be seen from all sides.

When most garden flowers are going to rest for the winter mums burst forth in their many shades, adding color and beauty for weeks to come. They multiply so quickly and can be separated so successfully it takes only a short time until you have an abundance. While ours are just the common varieties they are none the less beautiful and attractive in their spots, bringing a bit of hominess for all to enjoy.

Mums are a most versatile flower, their many sizes and gay colors making them adaptable to all types of arrangements, from the dainty miniature made with tiny button mums to the ones made with larger blooms suitable for any occasion.

It required many hours of hard work to condition our clay ground enough to grow even these hardier type flowers. Being amateurs a great deal of our success with mums has been luck. Luck, green thumb or hard work, the pleasure they afford is very gratifying.

Without mums fall would find our yard very drab indeed.

"Maker of trees, flowers and birds we love to steal away to the Temple of the Out-of-doors and Thank Thee." — Robert M. Bartlett.

Freshman: "Yes, that's what I'm afraid of."

These Eyes—

How Well Do You Know Them?

This is a new feature of The Hilltop Record. We know you'll find it entertaining in testing your own powers of observation and memory in identifying the person to whom these eyes belong.

We had two telephone calls last week inquiring about the eyes which appeared in these columns inquiring as to just whom they belong. It seems that a number of our readers are now enjoying this unique feature and many have used the idea extensively for parlor games at home. It seems a good idea too. Just take photos of your friends and mask everything but the eyes then give a prize for the person who can correctly identify the most people. Many cannot even identify themselves by the eyes alone.

John Broden

And last week's eyes? They belong to John Broden, works manager at the local GM Ternstedt plant. Remember we told you he is seen daily by hundreds of folk from this area. The tip, too, should have helped inasmuch as he is very active in the Hilltop Lions Club.

And this week we switched again to a pair of eyes that belong to a very lovely Hilltopper. Many of our readers have seen this woman. The tip is, "The accordion is her forte."

"My pa is a mounted policeman," said little Freddie to his mother's caller.

"Is that better than being a walking policeman?" she asked.

"Course it is," replied Freddie. "If there's any trouble he can get away quicker."

Mrs. Brady Offers Version Of Favorite Dessert "Pecan Pie"

Mrs. Flo Brady of 189 S. Hague-av submitted this week a recipe for her family's favorite dessert, an easy-to-prepare version of festive pecan pie.

Mrs. Flo Brady

She is secretary-treasurer of the Buckeye Chapter of Ohio State Civil Service Employes' Association and secretary to the group's newly-formed affiliate, Ohio State Institution Employes' Association. Both groups are striving to promote better relationships and to create better working conditions for employes of state mental and correctional institutions.

Her husband, Gerald, is a janitor at West High School and the couple has one son, David, a student at West Junior High School. The family attends St. Mary Magdalene Church.

The donor tells us that this recipe was given to her by her mother-in-law shortly after she was married and suggests that it is especially good served with ice cream.

Pecan Pie

2 slightly beaten eggs
1 cup sugar
1 cup light corn syrup
1 teaspoon vanilla extract
¼ teaspoon salt
1 cup pecan meats
1 9-inch unbaked pie shell

Combine eggs, sugar, corn syrup, vanilla and salt.

Sprinkle nut meats in unbaked shell and add filling. Bake in hot oven (450°) 10 minutes, then in moderate oven (325°) 40 minutes, or until mixture doesn't adhere to knife.

Your Youth

By Bob Schmidt—Dick Wilson

With the beating of the tom-toms and the Indian war whoops Saturday morning at the "Y" you would have thought that the Hilltop was an Indian reservation. The Big and Little Indian Guide Braves conducted their first Indian dance instruction period and "Medicine Man" Bob Schmidt will be the instructor for these classes. All Indian Guide Braves will want to attend this Saturday morning at 10 o'clock, at the "Y" office.

Jan. 24 will be observed as Hilltop YMCA Sunday by the Hilltop churches. Through the cooperation of the Hilltop Ministerial Association each member church will distribute a YMCA church bulletin. On the national scale listen to Arthur Godfrey and Gary Moore Show as they will pay tribute to the YMCA. Also, on Thursday, Jan. 28, Groucho Marx on his program, "You Bet Your Life", will recognize the YMCA.

The Hilltop "Y" as local recognition of National YMCA week, will hold its annual dinner meeting Jan. 28, 6:30 p.m., in Glenwood Methodist Church. John Borton of Ohio State football team will be the guest speaker, plus special entertainment by the Hilltop "Y" Clubs.

The winter program is in full swing again with "Y" movies, boys' and girls' craft classes, Gra-Y basketball, Saturday afternoon swims for boys, men's "Y" volleyball, junior and senior basketball, plus many special events throughout the week.

If you would like a preview of the 25th Annual Hilltop Minstrel Show, peep in the "Y" office window Tuesday evening and you will see 18 "beautiful dolls" practicing for the "all men chorus line". We have our doubts if the floor is going to stand up under all that weight, but let the fellows have their fun. Last year this chorus was the highlight of the minstrel and by all indications they won't let down this year.

The big "Y" event of the past week was the Sunday trip to Marion by 100 youth and their parents to enjoy an ice hockey game. The game was wonderful but the greatest thrill of the "Y" staff was seeing the parents enjoying a program with their family." Your Hilltop "Y" during 1954 is striving to sponsor more family events and the "Y" invites all families of the Hilltop to enjoy these events.

Discussion Is Highlight Of FHA Meeting

The feature of the program for the Jan. 18 meeting of the Hilliards Future Homemakers of America Chapter, was a panel discussion on "Cooperation of Teen-agers in the Home." Four girls of the FHA Club and their mothers informally discussed common problems which are relative to family cooperation.

Some of the phases under consideration were the number and type of responsibilities the high school girl should have in her home, the problem of an allowance, and the attitude of mother and daughter toward factors involved in clothing selection.

The members of the panel included Mrs. Kellogg, Judy Kellogg, Mrs. Brown, Janice Brown, Mrs. Siegfried, Carla Siegfried, Mrs. Ray, and Alice Ray, with Suzanne Flickinger serving as moderator.

Preceding the program, Marjorie Smith and Susan Scott, present student teachers were introduced to members of the club and visitors.

Arrangements for this meeting were made by Suzanne Flickinger, chairman. Other members of the committee were Mae Etta Rings and Anna Moore.

Mohawk Five Outscores West

By Woody Gwee

Mohawk Junior High continued undefeated and as the co-leaders in the junior high circuit last Thursday afternoon as they took a hard fought victory over West Junior by a score of 26-23 on the local court.

The Buckaroos had a very cold first half but came back to outscore the co-leaders in the final two periods but could never quite overtake them. It was the locals' fourth consecutive loss.

Buhler and Andrews, with eight points each, stood out for the winners, while Mike Posey again led the Buckaroos' attack with 11 points.

This Thursday afternoon the West junior quintet tangles with Sterling on the local court.

St. Aloysius Church Scene For Oberting-Gossett Rites

Mr. and Mrs. Lawrence H. Gossett, Jr.
(J. Curtis Allen photo)

St. Aloysius Church was the scene of the nuptial mass uniting Miss Mary Ann Oberting and Mr. Lawrence H. Gossett, Jr., in marriage, on Saturday, Rev. William Maloney solemnized the 9 a. m. rites.

Given in marriage by her brother, Mr. Frederick C. Oberting, the bride is the daughter of Mr. and Mrs. Frederick Oberting, 599 Larcomb-av, and the bridegroom's parents are Mr. and Mrs. Lawrence H. Gossett, Sr., 32 N. Ogden-av.

The bridal gown of imported French chantilly lace over white slipper satin was styled with a fitted satin bodice enhanced with lace applique and a yoke of sheer illusion. The long lace sleeves ended in points over the hands and her deep lace skirt extended into a full cathedral train.

A circlet of shirred lace studded with pearls held the double-tiered veil of imported French illusion. Her bouquet was fashioned of white roses centered with a white orchid.

Miss Nancy Bolin served as maid-of-honor and the bridesmaids were Miss Sue Key, Miss Yvonne Brewer and Miss Barbara Barbee.

The attendants were gowned in frocks with strapless bodices, pleated bust lines and tiny bolero jackets with stand-up collars. The waltz-length, full gathered skirts featured a back cascade of scarlet tissue taffeta.

Their half-hats of matching velvet petals were trimmed with crystals and pearls and had attached theatre veils. The honor attendant carried a Colonial bouquet of yellow snow pom-pons with yellow shattered carnations. The bridesmaids carried similar bouquets, fashioned of white snow pom-pons and white shattered carnations.

Mr. Paul J. Navin served as best man and seating the guests were Mr. Joe Gossett, brother of the bridegroom, Mr. Paul Thompson and Mr. Edward Whitehead.

Mrs. Oberting chose, for her daughter's wedding, a frock of tan chantilly lace over taffeta with contrasting jewel-trimmed half-hat in bittersweet shade, and matching accessories. Her corsage was fashioned of white shattered carnations and red rosettes.

The mother of the bridegroom was gowned in French blue iridescent taffeta, a cerise hat embroidered with pearls, and matching accessories. Her corsage was of white shattered carnations and pink rosettes.

Hostesses for the reception held at Mrs. Root's Party Home at 1:30 p.m. were Miss Marilyn Donahue, Miss Shirley Krull, Miss Shirley Price and Miss Audrey Smith.

KNOCK! KNOCK! Who's there? Emerson. Emerson who? 'Em as some mighty nifty shorts they have at Seiller's. Forgive me, but they are cute. Nobelt boxer shorts; white with red tattle tale hearts all over them that send love and kisses to the one you love on Valentine's Day, and every day he wears them. The only danger of giving a pair of these shorts to your true love is, he'll need a very watchful eye, you might catch him doing a Gypsy Rose Lee to show them off. Seriously they do make a man feel young and carefree for a little while.

He can hold that mood by wearing one of the new McGregor shorts that have the promise of spring in their beautiful colors. Your choice of five luscious shades in a linen like weave. Wonderfully tailored, well fitting, wrinkle resistant and thoroughly washable.

Brighten your Valentine's wardrobe this spring with a McGregor shirt and a pair of gay Valentine boxer shorts, he'll start the day with a smile each time he wears them. Adv.

From The

Top O' The Hill

By Betty Doll

A heart-warming demonstration of the "small-town spirit" so typical of the Hilltop was the trek on Sunday, of 101 localites to the ice-hockey game at Cleveland. It was an entirely new experience to many, for most of the group had never seen ice-hockey played. From all reports, everyone had a wonderful time with credit equally divided between the exciting game and the fun of being part of the group.

Friday evening dinner guests of Mr. and Mrs. F. W. Schott, 3288 W. Broad-st, included Mayor and Mrs. Paul White, Mr. and Mrs. William Fisch, Mr. and Mrs. Roy Grossman and Mrs. Florence Grossman, all of Grove City.

As part of the effort to bring the latest ideas in merchandising to the Hilltop, Jack Merriman of Seiller's recently attended the Retail Dry Goods Convention in New York.

Sunny Florida seems to be exerting a great attraction for Hilltoppers these days. Mr. and Mrs. Ralph Trotter, 32 N. Chesapeake, left on Jan. 16 for a three week's visit in Miami. Mr. and Mrs. Edgar Planck of West Side Motors are also in Florida and Vern Piscus and his family have returned after spending the holidays in the sunny state.

L. O. Cuzad, 546 S. Richardson-av has the assistance of his daughter, Mrs. George Taylor, who is his nurse, in recuperating from his recent operation. He is a patient at Mt. Carmel Hospital. Our best wishes and hope for a quick recovery go to R. L. Merrick, 172 S. Burgess-av, of Stevens Realty Co. Confined to Mt. Carmel Hospital, he has recently suffered a heart attack.

Well-known to many Hilltoppers is Clarence Fuhr, window decorator at Seiller's. He would welcome cards from his friends during his stay in Mt. Carmel Hospital.

LESSON OF THE Pines

Tonight, the snow will be falling in America.

It may come with a rush of wild winds that have whistled down from the North to rip at the trees on the timberline. And tonight, some of these trees will fall, wrench out by the roots to crash upon the hills.

. . . Yet the pines will be standing in the morning.

In our own town, snow may blanket roof-tops and streets, and load the boughs of our trees with tons of soft whiteness. Some of the trees will break and buckle under the load.

. . . Yet the pines will be standing in the morning.

Yes—a simple lesson—the lesson of the pines.

They can bear up under a heavy load or the whip of the storm. Why? Because they are pliant and give under stress. And because they do, their boughs are as white banners of triumph in the morning.

Our religion can help us write this lesson into our own lives. It can teach us that misfortune—no matter how severe—or disaster—no matter how heavy—can be weathered and beaten,—if we keep our faith. For with faith comes the courage that enables us to give, and yet not break, under the weight of misfortune.

Through our church, we know that life's storms will pass . . .

Through our church, we too shall know the triumph of the morning.

. . . as the man is, so is his strength.

Clearing The Air

City Hall Affects Everyone

Editor's Note: The following article is reprinted from a recent issue of The Clintonville Booster because it points out in all clarity the manner by which distortions of true facts have given misleading information to the public concerning the current city administration. We reprint Mr. Hollenbeck's article with the hope that it will clarify several situations and reveal to the public, the real truth.

By Rand P. Hollenbeck
Editor of The Booster and
Chairman of the Municipal
Civil Service Commission
Quieter Atmosphere

It has been noted this past week that the novelty of making every utterance of Mayor Sensenbrenner a sensation in the newspapers has quieted down.

This can be attributed to a number of reasons.

In the first place Mr. Sensenbrenner made some statements before election that he was going to do some house-cleaning in City Hall, and that in itself was a sensation.

These he intended to dismiss really reflected much of this calamity type of thinking.

It didn't take long for the mayor to straighten the affair out so that everyone need not worry about the Zoo.

But the incident clearly shows how distorted some reports can get. It shows also that it is easy to distort reports, and some people are [illegible] doing this intentionally.

It might be well for everyone to remember that Mr. Sensenbrenner got a big share of his support from those people who knew him personally, and who have known of his operation with Christian organizations devoted to the welfare of young folks particularly.

It hardly stands to reason that a man of this type is going to cause animals to suffer, or die, because of his orders to clean up a political mess that has long been tolerated, and should be straightened out.

There is no evidence of direct financial dishonesty in such a situation. It probably would cost just about as much to employ the people on one payroll, as on another. Of course some favorites always get a little edge somewhere. But the big factor is that the public officials shouldn't "kid" the public. In the long run it's always better to let everyone know "what the score is" all the time.

If Mayor Sensenbrenner keeps on this track everyone will know what the situation is all the time, and then it will be easier to operate the city.

Have been around the Hall for some years, have become friends of the newspaper men, and probably this friendship cuts some ice in the final writing of a story.

Then, too, public employees have some special right to their positions under certain circumstances.

It seemed to be a combination of these conditions which added spice to the stories out of City Hall during the first week of the new administration.

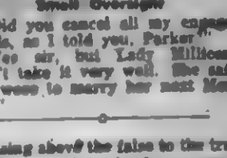
There is another thing, too, that has not worked too well for the new mayor — that is his quick manner of speaking that can be interpreted in several ways.

Some of the interpretations and stories reflected the fact that those who heard the mayor very evidently had one idea and he had another.

Take for instance the employees at the Zoo.

It was discovered in the course of the recent survey of all city jobs that quite a number of employees at the Zoo were being paid off the pay roll of another department.

When the mayor said that the situation should be cleaned up, he meant just that. In fact every person in the city should want this cleaned up. It is foolish to put a large part of the operating cost of the Zoo into the Department of Water, for instance. Surely the payroll of the Zoo should show just what that cost is — and it should not be necessary to dig around in other departments to find out who works at the Zoo.



But a story came out in a newspaper, and the word was passed around the town that something terrible might happen to the animals at the Zoo.

This obviously would cause anyone to stop and think. Almost everyone is interested in the Zoo and wants it continued, expanded and well cared for. Further, nearly everyone loves animals and no one wants them to starve, or become sick and die. Some of the stories

HOW SHOES BEGAN

How did shoes start? Well, here's a whimsical tale that might have an inkling of truth. Long ago, it seems that there was a king with very tender tootsies . . . so tender in fact that he could hardly bear to set foot out of his castle. When he had to go abroad, he had slaves unroll a carpet before him to walk on. But one day he stumbled, stepped off the rug and cut his foot on a stone. In a towering rage, he summoned all the leather makers in the kingdom and informed them that he wanted a leather carpet large enough to cover the entire domain, that it must be ready in three days or their heads would be forfeit.

Naturally the poor leather makers knew that there wasn't enough leather in the world to even start such a carpet so they began to prepare for the end. One poor apron maker sat in his shop twisting a piece of soft leather between his nervous fingers, when suddenly he had an idea. Taking two pieces of leather and a couple of leather thongs he went to the king, made crude bags of leather which he tied about the royal feet with the thongs. Then he said, "from now on, your Majesty, the world will truly be carpeted with leather." And so shoes began as a protection for tender feet. We'd be better off today, if more people bought shoes for protection instead of for style.

DESPITE SNOW AND BLUSTERY WEATHER these Skidmore Lions Club members turned out last week to formally dedicate the erection of a new traffic light on N. Hague-av near the Skidmore School. The traffic signal was purchased by the Lions Club as a measure to protect the 450 elementary school children from speeding motorists who are said to continually ignore the school caution lights between Valley View-dr and Trabue-rd.

The project was initiated after the school safety patrol had to be disbanded due to near mishaps in which the school boy patrolmen were endangered by speeders. Present at the dedication were, left to right, E. A. LeCapitain, secretary of the Skidmore Lions; Lawrence Judson, past president and Jim Auborn and Robert Hawthorne, members. (Hilltop Record Photo)

Columbus Needs A Finance Director

A much needed position needs to be created in the city hall.

Columbus needs a budget or finance director.

At some time in the past such a post was created and for some unknown reason was abolished shortly before the advent of the new mayor.

A look at why such a position had not previously been filled would perhaps turn out to be some such reason as why a secretary in the previous mayor's office was listed as a laborer in the water works.

The people of the city and city council have a right to be better informed on the financial condition of the city at all times. This should be the primary function of a budget director who would have the job of checking on the budget requirements of various departments in advance of the making of the budget and then providing a follow up report on the progress of the spending of such allocated monies.

It will be a good move toward a more business-like administration if the mayor will ask for a finance director and council will create the position.

West Franklin Association Inc. Urges Revisions Of Zoning Classifications

NEWLY ELECTED OFFICERS OF WEST FRANKLIN ASSOCIATIONS INC. pictured above following their being named as new officers last Friday night are, left to right, Jack Alkire, vice-president; D. J. Kunz, president; Mary Demorest, treasurer, and Ed LeCaptain, secretary.

Election of new officers for the forthcoming year, consideration of eight applications for the rezoning of several tracts of land in Franklin and Prairie-twps, and lively arguments concerning the current zoning classifications marked the third annual meeting of the West Franklin Association last Friday night.

Action was deferred by the group on the applications for rezoning of a tract of land owned by Jean Ferguson, 92 Hawkes-av on Valleyview-dr to a heavy industry classification and that of the New York Central Railroad on a tract on Sullivant-av to the same classification.

The association took this action after a lively debate in which it was pointed out that the current zoning classifications on heavy industry are too broad and offered little or no opportunity to govern types of industry that could be established under them. The two cases were set aside on the premise that a clarification would be necessary on the type and kind of business which would be established on the tracts.

In the other rezoning applications brought before the association two were given approval of the group while four others received no recommendation to the Rural Zoning Commission which met Monday evening.

The two cases given approval were those of Forest A. Brush, 6493 W. Broad-st, in asking for rezoning at that address in Alton so that it be altered from a residential to a general commercial district. The other was Case No. 280, an application by the People's Development Co. for a change in zoning in Lincoln Village so that property lines could be clarified.

No approval or recommendation to the Rural Zoning Board was given the application of Wilshire Homes, Inc., for a change of zoning on a tract of land located in Franklin-twp immediately south of the corporation limits from a residential to an AR 7-16 (Apartment) classification on the grounds that lot sizes did not measure up to the minimum established earlier by, the association of 75 feet for twin singles.

Inasmuch as no explantaion was offered the group concerning the application William H. Davis, 1312 E. Broad-st, for the change of zoning on a tract of land on the north side of Frank-rd opposite Children's Home from an agricultural zoning to that for apartments, recommendation was denied until more details concernin the application were presented.

The case of Roy A. Oldham, 1384 Stimmel-rd for a change of zoning at the corner of Little-av and Brown-rd to a light manufacturing classification was also turned down after objections were voiced by groups in the immediate vicinity of the location.

Cecil F. Neff's application for a change of zoning on Harrisburg-pk and Geneva-av was also refused the blessing of the association after objections were voiced against his proposal to build a motel at the site.

In other business before the organization D. J. Kunz, current mayor of New Rome, was re-elected president for another term. Elected to vice-president was Jack Alkire, immediate past president of the Hilltop Business Association while Mary Demorest was selected as treasurer of the organization and Ed. LeCaptain, principal of Skidmore School and member of the Skidmore Lions Club, was elected as secretary.

Franklin County Rural Zoning Commission in session Tuesday night took the following action on zoning cases which were heard by the West Franklin Association last Friday.

Case 276, Cecil Neff application was denied.

Case 277. New York Central Railway—Granted for heavy industry all but approximately 1500 feet north of Sullivant-av.

Case 278. Forest Brush application, granted.

Case 279. William H. Davis application, granted.

Case 280. Peoples Development application, granted.

Case 281. Jean Ferguson, application granted with specific provision on type of business to be allowed.

Case 283. Joseph M. Briggs, Sr., Wilshire Homes Inc., granted.

Case 285. Ray A. Oldham; application denied with recommendation that use permit be issued.

Two Catholic Parishes To Be In This Area

Bishop Michael J. Ready announced Tuesday plans for opening five new Catholic parishes in the Columbus area and the construction of three new schools.

Two of the new churches and parishes will be in this area and include St. Agnes parish, to be located on a nine-acre tract at W. Mound-st and Wheatland-av; Our Lady of Perpetual Help, the first Catholic parish in Grove City, to be located on a 23-acre site on Route 3 near the northern limit of Grove City.

In a meeting at the Chancery Bishop Ready praised work of the Catholic organizations during the year in supporting diocesan development.

Hilliards Group Elects Officers

Election of new officers for the forthcoming year was the main order of business this past week for the membership of the Hilliards Business Association with Leo Shade being elected to leadership of the organization for the next year.

Others elected were George Holliday as vice-president; George Tillman as secretary and William Carl as treasurer.

Another order of business was the formation and appointment of a committee to investigate the possibility of plans and blue prints and other details on the proposed new Community House. Appointed to the committee with orders to report at the next meeting on Feb. 19 were Leo Shade, Clarence Wilcox and Lawrence Kaiser.

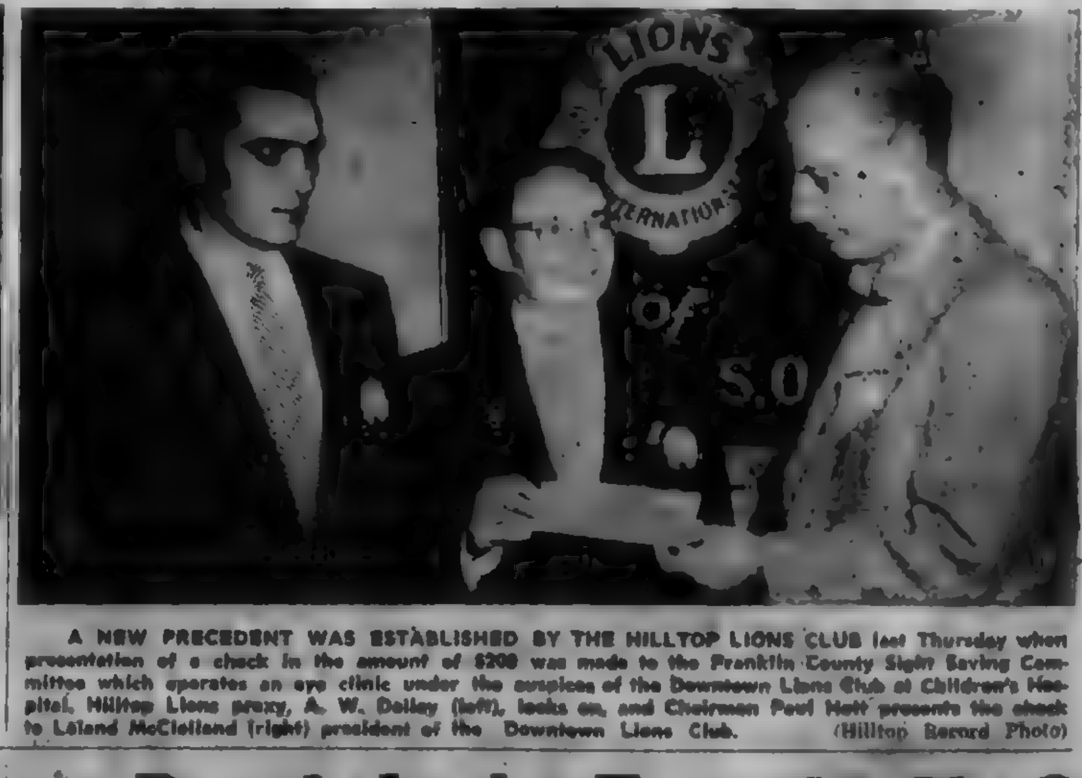
U. C. Felty, director of the department of highway safety, will address the Hilltop Kiwanis Club at its regular noonday luncheon meeting at Schmeiser's Restaurant, today.

This week has been designated as Law Observance Week by the club, and is under the sponsorship of the public and business affairs committee with Jim Cooper as chairman.

Lloyd Named By Rodenfels

Richard R. Rodenfels, president of The Rodenfels Chevrolet Co., 555 W. Broad-st, announced this past week the appointment of Howard C. Lloyd, 126 N. Eureka-av as general sales manager of the company.

Lloyd has been associated with Rodenfels for 34 years as a salesman. He served also as used car sales manager of the concern.



Three new salesmen have been added to the firm's staff, Lloyd said. They are Donald Best, 788 S. Hague-av; William Way, 153 W. Tulane-rd, who will handle new car sales, and David W. Nance, 2349 Briggs-rd, used car salesman.

AWARD OF MUSIC SCHOLARSHIPS AT WEST HIGH SCHOOL by the Hilltop Kiwanis Club was made last Friday. First prize was a $75 scholarship and $50 scholarship to second place. Looking on during the presentation above are left to right, Principal Irvin Young; Nancy Wilson, second prize winner; W. Haydn Jones of Kiwanis; James Cobb, first prize winner and Mrs. Edith White, West music teacher. (Hilltop Record Photo)

DAMAGE WROUGHT BY VANDALS is pictured above at the home of Charles Althen, 212 S. Roys-av, where Thursday evening some one broke down the two trees in the front yard of the Althen home. This was the second time trees planted in his yard have been destroyed, according to Althen who is offering a reward for information concerning the perpetrators of the damage. Acts of vandalism were also reported on Powhatan, Algonquin and Sylvan-avs where house number signs have been removed and destroyed. Police are investigating the incidents. (Hilltop Record Photo)

A NEW PRECEDENT WAS ESTABLISHED BY THE HILLTOP LIONS CLUB last Thursday when presentation of a check in the amount of $200 was made to the Franklin County Sight Saving Committee which operates an eye clinic under the auspices of the Downtown Lions Club at Children's Hospital. Hilltop Lions proxy, A. W. Dailey (left), looks on, and Chairman Paul Hott presents the check to Leland McClelland (right) president of the Downtown Lions Club. (Hilltop Record Photo)

Join The Winning Team

It's always more fun to be on the winning team . . . and that's where you'll be if you contribute to the Mothers' March on Polio next Thursday, Jan. 28, from 7 to 8 p. m.

At that time, one of your neighbors will call at your home on behalf of the March of Dimes. She knows she's helping her neighbors — and perhaps even her own children — by helping the Franklin County Chapter of the National Foundation for Infantile Paralysis meet its obligations to the county's polio victims.

In 1953, we had the worst polio year in the history of Franklin County. There were 162 cases with seven deaths. As a result of the high cost of polio patient care, the Franklin County Chapter's treasury has been depleted.

In addition to care of local infantile paralysis victims, the March of Dimes plans to spend $26,500,000 for Polio Prevention Program in 1954. This includes the field trials of the new polio vaccine as well as the supplying of all available gamma globulin for temporary protection against polio.

By contributing generously to the Mothers' March on Polio, you can assure yourself and your family of care should polio strike your home. No home is immune from the threat of polio and no home should pass up an opportunity to join the fight against infantile paralysis by giving voluntarily to the March of Dimes, so turn on your porch light, Thursday, Jan. 28.

LOCAL STORY

There was a man who counted everything—
Stocks, bonds, houses, money,
And the number of children playing
As a basis for complaining.
He objected to the profligacy
Of nature, God, man,
For efficiency was his only plan.
Then a woman touched his hand,
As a woman will, and he lost
A day of counting and a night of sleeping.
She touched him again and stroked his hair,
As a woman will, and he lost
Two days of counting.
Then she came no more.
And he could count no more.

Far be it from me to attempt to write an editorial, or even a letter to the editor but I've heard a lot recently about the mind of the average adult American being that of a 12-year-old. I've been a bit annoyed and decided that we a. a. As. were being maligned. After listening to a 12-year-old who had the time and patience to give me half an hour last night, I'd be pleased as could be if anyone told me I have the mentality of a 12-year-old! This child is not a child prodigy; he is a plain, ordinary average 12-year-old. If you have not taken time to talk with—or listen to—a 12-year-old lately, you are in for a surprise. But for once, you listen and let him do the talking. The 12-year-old I listened to is able to speak intelligently (so far as I know, he spoke intelligently!) on any subject, from A-bombs to religion; from Thurber to Keats. He knows current events, history, politics, music, art, and he isn't quoting either. He has his own opinions and has reasoned everything out in his alert and very broad mind. I was amazed and ashamed, and I'd like to have the mentality of a 12-year-old. ANY 12-year-old.

Here is a po-em written by Hazel Roberts (Yost Florist) and finished (finished is so right) by me:

Spring has sprung
Flowers has rix.
Wonder where that
Snow-shovel is.

If that doesn't set poetry back ten years maybe this one will. It is reprinted from Seydell Quarterly, published in Belgium:

Spring is sprung,
The boid is on the wing;
Ain't that absoid?
I thought the wing was on the boid.

PERENNIALS

Perennial flowers are the hardy, permanent ones that live for years. Plants grow to the flowering stage each year and in the fall and winter they die down to the roots which remain alive but dormant until the following spring. Most perennials require just a fairly rich well drained soil.

You can start these plants from seed sown in a hot bed or purchase two-year-old plants from your favorite nurseryman. There is a wide selection to choose — from the rock garden variety to the larger plants with their stately stems reach a height from two to six feet. These plants are very good for flower arrangements and suitable for foundation and border planting.

Some of the well known rock garden varieties are the dwarf iris and the primrose, both three to four inches in height and very first to bloom in the spring. There's the Arabis or rock-cress in white and pink varieties and the alyssum in gold, white and purple coloring. Next in height, averaging eight to 12 inches are the English purple violet and our own blue and white woods violet which should be in every garden. For shady places there is the for-get-me-not, clear blue in color, foliage is dark green and ideal for edging or border. Also the Iberis or candytuft—each spring this plant is dense with white snowflake shaped blooms and the foliage remains green through summer and winter. Another spring plant which is a favorite in all gardens is the aquilegia or columbine which has a beauty all of its own because of the lovely pastel shading of color and the spur form at the base of each bloom. The humming birds like these flowers because they can get their long beaks in these spurs and drink the nectar.

There are many perennial plants which will bloom throughout the summer and make excellent cuttings for flower arrangements. These are the gaillardia, single and double varieties with large blooms of rich coppery yellow. The white Shasta daisy, — the coreopsis, single or double blooms of deep golden yellow—the calendulas with beautiful shades of yellow and orange—the larkspur spike like flowers of many beautiful shades of pink, blue, white blooms in summer and heat-resistant—then there is the blue veronica, good for background planting with its masses of indigo blue spike like flowers, and the hardy phlox with twelve varieties of beautiful colors, easy to grow and blooms in early summer until fall.

The stronger root and heavier stock plants will bloom in late fall and reach a height of four to six feet. Among this variety is the hardy aster and rather a new plant on the market. Its rich color in pink or blue, its good growing habits and free blooming qualities have made it very popular among perennials.

The hardy Lythrum is also a tall growing perennial that will provide a lot of bright color for your foundation or border beds during July and August.

Last but not least there are a number of plants that I like to put into a class of their own. They are the flowers found in the "old fashioned gardens" and still very popular today. They are the garden pinks with their delightful spicy fragrance — heliotrope with rose-colored blooms. There's the sweet Williams—no garden is complete without them and their mixture of color and charm.

Grandmother's garden was never complete without the sweet scented lavender—when dried she placed the stocks in her cupboards to perfume her linens. There were also the dainty face pansy and the bleeding heart with its red heart-shaped flowers swinging on long arching stems.

There are many more perennials too numerous to mention here, but the ones I have named are among the most popular today.

'Small Fry'

By J. Curtis Allen

"I don't report for spring training 'til I get a better contract."

Sports news stories appearing daily are recounting the many holdouts as baseball again begins its annual comeback into the eye of the public and Harry Jr., the seven-month-old son of Mr. and Mrs. Harry Conrad, 1443 Thomas-av, seems to have caught the fever. Only trouble, though, is that he is a bit too young to actually think of inking a contract.

Those Eyes —

How Well Do You Know Them?

This is a new feature of The Hilltop Record. We know you'll find it entertaining in testing your own powers of observation and memory in identifying the person to whom these eyes belong.

If the eyes pictured in last weeks edition of the Hilltop Record had you fooled, you were not alone in that category for they had numerous others of the Hilltop who are well acquainted with the owner of the eyes who did not even guess correctly.

We thought that we had probably made the tip too easy when we said that "The Accordion is her forte" because so many people know that Mitzi Joyce is a real artist with the "squeeze box" and a versatile entertainer as well.

Again this week we switched back to the eyes of a man who is well known throughout the Hilltop area. He is a business man of many years standing on the Hilltop and is an ardent admirer of "The Rose" which is incidently, the tip for identifying the owner of these particular pair of eyes.

LETTERS TO THE EDITOR

Dear editor:

Jan. 20 just before noon, we heard rifle shooting close by and finally looked out to see what was happening. A Hilltop business man and wife were in their backyard shooting squirrels on the roof of their house in a very thickly built up residential section of the city. He picked up a dead squirrel (which are pets of the neighborhood) and carried it to backyard.

The police were called and came but they were told "The squirrels run over their roof and ruined the roof. Got on the wires (phone) in the alley and annoyed them."

Why are they allowed to shoot a squirrel in city limits and get by with it. The police are very gullible when they want to be.

Central Pirates In Breeze Win Over Cowboy Cagers

By Woody Owen

Central High's cage squad put on their best all around performance of the season last Friday night on the Riverside court as they buried the Cowboys to a 70-50 victory over West.

The Pirates led by a 18-6 margin after three minutes had elapsed in the opening canto and held a 17-11 edge as the period concluded.

The West five continued to hit the nets consistently with Harris accounting for eight markers and sub forward Bill Smith five as they extended their lead to a comfortable 32-19 score at halftime.

The Cowboys displayed a little more offense in the third period with only Jerry Ruffner of the starting five remaining in the lineup, but the Pirates were not to be denied as McCampbell hit the nets for eight more points to spark them to a 51-33 lead at the quarter mark.

In the final period both teams, mostly substitutes, traded point for point as the Pirates breezed in with sub guard Gene Jordon accounting for eight of the markers.

Don Harris and Charley McCampbell, with 23 and 17 points respectively, along with two subs, Bill Smith and Gene Jordon, who tallied 11 and 9 points in their short appearances stood out offensively for the Pirates.

Dave Randall and Jerry Ruffner scored 10 points each for the Cowboys.

This Friday night the Cowboys tangle with the South High Bulldogs on the South Side court. Although the Bulldogs are currently in the runner-up spot in the City League with a 5-1 record and rate a heavy pre-game favorite, a bitter battle can be expected.

Glenwood Methodist Sure Of Tie

By Harry Grashel

Glenwood Methodist assured itself of at least a tie for the first round championship in the Hilltop YMCA intermediate basketball league by defeating the Hoge Memorial Presbyterian five, 51 to 38 in the feature game at John Burroughs gym Monday evening.

Although Glenwood led throughout the contest, Hoge managed to come within five points in the last period only to have Glenwood put on a rally of its own to win going away.

The entire Glenwood team sparkled on defense, especially the backcourt trio of Glenwood's zone defense, Brownlee, Bedick and Stavrides. Don Martin, the league's leading scorer, led the Glenwood team with 25 points followed by Bob Steiff with 10 counters. Dick Witter was the mainstay of the Hoge team scoring 19 points and playing a fine rebounding game.

Westgate Methodist's up and coming squad won in easy fashion over West Park Methodist by the score of 59 to 28. Dana Deshler with 15 points, Joe Hutchinson with 14 and Dick Sensenbrenner with 12 were the leading pointmakers for the Westgate squad while Rick Farrell and Dave Guyton with 14 and 10 points respectively starred for West Park. In this game, Westgate put on a spectacular exhibition of passing and teamwork.

Hilltop Church of Christ buried Hillcrest Baptist under an avalanche of baskets to win 54 to 16. Hilltop displayed a well-balanced scoring attack with Dawson scoring 11 points, Dixon 10, Davis 8 and Clark 8 to lead the scoring. Fred Lanch tallied eight points to lead the luckless Hillcrest five.

Due to illness, West Senior Hi-Y was unable to field a complete team and lost by forfeit to Burgess EUB.

Next Monday the first round of play ends with the following schedule: 6:30—Burgess EUB vs. Glenwood Methodist; 7:20—West Sr. Hi-Y vs. West Park Methodist; 8:10—Hoge Memorial Presbyterian vs. Hilltop Church of Christ, and 9—Westgate Methodist vs. Hillcrest Baptist.

'Y' Junior Church Loop In Two-Way Tie

By Dick Wilson

Hoge Memorial and Westgate EUB remained tied for the lead position in the Hilltop YMCA Junior Church League after the games played at John Burroughs gym last Wednesday night.

Louie Proper's Presbyterians remained in the running for league honors by swamping West Junior Hi-Y to the tune of 54-12. This game was never in doubt from the opening whistle as Hoge jumped into a ten point lead before David "Bevo" Francis dumped in a bunny for the "Y" five. John Edwards led the high scoring Hoge team with 21 points. The Engle coached team was led by Bill Ingle and Francis with four points apiece.

The Westgate EUB five kept pace with Hoge as they downed a scrappy but inexperienced Westgate Methodist five 44-11. This game also was never in doubt as the EUB coach played his second string for at least half the game. Mike Ranney was the "big gun" for the victors as he pumped in 14 points and had a very good percentage on his shots tried. Mack and Ewing tied for the loser's scoring honors with five points apiece.

Howard Dellinger's Burgess EUB played an improved brand of ball to beat Alva Dixon's Church of Christ 46-19. The losers, who are an "up and down club," were without the services of Bill Snediar, their ace center, who has been promoted to the West Junior High team. The winners were led in the scoring column by Steece who collected 21 points. The losers were led by Joe Bowman who swished 11 points. Ted Walker played a good floor game for Burgess while Dave Bunner handled himself nicely on the floor for the losing five.

Glenwood Methodist walked into their victory for the evening as Miller's Junior Firemen were unable to field a team because of a team flu epidemic.

LET'S NOT LOSE FAITH IN THE FUTURE!

JUST BE SURE YOU *Measure Your* DOLLAR'S BUYING POWER!

Let's be honest with ourselves . . .

Some of us are being just a little pessimistic today . . . some of us say that "business is slighlty off . . . maybe we should be a little more cautious . . . maybe we should tighten up a bit."

True enough we are returning to a peace time economy . . . but isn't that what we have waited for and prayed for all these years? Do we want to go on forever with the burden of wars and the horrors that attend them facing us for a lifetime ahead?

And too , . . what is all this inflated economy we have had during past years? Are we really ahead? Hasn't the increased money you have been used to, paid for higher living costs everywhere you turn? Aren't you satisfied to have the feeling that perhaps we have reached a place where things are going to stop their spiral upward? Isn't a leveling off long overdue?

Now then let's be sensible . . .

Let's face the future with a determination to do just that thing . . . level off but not down. Let's get back to something that can again be called normal. Not in the sense that we go backward to "the good old days" . . . but normal in the sense that at least we can have more of a feeling of certainty that tomorrow won't find things still higher than today.

How do we do it? Just this . . . go about our business as usual . . . buy the things we need, do the things we want to do, invest the way we want to invest . . . but within our ability to do so . . . and all the time taking a careful measure of our dollar's buying power.

That's where your local individually owned business firm comes in . . . He has been the backbone of your community and its growth through the years past . . . He is just as important in your future . . . So be honest with yourself and loyal to the business firms that have helped build this fine community . . . Try First To Buy It On The Hilltop!

First Lady Of Columbus Shares Family's Favorite, 'Jam Cake'

One of the pastry favorites of Columbus' new mayor, Jack Sensenbrenner, was revealed this week by his wife, Mildred. The addition of jams adds to the festive appearance of this colorful dessert. The family resides at 335 Guernsey-av. Their older son, Ed, is enrolled in the college of commerce at OSU, and he and his wife, Lois, operate Sensenbrenner's Office Supplies, 2467 W. Broad-st. Dick, a student at West High School, will graduate this June.

Mrs. Sensenbrenner has shared her husband's sincere interest in

Mrs. Mildred Sensenbrenner

the problems and welfare of young people and has devoted a large part of her time and effort in their behalf. She organized the junior church department at Hope Memorial Presbyterian Church 15 years ago and has, through the years, shown continuing interest in the young people's program.

She is also actively interested in the Kiwanikwe, Hesperian Club, Columbus Little Symphony and the YMCA-affiliated sorority Arcadale.

Her recipe contribution of a favorite family dessert is for delicious and unusual "Jam Cake."

Jam Cake

2 cups sugar
1 cup butter
1½ cups blackberry jam
3½ cups flour—sifted
5 eggs
6 tablespoons sour cream
2 teaspoons soda
1 teaspoon nutmeg
1 teaspoon cinnamon

Cream together sugar and butter. Beat yolks of eggs; add to mixture. Add jam. Add cream with soda mixed in. Add nutmeg and cinnamon. Add flour, beat well. Fold in whites of eggs. Bake at 375 degrees 25 minutes.

Frost with caramel frosting.

'Pop' Schumann Observes His 88th Birthday

Carl "Pop" Schumann

Carl Schumann, 38 S. Ogden-av, will celebrate his 88th birthday on Thursday, Jan. 26. He has lived for a period of fifty years at this same residence, having been among the first five or six families to reside on Ogden-av.

Schumann is in good spirit and the best of health and still enjoys life very much. He is the father of six children, five of whom are still residents of the Hilltop, and one daughter residing in Florida, his wife having passed away 11 years ago.

He does not contribute his long span of life to any one cause.

Many are the friends who greet him on the street, as he is known to all as "Pop" Schumann.

Home Demonstration Council To Meet At Rome Feb. 2

By Mrs. James W. Whalen

ROME — "He Died Without a Will," and "Farmers' Liability," are two subjects to be discussed at a general meeting next Tuesday, Feb. 2, at 8 p. m. in the Prairie Township School, 117 Norton-rd, New Rome.

This meeting is being sponsored by the Home Demonstration Council of the Agricultural Extension Service in cooperation with the Columbus Bar Association.

Two attorneys will present some information on these two topics and then conduct a question and answer session.

Driving and its responsibilities, and individuals and their property rights, are subjects about which discussions will center.

The "Welcome Wagon" is getting ready to roll in our community. Mrs. Elsa Brickels of 74 N. Westmoor-av, is the representative who will make goodwill calls when there is a special occasion, i.e. new baby, engaged girl, newcomers to New Rome, etc. In her basket laden with gifts from local merchants will also be valuable civic material issued by the U.S Government, state of Ohio, and the city of Columbus, Red Cross and many humanitarian organizations which will be of interest and help to all.

FEBRUARY! or it will be in a few days. If I had my way we would do away with February all together. It's the most dismal month of the year. Maybe the Romans felt that way about it, too. Maybe that's why they made it a short month.

If you are a working girl, you're bored to death with all your winter clothes. Everything needs pepping up. A new blouse or sweater, or even a bright colored scarf or belt will do wonders for your morale. If you are at home all day, you're bored with your house. Try a new lamp for your living room, or some new curtains, a pretty bedspread or some new slipcover material would give you a whole fresh, new interest in your routine humdrum duties. Keeping your spirits up is very important to the happiness of your family. Dad's and the children's disposition reflect your own.

Go to Seiller's and look around. You'll find just what you need to give you a lift. They have wonderful merchandise and the slipcover and drapery material is on sale now! —Adv.

Your Shoetrician in SEILLER'S Says

SIZE RECORDS

Shoes come in so many sizes and widths, even children's shoes, that it is almost impossible to guess at anyone's size. That's why our shoe size record cards come in so handy. Just for instance, take the jovial gentleman who wandered back to our children's shoe department day before yesterday. It seems that his little grand-daughter was to be six years old in a couple of days and her heart's desire was a pair of shiny patent leather shoes. Grandfather thought she might wear a nine or ten shoe but he wasn't sure. He didn't know if we had ever fitted her but on the chance that we might have, he gave us her name. Sure enough we had a record card on which we had entered shoes we fitted on her last September.

Knowing her length and width, the type of shoe she had and the length of time she had it, we were able to furnish patent leather shoes that her very pleased grandfather called up and told us were exactly right. Our fitting records of Hilltop youngsters now number in the thousands, but the time and effort required to keep them up is more than justified when we can help out in emergencies or can furnish shiny shoes for little girls' birthday presents.

A Sermonette

Repent

Rev. Philip A. Harley

A call issuing forth from the wilderness—"repent, for the kingdom of heaven is at hand" . . . "prepare the way of the Lord, make His paths straight." Ringing words, challenging thought. And hope springing alive in leaden hearts. Can there be, dare we hope —the kingdom is coming? What must we do to be saved?

Here is a message to and for a dying world. These are strange words, from a strange man to a strange people. A people who, upon hearing the good news of God's grace and mercy, rejected it because of the manner of its revelation—Jesus Christ.

"My kingdom is not of this world . . ."

"I am the good shepherd . . . the shepherd must lay down his life for his sheep."

And so the call continues to issue forth, "repent ye, for the kingdom of heaven is at hand." The ringing challenge of these words still arrests men in their way, compelling them to listen, believe. In the course of history, men have built all sorts of roads. But the one road supremely needing to be built is the way of the Lord, a highway along which His holiness and truth shall find entrance to all hearts and areas of human life. John the Baptist ringingly shouts as he comes striding out of the wilderness, "prepare the way of the Lord, make His paths straight." Strange words, yes, but with an even stranger meaning (mystifying) to the unspiritual man, they are folly to him. I Cor. 2:14.

A man sent from God with a message. A message declaring unto men that the kingdom of heaven cannot come until the way is prepared for it. In every age this work is required. Men who can produce a religious awakening; men who can bade other men to share the necessities of life. Men who can change the conditions that make difficult the coming of Christ into the world, into our hearts. There is still need for men who can lift the valleys (the poverty that embitters the soul), and lower the hills (the wealth that leaves men blind with pride and greed), by smoothing the rough road (the desolate hardships of life, i.e. poor housing, high cost of living, rising unemployment, life in slums), that canker the soul. A crusade of social righteousness. This can't save the world, but it can make men more sensitive to the claims of the gospel.

Jesus Christ won't and can't come into your life until the way is prepared for His coming.

Preaching alone can't do it, for when people are embittered and crushed by the issues of life, they can't hear the preacher. But they will listen to you, if by precept and example, you demonstrate the meaning of the living of the abundant life.

John set the example. He had renounced in his own life the insincerity of the temple religion and the current "itch" for things and so cried out, "Repent!" His life showed that the kingdom was at hand. Does yours? We too must renounce the insincerity of secularism, deism, materialism, and, like the Pharisees of old, cry out, "What must we do to be saved?" John says, repent — turn about, there must be a moral-social as well as a spiritual conversion. God has so ordained life that Jesus can't come without the preparation we can make.

You ask and rightly so, "How did John manage to renounce all?" He did it in the first place;

a. His life was rooted in GOD. If this had not been so, he would have gone to pieces at this crisis (loss of his disciples and followers to Christ at the peak of his success).

It's a terrible thing, if you have no background of God, seeing other people getting the prize on which you had set your heart; it's a terrible thing, if there is no background of God, living in a world that sometimes deals out such crushing disappointments to our dreams; it's a terrible thing, if there is no background of God, no roots in a vital religion, trying to keep your poise and balance when your heart is one big restless ache of unsatisfied desire, or when something has happened to cut your very soul. Without some hold on GOD, life at such times is hell. To have your roots in God does not make life easy, but it does give you a foundation for your feet to stand on while you fight for your soul. Faith in God gives you a strange serenity and peace of mind in the midst of the bloodiest battle. You now have the certainty that whatever happens to you in life, and it may be anything, there is a most marvelously understanding heart in final control. A heart that understands you better than you understand yourself. Be faithful to the end, live the measure of Christ. God will never fail you. Such a faith rooted in God is the only thing that can adequately equip you to face the issues of life.

Tinkering

It's warm down in the cellar these January nights. The two of them spend lots of time down there . . .

Of course, you hear only the sounds of sawing and hammering, or the starting whir of a little electric motor they built themselves last summer.

Makes you curious, doesn't it?

Yet when you call down stairs, they won't tell you what they're making. That's to be their surprise. Instead, you hear this . . .

"Well, Mom", says your son, "Dad and I are just tinkering around".

Many a father has given inspiration to his sons simply by passing on to them a knowledge of practical affairs that has given America some of its greatest inventions and discoveries.

Wise fathers know that something else must be added, however —the element of *faith*. Our greatest scientists and inventors have been religious men, with an unshaken faith in their God and themselves.

Faith should come to a child early, provided by the Sunday School and later, the church. For the wise father knows that knowledge cannot precede faith any faster than faith can precede knowledge.

The two must grow together—in the life of your son. . .

. . . the Son can do nothing of himself, but what he seeth the Father doing: for what things soever he doeth, these the Son also doeth in like manner.

Sermon Series Announced For Five Weeks

"Questions People Are Asking" will be the theme of a sermon series to be given at the Hilltop Church of Christ for the next five weeks.

Topics to be covered will be: Jan. 31, "If I Have No Religion, What Do I Lose?"; Feb. 7, "What Does Religion Do For Worry?"; Feb. 14, "Why Should Christians Seek Converts From Other Religions"; Feb. 21, "As Scientific Knowledge Increases, Will We Still Need Faith?"; Feb. 28, "Is Prayer More Than Talking to Yourself?".

Sermonette—

(Continued from Page 11)

this sometimes difficult and hurting life. Yes, this is the first secret of John's victory—a vital personal religion, his grasp upon the fact of God.

b. John was able to say, "He must increase, I must decrease" because his confidence in Jesus was complete.

John recognized in Jesus a greater moral dynamic power than he possessed. John's preaching was hell fire and damnation. When Jesus preached, men were conscious of a tender, wooing, loving concern. He gave men a motive power to achieve the objectives to which He called them. John's theme was "repent", but men found it took them only part way. Jesus led them beyond all that and actually opened up the road to heaven for their wandering feet. He offered men a new fellowship. Jesus knew that goodness and salvation were not merely individual but social. He could lift them up to God as no John could do, for He alone was without sin or fault—He sat at the right hand of God.

c. lastly, it mattered not to John who did the work so long as it was done. It was the message that counted, not the messenger.

How slow we are to realize this. How often our attitude is, "it does matter who does the work . . . it's going to be done by me." And so Christians grow sensitive and get mixed up, and Christian love forgets the first essential—self effacement. Misguided loyalties, Paul cries out, "Who are Paul, Apollos, Cephas, but mere instruments in the hands of God?" The instrument is nothing, God is everything. Magnify Christ, He must increase.

In your personal lives and individual service, some soul is being influenced or helped by you; a soul who is finding life difficult. It may be that his hold upon God is bound up with you and what it sees in your life. When you have taken that soul face to face with Christ (and nothing less can be your ultimate aim), then He will take charge. From that moment Christ must increase, you decrease.

Have you the grace to step back. If you are a parent, will you step back and give your child room to develop his or her personality, not dictating in morals or religion, leaving that youth to walk its own Emmaus road with Christ?

If you are a church worker will you step back and stand in the shadow, that Christ may stand in the light? If you are a neighbor, will you step forward and extend your hand in love and fellowship to some family with no hope for a better life than that which the slums or ghettos offer—to join you in worship. To the degree that you become your "brother's brother", to the same degree the way is being prepared for the coming kingdom. He must increase and I decrease, words that keynote the inner life. The God principle must expand and take control of our lives. The indwelling Christ must increase, I—self must decrease. Repent, yes, strange words, from a strange man, to a strange people . . . Will you?

Amen.

Report From City Hall

Mayor Sensenbrenner Holds Firm Reins On Government; Public Likes It

Each day at City Hall continues to be filled with interesting developments since Mayor Jack Sensenbrenner took over the reigns as head of the city government on Jan. 1.

In fact there is never a dull moment and from all indications there is going to be no letup in activity for some time. So far, in the face of what some people thought were insurmountable obstacles, the mayor is batting 1000 per cent. And the public likes it!

Today the mayor is preparing an ordinance to be submitted to council asking for the creation of a position of budget director.

This is not a new position. It will be new to the present administration only because it was abolished just a short time before the new mayor came into city hall.

Job Requires Decent Salary

The present city council had established the position by ordinance quite some time back. Why the job was abolished has not been determined except that it is claimed that Auditor Barthalow doesn't like the idea of anyone having too much to do with city finance figures.

The former ordinance as previously enacted by council was a good one and the one the mayor will submit will be essentially the same. It will likewise require a decent salary in order to attract a capable man.

The myriad of matters that must have the mayor's attention, however, make the establishment of such a position almost an essential. Then too, Columbus citizens deserve to be better advised on city financial affairs and someone needs to be in a position to go to bat with the state to get all the municipal funds possible.

Civil Defense Shakeup

Another piece of news that may have hit the front pages of the dailies by the time this is being read is the matter of the mayor giving assistants in the civil defense department Arthur J. Bellar and George Serrote, an opportunity to resign their positions.

It appears that both positions are unclassified and are at the pleasure of the mayor. He has indicated no immediate possible successors. It appears that the director of the department, Arnold, will be retained.

Mayor On TV, Sunday

Mayor Jack Sensenbrenner will take the air waves again this Sunday night at 10:30 on station WTVN in a program being sponsored by the United Service Clubs of the city. It will be a panel type program in which the public will be invited to discuss questions.

It was apparent this week that the mayor doesn't like any governmental setup whereby an employe gets paid on a fee basis and so it is likely that the position now held by Leo Uridil as secretary of the board of health will be abolished and all fees formerly collected by the secretary will be required to go into the general fund.

Monkeys To Get Loving Care

When the interim budget was passed by city council Monday night there was no provision set up for payment of employes of the zoo. A short time ago some reporters tried to make the people believe the poor little monkeys and other animals at the zoo were in for a rough time because the mayor had asked that all department heads cut off employes that were not actually working in their department. It happened that the zoo was being manned by water works employes.

Now the mayor is coming to the rescue of these same animals after council failed Monday night to provide a salary for their keepers. The mayor is asking council to appropriate salaries for these employes. Seems the public will have to decide who made a monkey out of whom.

City council on Monday p m's is a warm spot these days too. Oratory flies thick and fast and especially along the subject of all the cooperation they intend to give the mayor. It was that way this past Monday.

Health Toothache Over

Then Councilman Fillinger objected strenuously to the filling of a vacancy on the board of health by the mayor. The doctor claimed the mayor should have placed a dentist on the board to succeed Dr Robinson, a dentist.

The mayor then reminded the councilman that he had submitted two names of good dentists for the approval of the dental group but when they turned both men against the job the mayor had only one alternative, that of appointing a good Republican and a fine citizen, Charley Jones. Next move: Council voted unanimously to approve the appointment of Jones.

Councilman Sedgewick made quite a play Monday night on a statement that the mayor was padding the payroll with his appointees. One city daily made it appear that the mayor had done just that. Another paper the same evening quoted the councilman as admitting that "maybe there's nothing to it." Actually the names of new employes appear as such merely because they have been hired under new classifications following the enactment of the new classification ordinance.

Yes sir, never a dull moment at city hall.

Aid Requests Up Volunteers Needs Locally

An increase in the number of people asking for help has upped the Volunteers of America's need for old papers, magazines, and clothing, according to Lt. Colonel Susan Thom, director of the Columbus Post of the organization.

"We can use all the paper our trucks can pick up", Lt. Colonel Thom announced. "If people who have been burning papers will telephone our office, we will be glad to have a truck stop at their homes or offices."

Papers and magazines are but a few of the many items the Volunteers of America is able to salvage. They have many calls for clothing, which can be salvaged for additional use; and for furniture, which is rebuilt and painted in the Salvage Department.

The telephone number for the Columbus Volunteers of America is ADams 8650.

OUTFITTING A CHORUS LINE FOR THE HILLTOP MINSTRELS can be quite a puzzling task as evidenced by the photo above of several members of the cast as they surveyed the necessary apparel they're to wear. The chorus line was at a loss as to how the equipment was to be fitted to them as can be seen by the puzzled faces of Bob Mead, Bob Anglin, Bob Case, Ray McVay and Curley LeFever while Jack Merriman of Seiler's in the center tries to explain. Hilltop Property Bought By Broad Development Co.

The Broad Development Company obtained title to the property at the southeast corner of W. Broad-st at Harris-av, which the firm intends to hold "merely as investment property," in a double transaction on Tuesday, Feb. 2.

The property, which is presently occupied by the Moraine Florists and the Gateway Realty Co., was first sold by Mrs. Harlan Born of California, Dolly Weller of 22 S. "It's good investment property and should increase in value," said Mr. Brownfield. "I'm a graduate of West High and I know the property values in the region. The firm has no plans for the present for the property other than waiting," he concluded.

The transaction was made through the Hayden Edwards realty firm. Sam Willis of the realty firm had the listing and completed the necessary arrangements for the sale.

Find Hilliards Man Dead

A 43-year-old prisoner from Hilliards was found dead early Tuesday in the Franklin County jail.

Deputies identified the man as Adrian J. Shriver, 43, Houchard-rd, imprisoned since Friday, Jan. 29, on a drunk driving charge.

Guard Clyde Rhymer found the victim lying face down in his first floor cell at 1:45 a. m. Rhymer said he had noticed that Shriver "was sleeping face down" around 12:30 a. m., but did not investigate then.

Deputies said the victim had been placed in the first-floor "special" cell early Monday morning after he "blew his stack" in another part of the jail. They said the man had been "talking crazy." They attributed the behavior, however, to delirium tremens.

Shriver was brought into the jail Friday from the court of Prairie Township Justice of the Peace Clyde Wyker. Charged with drunk driving by State Highway Patrolman Robert Wolfinger, Shriver pleaded not guilty, Wyker said.

Political Pot Boils As Several File Petitions

Wednesday was the final date for filing of petitions for the May primary with the Franklin County Board of Elections and now the entry of several local names into the political arena. Most of the filings thus far indicated a liveliness on the part of Republicans to seek office with but a few Democrats having filed for office as of noon Wednesday.

Edward Walker, 240 Demorest-av, will be a candidate for 11th ward Republican committeeman at the May primaries, he stated today. He filed his petitions at the board of elections Wednesday.

Walker stated this week that he decided to run for committeeman after determining that there are many residents of the 11th ward who should be voting and have not voted recently.

Other filings made before the deadline for committee posts were George Sinclair, Republican, [illegible] 11th Ward committeeman, Earl Brownlee, Republican for 10th ward committeeman; Charles E. Davies, Republican, 27 Avondale-av, for 9th ward committeeman; John Robert Jones, Republican, 1231 Cambridge-blvd for Franklin-twp committeeman; Harry Bynner, Republican, Hilliards, for Norwich-twp committeeman and Edward T. Hilltop's Newest Model City Now Receiving National Acclaim

Industrialists can read about the Hilltop's new Lincoln Village model city by writing to the Peoples Development Co. for a new brochure.

According to a booklet which was released this week by the development company, business should locate in the industrial section of the development because it is just "Half A Day From Half The U. S. A." The publication also says that 86 million people live within a 500 mile radius of the area.

It says that 75 freight lines, five railroads and three air lines furnish transportation for the Columbus area. It points out that a fourth air line is now under consideration and that Port Columbus is the eighth busiest airport in the nation. The accessability of the Pennsylvania and New York Central railroads to Lincoln Village as well as the fact that transcontinental route 40 bi-sects the project are also pointed up.

The book states that the Hilltop's Lincoln Village has received national acclaim already, having been publicized in 65 newspapers over the country and in stories in Time and many other magazines.

As to housing, it states that about 900 single homes and 70 rental units are planned for the first section of the development. It also mentions a 65 acre shopping and commercial center.

As to production, the booklet states: "Far sighted leaders of industry are, almost daily, recognizing the advantages of locating their facilities in Central Ohio. During 1953, 180 new businesses were established in Columbus. Lincoln Village is by far the largest development ever undertaken in the Columbus area. A new $100,000,000 Westinghouse plant is located on property adjacent to Lincoln Village and General Motors recently built a plant on similar land. These leaders of industry chose the Lincoln Village area because of its many advantages to economical production.

"Among other things, there is access to the vast research facilities of Ohio State University, the scientific genius of the Battelle Memorial Institute, one of the most respected research organizations in the world and the files of the American Ceramic Society, international headquarters (for that industry).

The Lincoln Village area has fine location, a fast growing labor pool, convenient transportation, diversification of industry, a resulting balanced economy, nearness to sources of raw material and adequate power."

The Peoples Development Co. is a subsidiary of the Farm Bureau Insurance Companies.

New Rome Wins Over West Park Methodist

The "Y" Men's Volleyball League came through with a dark horse last week. The greatly improved New Rome team blasted the first place West Park by winning all three games of the match. The first match was New Rome 15-12, second game New Rome 15-8 and third game New Rome 15-5.

West Park was able to field only a four player team, which hurt them in floor play. Kuhn, Stimson, Laughlin, Shoaf played for West Park and Courter. Johnson, Longerbone, Flyle, Storch represented New Rome.

Another big upset was Hillcrest Baptist's three games over St. Paul Evangelical and Congregational. Hillcrest Baptist is steadily improving and could upset another team. Roth, McInturff, Howells, Paugh, Freshman, Murphy and Burd represented Hillcrest Baptist and Calvert, Moran, Dunn, Vance and Kellar played for St. Paul.

Westgate EUB Takes Loop Lead In "Y" Junior Church League

By Dick Wilson

Westgate EUB broke the first place tie with Hoge Memorial in the Hilltop YMCA Junior Church League played last week at John Burroughs gym as the Powell-av boys downed the Presbyterians 34-26. The game was a "nip and tuck" affair from the start, with both teams playing fast, headsup ball.

EUB five scored the first point as Ron Ireland made good on a foul shot. McLinn of Hoge came back to score a fielder to take the lead. This was short-lived, however, as Westgate jumped into the lead on a foul by Mike Ranny and a bunny by Ron Ireland. From this point the Westgaters were never headed.

Ron Ireland was the spearhead of the EUB offense and he collected 15 points for his evening's efforts. John Edwards and Jerry McLinn shared scoring honors for the losers with nine points apiece. Kuhn played a terrific floor game for the losers while Mike Ranney looked good defensively for the victors.

The Junior Firemen and Westgate Methodist game was the second thriller of the evening as the two bottom teams of the league battled to get out of the cellar position. The Methodist five came out on top of the 33-31 struggle to keep out of the last place. The game for the first half was strictly a possessive type game with the score 5-5 at half-time in favor of Westgate.

The second half was more free scoring as the two opposing centers, McPherson and Mack, showed a lot of potential scoring power. Mack of the victors was high for the evening with 13 points and McPherson of the losers was high with 11.

West Junior Hi-Y got back into the first of the season winning form by downing a hard fighting Church of Christ team to the tune of 31-25. This game was also a close one as the score was tied 8-8 at the end of the first quarter and 14-14 at the half. The Church of Christ took the lead in the third quarter 22-18. In the fourth quarter the Junior Hi-Y defense tightened and its offense exploded as the C. of C. was held to three points while the "Y" team scored 13. Smoot was outstanding both offensively and defensively for the losers as he made 14 points and controlled a majority of the rebounds from both backboards. Francis and Doersam tied for scoring honors for the victors with six points apiece.

Glenwood Methodist failed to field a team on time so Burgess EUB won by forfeit. The Burgess team beat a scrub team in a practice game 24-6.

Lightning 5 Wins Thriller

On the strength of a last second basket by Larry Janes the Lightning 5 handed the Hilltoppers their first loss in the Glenwood Recreation Center's Senior Boys League this past week. In winning, the Lightning 5 ran their undefeated string to four victories without a loss. Their game was the first loss suffered by the Hilltoppers in the past eleven pre-season and regular season games and broke a first place tie between the two teams.

The Hilltoppers led by a 16-8 score at the half and stretched their lead to 24-14 at the three-quarter mark. However, the Lightning 5 began to click as the fourth quarter opened and pulled up to within four points of the Hilltoppers at 24-20. The rally was short-lived and the Hilltoppers again assumed a lead of 31-30 with three and a half minutes of the game remaining.

At this point Lightning 5 players began to consistently find their mark with deadly accuracy and, with 30 seconds remaining, the score stood at 34-31 in favor of the Hilltoppers.

After the Lightning 5's Dick Witter stole the ball and scored, teammate Larry Janes intercepted a Hilltopper pass and let fly the winning basket just as the final buzzer sounded.

Bob Brownlee tallied 13 points for the winners, while Perry Stavrides was high for the Hilltoppers with 10.

The Clowns, by defeating Cannata 42-16, pulled into a second place tie with the Hilltoppers and may offer a serious threat to the Lightning 5's league leadership in their February 9 game.

In other games, LaCasa was awarded a forfeit victory over the Firehouse 5 and the Little Bucks swamped Milo by a 67-20 count, as Bill Winnestaffer personally accounted for 25 points.

Leading scorers—all games — are Ken Mettler, Milo, 82; Bill Winnestaffer, Little Bucks, 73; Perry Stavrides, Hilltoppers, 51, and Don Martin, Hilltoppers, 50.

Pirates Forfeit To Jailhouse 5

The West Side Pirates suffered their first loss of the season but still managed to hold onto their first place position in Glenwood Recreation Center's Intermediate League. The Pirates were forced to forfeit to the Jailhouse 5 due to the lack of players.

In their second game of the week, the Pirates outscored the Bulldogs by a 36-21 margin. Once again the Bulldogs were hampered by their lack of height but they managed to stay within striking range until midway through the third period when the Pirates began to hit their shots with rapidity.

Ernie Mawhirter led the Pirates with 17 points and Ralph Seymour scored eight points for the Bulldogs.

In the lowest scoring game of the year, the Big Five scored its first win of the season with a 17-9 conquest of the Bombshells. Art Slate led the Big Five attack with eight points.

Leading scorers are Ernie Mawhirter, Pirates, 68; Eugene Bridges, Big Five, 48; Mark Zulovitz, Pirates, 44; Paul Thompson, Pirates, 43; Ronnie Hill, Basketeers, 34, and Art Slate, Big Five, 34.

Gra-Y To Hold Induction

The Hilltop YMCA staff announced this week that the five Hilltop YMCA Gra-Y clubs will hold their annual induction of members and installation of officers at a Pot Luck Dinner at Glenwood Methodist Church on Friday, Feb. 19 at 6:30 p. m.

Dick Wilson reports that the evening will start with a Pot Luck Dinner and then the officers from all five of the clubs will take their oaths of office. After the officers' induction will follow the induction of all 150 members at large into the National Gra-Y fellowship. At this time the boys will be awarded their membership cards and label buttons. The next award presentation will be made to the officers and outstanding club members who will be given the National Gra-Y emblem.

The closing part of the program will be concerned with the awarding of championship emblems and a championship trophy to West Broad Gra-Y who won the 1953 Gra-Y Football Championship.

The event will be in charge of the Hilltop YMCA Mothers' Council and a committee of Gra-Y Mothers will contact every Gra-Y parent by phone to ask their cooperation in attending and preparing a dish for the Pot Luck Dinner. All reservations have to be in no later than Feb. 16.

Disappointed

Junior's parents had shipped him off to his aunt's to be out of the way when the new addition to the family arrived. A few days later his father called him on the phone to tell him the stork had brought him a baby brother.

"What, only one!" the little chap exclaimed. "Why, auntie's dog just had seven pups."

Lady: "I sent my little boy for two pounds of plums and you only sent a pound and a half."

Storekeeper: "My scales are all right, madam. Have you weighed your little boy?"

Bulldogs Whip Cowboy Five By 77-59 Score

By Woody Owen

Last Friday night at South High School the West High cage squad put up a brilliant battle for three quarters against a superior Bulldog aggregation, only to have the home squad's greater height and bench strength take its toll in the final period as the city league's second placers broke the contest wide open to romp home with a 77-59 victory.

The Bulldogs jumped into an early 8-1 lead with Jim Vincent registering the Cowboys' first field goal with 4:19 remaining in the period. From that point on the locals whittled away at the lead with Bowman's charity toss tieing the [illegible] at 12 all. Hicks foul loss made it 13-12, successive goals by Vincent and Bowman shot the Cowboys into a 17-13 lead as the period ended.

The Cowboys extended their lead to a 23-15 count with 5:17 still remaining in the quarter. At this point Clarence Pointer, blue and gray star, gave an exhibition of some of the finest outside shooting witnessed in many a season, as he tossed in three successive long one handers. Vincent retaliated with two goals for the Cowboys.

Howard added two goals and Wright two free tosses to knot the count, 27-27. A goal by Hicks and two charity tosses by Vincent again put the Cowboys in front 32-27. Pointer then tossed in three more successive long one handers to put the Bulldogs ahead at halftime, 33-31.

The Cowboys continued to make it a close contest in the third session as Pointer and Vincent continued their scoring duel with three goals and a charity toss each, with the Blue and Gray leading 51-46 at the three-quarter mark.

The home squad broke the game wide open in the final canto by outscoring the Cowboys by a 26-13 margin with Howard and Dunn accounting for 15 of those. Jerry Ruffner, playing his final game for the locals, accounted for seven of the locals' markers.

Outstanding for the Bulldogs was the all around brilliance of Pointer, who was the game's top scorer with 20 points, and who also turned in a brilliant performance off the boards. Howard and Dunn also tallied 16 and 15 respectively.

For the Cowboys, Jim Vincent again led the scorers with 19, while Hicks and Ruffner each tallied 13 and turned in good rebounding performances against their rangier opponents.

The Cowboys will be idle this week, but will swing back into city league action Friday night, Feb 12, on the home court, with East as the opposition.

In last weeks story concerning the election of Ed LeCaptain as one of the new officers of the West Franklin Association Inc., we referred to Mr. LeCaptain as principal of Skidmore School. This was in error inasmuch as Edna Windom is the principal of Skidmore. LeCaptain however, is active in the Skidmore Lions Club work with the school.

Glenwood Methodist Wins Cage Title

By Harry Grashel

Glenwood Methodist captured the first round championship of the Hilltop YMCA Intermediate Basketball League Monday evening at the John Burroughs gym by defeating Burgess EUB by the score of 66 to 44. It was the seventh straight win for the undefeated Glenwood quintet.

Perry Stavrides with 25 points and Don Martin, (the leagues leading scorer) with 24 points were high men for Glenwood while the reliable Bonnie Grant tallied 18 markers for Burgess EUB.

Westgate Methodist was the runnerup team for the first round, ending up with a record of six wins, losing only to Glenwood. Westgate set a new league scoring record by bombarding the nets for a total of 85 points in swamping Hillcrest Baptist 85 to 28. Dana Deshler tallied 35 points while his team-mate Joe Hutchinson was pouring in 21. All five of the starting line-up for Westgate were in the double figures in the scoring column. Fred Lanch played a fine game for Hillcrest and tallied 13 points to lead his team in scoring.

In a very close and hard fought battle, West Senior Hi-Y won from a determined West Park Methodist team by the score of 26 to 22. This game was close throughout and was settled in the final minute of play by two quick fielders by Charles Robinson. For Hi-Y, Robinson with 11 points was the big man while the sharpshooting Rick Farrell led West Park with 14 markers.

In the best played game of the evening, Hilltop Church of Christ won a close one from Hoge Memorial Presbyterian by the score of 36 to 34. This game was tied at the half and at the end of the third quarter and the issue was in doubt until the final whistle. Dick Witter with 13 points and Fred Elder with 10 were high for Hoge, while Moose and Cobb with 11 points each were high for Church of Christ.

Here is how the teams ended the first round of play:

THE QUIET THINGS

I hear the quiet things
More clearly than before.
Strange how quiet sings
Above a rabid roar.

All quiet things I've known
Hold now a richer worth,
Defying the memories
Of the harsh doom of earth.

This that the quiet brings
May smother the crash that lies
Where bombs that a rocket flings
Fall from the future skies.

—Roland English Hartley, in The Lyric.

Mail—From Columbus: Here are two "Famous Last Words" for your column: "The salesman said she'd do 90. Let's see." "How can the store make a profit out of this stuff at a dollar a fifth?" . . . From Kenton: "Do you know the author of this verse and what poem is it from—

Now we are tire d my heart and I,
We dealt with books; we trusted men
And in our own blood drenched the pen
As if such colors could not fly.
Now we are tired my heart and I

The group of girls—high school girls—referred to was organized as a Fan Club for a local tv personality who is no longer in Columbus, so the girls are hunting around for an excuse to keep on meeting; they also want to "do some good for somebody," as the President puts it. These kids are sincere, sweet youngsters and there are several things they could do. My favorite shutin is "Big Sister" to the group and she had told me about the girls and their desire to be of service.

Looking Backward Through Record Files

FIFTEEN YEARS AGO

Feb. 3, 1939 — Plans have been made for enlargement of the lake in Westgate Park, with construction on the project to start at once.

The First Federal Savings and Loan Co., 2363 W. Broad-st, has secured an unusual exhibit known as "The Mechanical City".

First steps were taken this week toward construction of a super highway on U.S. Route 40, west of Columbus, when a survey was started.

And for a really startling contrast, this week coffee was advertised at 3 pounds for 39c.

Bob Nichols, Henry Jones and Dr. O. C. Miller will participate, for the 10th year, in the annual Hilltop Minstrel.

TEN YEARS AGO

Feb. 4, 1944—Two bandits, armed with old-fashioned pistols, held up Todd's Drug Store, 2467 W. Broad-st, Jan. 26, and escaped with $183.

Thirty-four members of the Auxiliary Police have volunteered their services to the local War Price and Rationing Board, as price panel [illegible].

A reception was given last Sunday to welcome Rev. C. T. Langhois to his pastorate at St. John Lutheran Church.

Announcement is made that stamp No. 40 in Ration Book Four will become valid on Feb. 1 and will be good for five pounds of sugar for canning purposes.

FIVE YEARS AGO

Feb. 3, 1949—Local dealers announced that they do have television sets in stock now but at the present time there are only about 150 sets in operation in the city. Their opinion is that television will be popular here in a short time.

"Long skirts and short hair for 1949," prophesied Hazel Barney, Hilltop beautician, this week.

Preliminary work has been started on the paving of W. Mound-st, from Central-av west to Whitethorne-av.

James Henery, sixth grade teacher at West Broad Street School, was promoted this week to principal of Avondale School.

West Junior High students collected, in 1948, $20,000 in sales tax receipts, yielding a revenue of $600 for the school.

Chafetz Paintings Being Shown At Hilltop Library

Adele and Sidney Chafetz, Columbus artists, are exhibiting a group of varied watercolors at the Hilltop Branch of the Columbus Public Library from Jan. 18 to about Mar. 1. Colorful scenes of cities and arrangements of fruits and other table top objects dominate the subject matter for these 14 paintings.

Adele and Sidney Chafetz are well known artists in Columbus, both of them having exhibited widely. This is their first "two-man" exhibit since they began their professional careers in 1947.

Mr. Chafetz is an instructor in the fine arts department at Ohio State University and he and Mrs. Chafetz live at 122 W. Lane-av.

YOUR YOUTH

By Bob Schmidt—Dick Wilson

West Broad is leading the "A" Loop with a won 2 lost 0 record. Highland and Westgate both have perfect records in the "B" League, but Highland is presently leading as they have played one more game than the Westgaters because of a bye.

Individual high score in the "A" League is held at this time by Bob Timmons of John Burroughs who has 9 buckets and 3 fouls for a 21 point total. Steve Galentine of Highland is individual high scorer for the "B" League with 32 points total.

Public Opinion

Perennial Question As To Why Women Dress As They Do, Still Unanswered

"Do women dress to please the men or to impress other women?" was the question asked of our readers this week with the result that again there was a cross section of opinion with a number of the readers being quite wary of the question and not wishing to be quoted.

A few of the feminine gender however were not at all bashful in giving out with the answers which still leaves the issue in doubt. Men who read the answers will probably have their vanity salved by the thought, "She dresses just to please me," while the women will say, "Humph, I don't care who I impress just so that I am satisfied myself."

Mrs. B. L. Warner, 2630 Climaret: "I think women dress for other women. Of course they want to please the men, but mostly, they try to 'outdo' each other."

Mrs. Fred Funk, 623 S. Wheatland-av: "I dress to suit myself and I think most women do. Some women probably do dress to please the men, but I believe most of us wear what we like and what is most comfortable."

Mrs. F. E. Spellman, 122 N. Westgate-av: "It's probably about equally divided. Half of the women dress to please the men and the other half, to impress each other."

Mrs. Raymond McCreary, 315 Wrexham-av: "I believe that most women are concerned with pleasing men, when they choose their clothes."

Mrs. Clyde Pinnell, 20 S. Norwich, Hilliards: "My opinion is that the majority of women do dress for other women. At least I feel sure that is the only influence most women would admit."

Mrs. Margaret Prior, 764 S. Roosevelt-av: "I'm sure that all women really dress to impress men. Young, old or otherwise, they all choose clothes that will please men."

Mrs. Joseph Schneider, 634 Joyful-av: "I honestly choose my clothes to please myself and judging other women by my own ideas, I imagine that most all of us do the same. I think we buy clothing because it is comfortable to wear and pleases us."

FLOWERS IN OUR LIBRARY
By Mrs. M. L. Plummer

It is my pleasure to serve this year with Mrs. H. R. Gibson as a committee to see that we have flowers the year round in our Hilltop Library. This has been one of the most gratifying projects the Highland Garden Club has ever had and which it has been sponsoring for a number of years.

Spring, summer and fall, the flowers are gathered and supplied from our gardens and from the gardens and yards of our many friends and neighbors. In this way we not only enjoy our flowers ourselves but all who visit the library share with us their beauty. Of course there are times when our gardens do not yield as many bouquets as we would like and I would like to take this opportunity to ask other flower lovers to share with us some of their treasures. The committee will be happy to pick up contributions of flowers at any time throughout the year. Mrs. Gibson can be reached at RA. 1747 and I can be called at RA. 0966.

At our November meeting a number of beautiful arrangements were brought in, which had been made by our members from dried wild flowers — weeds, drift wood, gourds, etc. These arrangements were on display for one week in our Hilltop Library. Do hope you were able to see what lovely winter bouquets can be created with a bit of work, some imagination and very little expense. During the winter we generally furnish the library with a planter or potted plants donated by our members.

In closing I would like to share with you some verses taken from the yearbook of the Clyde Garden Club.

I would rather have a rose from the garden of a friend.
Than to have the choicest flowers when my stay on earth must end.
I would rather have a pleasant word in kindness said to me
Than flattery when my heart is still and life has ceased to be.
I would rather have a loving smile from friends I know are true
Than tears shed around my bier when this world I bid adieu.

'Small Fry'

By J. Curtis Allen

"What's all this stuff about drafting football players? I thought the war was over."

Joe, the 18-month-old son of Mr. and Mrs. Joe Quinn, 1909 Floral-av, might be thinking such a question, if he were a bit older, these days. But he needn't worry yet because the draft he's been hearing his dad talk of is that method by which the pro football teams secure the best talent in the nation.

These Eyes—

How Well Do You Know Them?

This is a new feature of The Hilltop Record. We know you'll find it entertaining in testing your own powers of observation and memory in identifying the person to whom these eyes belong.

The owner of the eyes shown in this column last week has been around the Hilltop area for many years. As a matter of fact, you'll have a hard time getting him to admit just how many years. Nevertheless the man of the piercing eyes is none other than popular Leo McComb, owner and operator of Rosebud Floral Co. at 351 N. Burgess-av. The tip that he is an ardent admirer of "The Rose" should have been sufficient to give away the secret of the eyes.

Leo McComb

This week another pair of eyes, those of a man, appear in this space. Now these should be a puzzler to most persons, but still he is fairly well known on the Hilltop.

Our tip will be: "The last name is gaining in prominence around City Hall these days."

From The

Top O' The Hill

By Betty Doft

For all of us who must, of necessity, be stay-at-homes during the winter season, and are inclined to be envious of vacationists, here's a word of cheer. A/3c Donald F. Dildine, home on leave from Sheppard AFB, Wichita Falls, Tex., left two and a half inches of snow and a thermometer reading of five degrees in Texas on Jan. 22. His comment was "I had to come to Ohio to find pleasant winter weather."

Small Judy Lynn Waldelich, daughter of Mr. and Mrs. Howard F. Waldelich, 143 Binns-blvd, was guest of honor at a party, given on her sixth birthday Saturday afternoon. Invited guests included Carol Hussey, Sally Sturgeon, Melinda Stauch, Patty Shurtz, Diane Pendleton, Dianne Peppas, Elizabeth Dixon, Carol Deitrich and Cathy Shafer.

Mr. and Mrs. Otto Sturdevant entertained a group of their friends with a spaghetti dinner on Jan. 23, at their new home at 323 S. Algonquin-av.

Attending the affair were Mr. and Mrs. Hobart Fisher, Mr. and Mrs. Ed Yank, Mr. and Mrs. Harry Yank, Mr. and Mrs. Charles Roam, Mr. and Mrs. James Longhurst, Mr. and Mrs. Jack Griffin, Mr. and Mrs. Gus Autenrieth, Mr. and Mrs. Ned Pellican, Mr. and Mrs. Tony Venitti, Mr. and Mrs. Wood Kendall and Mr. and Mrs. George Layne.

The school of home economics lists as students with straight "A" grades, Juliana Haisema, 2759 Dover-rd, and Carol J. Rickert, 272 S. Roye-av.

On Feb. 2 the R. T. King chorus met at the home of Dorothy Whitacre, 156 Southwood-av, with Alice Johnson and Georgia Graham assisting the hostess. Worthy matron and associate matron, Florence Lehner and Ethel Jewell, were invited guests.

Rev. and Mrs. David Geyer of Warren, O., were guests of his aunt and uncle, Mr. and Mrs. Forest Wilson, 576 Crescent-rd, the past week, while in town attending the pastors' convention.

A number of Hilltop church women will go to the Children's Home today to do sewing for the children there and will also bring back mending which can be done at home. Anyone interested in helping with this project may contact Mrs. Clifford McWilliams, JO. 6227, or Mrs. Daniel Bunner, RA. 6916.

A sincere wish for a quick recovery to Thad Henson of the Singer Sewing Center at Central Point shopping center. He suffered a heart attack a few days ago.

Mrs. Mildred McCalley, 77 S. Terrace-av, seems to have acquired a taste for Mexican food during the recent trip she and her husband, Ralph, took to Florida. "Chubby" Distelhorst was telling us she came into the store asking for some "crazy Spanish beans."

Seen at Seiller's

by Sue Fredendall

Whether old Mr. Groundhog saw his shadow or not, we know for certain spring will eventually get here. (We Hope.) So let's start planning ahead for a spring wardrobe. Seiller's have a beautifully detailed suit or dress that's exactly perfect for you.

John Robert Powers, the founder of the famous Powers Modeling Agency says there is no such thing as an unattractive woman. ..There is only the woman who fails to make the most of herself. ..Here are his seven rules for glamour. We thought you might be interested.

1. Make the most of your hair and face.
2. Hold your head proudly erect.
3. Walk smoothly and with rhythm.
4. Sit and stand gracefully.
5. DRESS TO SUIT YOUR FACE AND FIGURE.
6. Let your voice speak well of you.
7. Focus attention on your best features.

At Seiller's you find clothes that best suit your face and figure. Clothes that are up to the minute in fashions. Cut from the best materials and cut to fit your figure beautifully.

A brand new shade just in is wild rose. You'll find it very complimentary to your coloring. And of course the ever flattering navy blue with touches of white and red are always popular. You'll be crazy about the all silk shantungs that are so good this spring. Smart little spring suits, with slim skirts, full skirts, boxy jackets or fitted jackets. Whichever you prefer, you won't be wrong this year. Another wonderful idea the manufacturers have put in to practice this year is lining the jacket with the same material the blouse is made of. This eliminates the problem of what kind of blouse to wear with the suit.

A whole new shipment of little perky hats have come in. Choose one to go with your new suit or dress and you'll know by the long admiring glances you get, that you never looked lovlier. And isn't it fun to get them. Ad.

Navy Mothers Club Lists New Officers; Completed Projects

The club assumes the expense of sending a number of Dayton Hospital veterans to baseball games in Cincinnati and provides cigarettes and parties all through the year. The veterans of Chillicothe and Benjamin Franklin Hospital are also remembered with money and gifts, and the sons of members, who are serving in the navy, receive gifts from the organization.

The installation ceremony of new officers, with Chief Stoney of the Naval Reserves as installing officer, was held in January. Newly-installed officers for the ensuing year are:

Commander, Kathryn Kellermeyer; first vice commander, Anna Potts; second vice commander, Rose Pastor; adjutant, Mildred L. Harris; assistant adjutant, Josephine Earls; finance officer, Gertrude Dornsife.

PICTURED ABOVE IS A SCENE FROM A FIELD TRIP-taken by the Hilliards High School Agricultural and Young Farmer classes. The group saw corn pickers and manure spreaders on the assembly line at the New Idea Plant in Coldwater, O. The complete manufacturing process was observed, from the pouring of the castings until the finished machine was shipped. These students are presently engaged in the study of farm mechanics and the appreciation for quality farm equipment was strengthened by such activity. Accompanying the group was Austin White, the local New Idea dealer, who arranged the trip. The boys were guests of the New Idea plant at the noon luncheon and were told of the yearly production of the plant.

In the afternoon the boys were shown through the Pet Milk plant at Coldwater by John Shier, a former student of the Hilliards Chapter, now a field representative of the Pet Milk Company.

New Goodwill Store Opens Locally

Pictured above are Rev. George Morey Evans, executive director of Columbus Goodwill Industries and Gladys Lane, manager of the new West Side Goodwill Store. (Record Photo)

By Pat Martindale

Announcement of the opening of a new Goodwill Store is being made this week by the Executive Director of Columbus Goodwill Industries, Rev. George Morey Evans.

Located at 1204 W. Broad-st, the new store will serve the West section of Columbus. Miss Gladys Lane, a Westsider, will be manager of the West Goodwill Store.

The Goodwill Industries, hire handicapped persons who are trained for jobs either at the main plant or suitable positions elsewhere. The main plant of Columbus Goodwill Industries is located at 94 N. Sixth-st and at present has more than 100 handicapped men and women working or being trained in special work. Although this organization has a religious motive it does not specify a particular creed for it's employees. As a matter of fact, all creeds, nationalities and ages are employed by Goodwill.

The new West Side store will be the sixth retail store of it's kind in Columbus. Discarded articals of clothing, furniture, books, dishes and magazines donated by contributors in and surrounding Columbus, are taken to the main plant for repair by handicapped employees and are then placed in the six stores to be sold.

Contributions are picked up by the Goodwill trucks in the West section of Columbus on Mondays, Wednesdays and Fridays by calling Ma. 6711.

Goodwill's motto, "Not charity, but a chance", serves a two fold purpose, helping the handicapped to help themselves, and giving the general public an opportunity to purchase materials at low cost.

Central Point Observes First Birthday

In days of old, the suburban or rural housewife did all her buying either on infrequent visits to the city or from a peddler who drove a cartful of miscellany past her home at regular periods.

Today a new concept of merchandising combines both alternatives for the suburban dweller. Ultra-modern "shopping centers" bring virtually to her doorstep all the advantages of a visit to the city's finest emporia. The shopping center has been defined as "a group of commercial establishments planned, developed and managed as a unit, with off-street parking provided as a part of the unit."

The preceding paragraphs are reprinted from the Feb. 3 issue of Quick Magazine which, as a part of an article concerning the growth of shopping centers throughout the country, features an aerial photo of Columbus Central Point shopping center.

Coincidentally, the Central Point center is presently celebrating its first anniversary, marking the occasion with a birthday sales event.

Located at Mound-st and Central-av, the Central Point shopping center covers an area of approximately 15 acres and contains 36 stores. There is provision for parking more than 2,000 cars.

Officers of the Central Point Business Associations were elected for the coming year at a meeting held last week. Frank Salvator of Salvatore Shoes was named president; Robert Trowbridge, Margie's Beauty Salon, vice-president, and Ned Wilhoite, Economy Savings & Loan, secretary. New executive committee members are Dante Salvatore, Salvatore Shoes; P. C. Kirby, J. C. Penny Stores; Oscar Leach, Cool Brook Farm Stores; Lewis Slye, Schiff Shoes, and Alex Andriette, Central Point Shoe Repair.

James H. Ryan of May & Co. will head the advertising and publicity committee, aided by Robert M. eReves of Reeves Bros. Sporting Goods and Ed Greenfield, certified public accountant at Central Point.

Central Point was developed by Don M. Casto and Don M. Casto, Jr., developers and builders of other such projects in this area including Miracle Mile, Northern Lights and Graceland Shopping Centers.

NAMED TO CENTRAL POINT BUSINESS ASSOCIATION POSTS—New officers of the Central Point Business Association are (top row, left to right) Frank Salvatore, president; Robert Trowbridge, vice-president, and Ned Wilhoite, secretary; (middle row, left to right) Dante Salvatore, Oscar Leach and P. C. Kirby, members of the executive committee, and (bottom row) James H. Ryan, head of the advertising and publicity committee, who will be assisted by Ed Greenfield and Robert M. Reeves. Not available for photos were Lewis Slye and Alex Adriette, both members of the executive committee.

Rodenfels Named President By Auto Dealers Association

Columbus Automobile Dealers Association, an organization of 42 new car and truck dealers doing business in Columbus, has elected the following officers for 1954:

President, Richard R. Rodenfels, The Rodenfels Chevrolet Co.; vice president, Herman L. Marte, Joe Toepfner Inc. (Studebaker); treasurer, Williard C. Ewart, The F. E. Avery Co. (Pontiac); secretary, Noble P. Kerns, N. P. Kerns, (DeSoto-Plymouth).

Judge William C. Bryant, Common Pleas Court, Franklin County, swore in the new officers, at the annual meeting Thursday night, Jan. 28, at the Fort Hayes Hotel.

Richard R. Rodenfels, Rodenfels Chevrolet Co., the new president, stated that it would be the objective of his administration to institute certain programs designed to cope with the new developments in the automobile retailing field.

He added that one of the first aims will be to secure the services as soon as possible of an outstanding authority on retail automobile selling.

John B. Barton, who reported on the recent NADA Convention and who has been with the association since 1939, was reappointed executive secretary.

New Manager

Chester Barnhart

Chester Barnhart has taken over the management of Miller-Jones Shoe Store at Central Point Shopping Center. Barnhart has been a Miller-Jones manager in several states for the past 18 years. He is pleased to come to Columbus and hopes his long experience in the shoe business will be of benefit to his customers here.

He comes to Central Point from Lima and brings his wife and three children. They will make their home north of West Jefferson on Route 40.

Social Security Begins at Home

Our government may lighten the burden of life in years ahead, but much we can do for ourselves, right now, to banish worries we take for granted. For example simply by arranging, now, for the ownership of a family plot, you will have conferred upon those you love the one item of "Social Security" without which no "Peace-of-Mind-Plan" can be complete. Call or visit.

A Sermon From A Wart

By Paul D. Dunn
St. Paul's Evangelical Church

Several years ago when pastor in another city a wart appeared on the side of my face. It was small and more disturbing than painful. Friends began to notice it and, like Job's friends, began to suggest ways to eliminate the wart. Usually the advice came as I greeted them after the worship service.

One excitable gentleman suggested the onion treatment. This consists of taking a large onion and cutting it in half. You rub one half on the wart. The onion is put together with toothpicks and tossed away. When the onion decomposes the wart will vanish.

A lady seriously suggested the silk thread treatment. She told me to tie a thread around the wart and pull the thread tighter each day until the wart fell off.

A young man suggested (of all things) the castor oil treatment. A drop placed on the wart each evening would cause the wart to disappear.

While on vacation I visited a physician friend of mine and he applied quickly and expertly an electric needle and in a few days the wart was gone.

We waste time trying to solve our spiritual and moral problems with "quack remedies." The solution is with the Son of God. "I came not to call the righteous but sinners to repentance." "And as many as received Him to them He gave the right to become the Sons of God even to them that believe on His name." "Come unto me all ye that labour and are heavy laden, and I will give you rest."

THE Town THAT MET THE TRAINS

There's a town in one of our states that hundreds of American veterans remember . . .

A big train stopped there at four in the morning, and on it were always a few service men who had to "lay-over" until the connecting train came through. And that lay-over didn't sound pleasant on cold winter mornings.

Yet it was.

For every man in uniform who stepped off that train was greeted, and taken to a comfortable home where breakfast was waiting on the stove. There was no charge—ever.

"Why did you do this?" the astounded soldier or sailor would ask.

And his host would smile.

"The church people in this town meet you fellows every night this train comes in . . ."

That's a fair sample of the spirit found in the community churches of today. They are filled with people who gather every Sunday to receive guidance and counsel.

On weekdays, these people practice what is preached.

Perhaps you are looking for such a church. It's not far away. It may be in your block. Certainly, it's in your neighborhood. And in it, you'll find the type of hospitality and friendliness that came from one church in that one town that the service men remember.

That's the town where the people met the train . . .

Be not forgetful to entertain strangers: for thereby some have entertained angels unawares. — Hebrews 13:2

Camp Chase Civic Association Prepares To Fight Board Action

Indications this week pointed to another of those rezoning battles in this area as the Camp Chase Civic Association in an executive board meeting held last Thursday voiced its disapproval and opposition of rezoning any part of the New York Central Railroad property located north of Sullivant-av.

The spark which has apparently touched off another "powder keg" in the Westgate area was the Rural Zoning Commission action last week when that body gave approval to the rezoning of all the land to a heavy manufacturing classification located 1500 feet north of Sullivant-av. Originally the railway had asked for rezoning of the entire tract of 82 acres from light manufacturing to the heavier classification. The board however permitted rezoning on only the back acreage keeping the first 1500 feet in its former classification.

It was announced this week that an open meeting of the membership of the civic organization will be held Feb. 18 at 8 p. m. in Westgate Elementary School to determine if the membership wishes to continue to fight this particular rezoning effort and to determine the course of action to be taken.

The Camp Chase Civic Association zoomed into the public spotlight a few years past when it vigorously and successfully fought an effort to establish a low cost housing project at the site of what is now Rosary Subdivision. At one of the public meetings held at that time more than 3000 persons turned out to hear the arguments pro and con on the subject.

It was this effort that created the organization and saw residents of the area joining in a concerted effort to create a "war chest" to battle promoters of the housing project. The attention forced on the projected venture was of such intensity that the promoters abandoned any further efforts to go through with their plans.

It was pointed out too, that other business to be transacted at the open meeting which has been scheduled will be the nomination and election of all officers as well as board members.

The association, in announcing the forthcoming meeting also urged that other problems of the community be brought to the attention of the organization in order that the group be enabled to take whatever remedial action that is necessary.

One of the principal points of opposition to the rezoning of the railway owned tract was the fact that a week previously the West Franklin County Association had voiced disapproval of the proposed rezoning effort and refused to give its recommendation for such a move to the Rural Zoning Commission. The West Franklin Association had urged that heavy manufacturing classifications be revised before any action be taken in reference to the NYC owned land.

Annexation Of 350 Acre Tract Studied

Annexation of another huge tract in this area to the City of Columbus was seen as a possibility this week as officers of Wilshire Homes Inc. newly organized development company sought the views of free holders in a 350 acre tract in Franklin Township immediately south of the city.

The area is surrounded on all sides but the north by Brookshire Park which was accepted into the city by annexation Jan. 4 in legislation by Columbus City Council. It is bounded by the Eureka Addition, Mound-st, Briggs and Demorest-rds.

There are 17 free holders and eight homes in the tract at the present time part of which will be developed by Wilshire Homes Inc., headed by Cecil D. Bose jr, Joseph Briggs jr and Joseph Briggs sr. Although the officers of the firm have contacted the free holders in the area relative to possible annexation of the tract, they pointed out this week, that while some of the land owners have indicated they would like to be annexed to the city, the move would not be made unless the majority indicated a willingness.

Joseph M. Briggs sr this week stated that his firm, "would go along with the wishes of the people in the affected area, staying in the township or applying for annexation according to their desires and wishes."

If the majority of freeholders indicate the desire to be annexed to the city, hearings will be held by the county commissioners who then decide on whether or not to permit annexation.

It was pointed out earlier this week that one of the Franklin County Commissioners, Harry T. Vigor had previously stated that he was opposed to annexation in piecemeal lots by the city wherin the cream was skimmed off the townships. He withheld comment on the latest possible annexation however until proceedings have been completed.

Famous Song Leader Guest At West Sr. High

George Campbell of Cincinnati, nationally known song leader and a past YMCA secretary, was featured on the senior high school assembly Tuesday morning, Feb. 9, at West Senior High School. Following a discourse on his philosophy of life, Campbell led the audience in several songs. He has appeared before 400 high schools and colleges in the past year conducting similar songfest programs.

Hilltop Man Takes Own Life

William Glen Hudson, 50, of 146 S. Harris-av, died Monday of self-inflicted wounds, according to Dr. Robert A. Evans, coroner.

His landlord, John Vandenbark of the same address, called police after he found Hudson dead, lying across a bed with a 9-millimeter automatic in his right hand.

Although it was known that Hudson's mother, Mrs. Millie Hudson, lives in Chicago, police were unable to locate any local relatives. The body was taken to the Jerry Spears Funeral Home.

Franklin County Honor Society To Install Hilliards High Youth

Kenneth Eberhard, 16, son of Mr. and Mrs. Harry Eberhard, 451 Maple-dr, New Rome, has been chosen a member of the Franklin County Honor Society. He will be initiated together with other students elected in an impressive ceremony in the Hilliards High School on Monday, Feb. 15, at 8 p. m. George C. Berry, superintendent of schools of Franklin County, and Charles J. Pickens, principal of Hilliards High School will officiate.

Students chosen by the faculty at Hilliards High School must rank in the top-third of their class to be eligible for the society. The faculty votes on each student as to scholarship, character, leadership, sportmanship, and service. Since each school is limited to a quota the chances of a student gaining membership are further narrowed.

New members chosen this year from the junior class were Kenneth Eberhard, the sole member from Rome; Frank Bowman, Max Gray, Donna Kreis, and Donna McBrayer, all of Hilliards; and Mary Ann Porterfield of the Hilltop. Junior class members selected from last semester are Bessie Eckard, David Francis, James Hetrick, and Sandra Sichol, of Hilliards, and Charles Hart and Dorothy Smith of Rome.

New members chosen this year from the senior class were Anna Moore, June Woods, and Helen Patton from Rome; Jerry Kalian-

It was announced this week that an open meeting of the membership of the civic organization will be held Feb. 18 at 8 p. m. in Westgate Elementary School to determine if the membership wishes to continue to fight this particular rezoning effort and to determine the course of action to be taken.

The Camp Chase Civic Association zoomed into the public spotlight a few years past when it vigorously and successfully fought an effort to establish a low cost housing project at the site of what is now Rosary Subdivision. At one of the public meetings held at that time more than 3000 persons turned out to hear the arguments pro and con on the subject.

It was this effort that created the organization and saw residents of the area joining in a concerted effort to create a "war chest" to battle promoters of the housing project. The attention forced on the projected venture was of such intensity that the promoters abandoned any further efforts to go through with their plans.

It was pointed out too, that other business to be transacted at the open meeting which has been scheduled will be the nomination and election of all officers as well as board members.

The association, in announcing the forthcoming meeting also urged that other problems of the community be brought to the attention of the organization in order that the group be enabled to take whatever remedial action that is necessary.

One of the principal points of opposition to the rezoning of the railway owned tract was the fact that a week previously the West Franklin County Association had voiced disapproval of the proposed rezoning effort and refused to give its recommendation for such a move to the Rural Zoning Commission. The West Franklin Association had urged that heavy manufacturing classifications be revised before any action be taken in reference to the NYC owned tract.

Annexation Of 350 Acre Tract Studied

Annexation of another huge tract in this area to the City of Columbus was seen as a possibility this week as officers of Wilshire Homes Inc. newly organized development company sought the views of free holders in a 350 acre tract in Franklin Township immediately south of the city.

The area is surrounded on all sides but the north by Brookshire Park which was accepted into the city by annexation Jan. 4 in legislation by Columbus City Council. It is bounded by the Eureka Addition, Mound-st, Briggs and Demorest-rds.

There are 17 free holders and eight homes in the tract at the present time part of which will be developed by Wilshire Homes Inc., headed by Cecil D. Rose jr. Joseph Briggs jr and Joseph Briggs sr. Although the officers of the firm have contacted the free holders in the area relative to possible annexation of the tract, they pointed out this week, that while some of the land owners have indicated they would like to be annexed to the city, the move would not be made unless the majority indicated a willingness.

Joseph M. Briggs sr this week stated that his firm, "would go along with the wishes of the people in the affected area, staying in the township or applying for annexation according to their desires and wishes."

If the majority of freeholders indicate the desire to be annexed to the city, hearings will be held by the county commissioners who then decide on whether or not to permit annexation.

It was pointed out earlier this week that one of the Franklin County Commissioners, Harry T. Vigor had previously stated that he was opposed to annexation in piecemeal lots by the city wherin the cream was skimmed off the townships. He withheld comment on the latest possible annexation however until proceedings have been completed.

Famous Song Leader Guest At West Sr. High

George Campbell of Cincinnati, nationally known song leader and a past YMCA secretary, was featured on the senior high school assembly Tuesday morning, Feb. 9, at West Senior High School. Following a discourse on his philosophy of life, Campbell led the audience in several songs. He has appeared before 400 high schools and colleges in the past year conducting similar songfest programs.

Hilltop Man Takes Own Life

William Glen Hudson, 50, of 146 S. Harris-av, died Monday of self-inflicted wounds, according to Dr. Robert A. Evans, coroner.

His landlord, John Vandenbark of the same address, called police after he found Hudson dead, lying across a bed with a 9-millimeter automatic in his right hand.

Although it was known that Hudson's mother, Mrs. Millie Hudson, lives in Chicago, police were unable to locate any local relatives. The body was taken to the Jerry Spears Funeral Home.

Franklin County Honor Society To Install Hilliards High Youth

Kenneth Eberhard, 16, son of Mr. and Mrs. Harry Eberhard, 451 Maple-dr, New Rome, has been chosen a member of the Franklin County Honor Society. He will be initiated together with other students elected in an impressive ceremony in the Hilliards High School on Monday, Feb. 15, at 8 p. m. George C. Berry, superintendent of schools of Franklin County, and Charles J. Pickens, principal of Hilliards High School will officiate.

Students chosen by the faculty at Hilliards High School must rank in the top-third of their class to be eligible for the society. The faculty votes on each student as to scholarship, character, leadership, sportmanship, and service. Since each school is limited to a quota the chances of a student gaining membership are further narrowed.

New members chosen this year from the junior class were Kenneth Eberhard, the sole member from Rome; Frank Bowman, Max Gray, Ramon Kreis, and Donna McBrayer, all of Hilliards; and Mary Ann Porterfield of the Hilltop. Junior class members selected from last semester are Bessie Eckard, David Francis, James Hetrick, and Sandra Sichol, of Hilliards, and Charles Hart and Dorothy Smith of Rome.

Rezoning Battle Again Looms In Westgate Area

Camp Chase Civic Association Prepares To Fight Board Action

Indications this week pointed to another of those rezoning battles in this area as the Camp Chase Civic Association in an executive board meeting held last Thursday voiced its disapproval and opposition of rezoning any part of the New York Central Railroad property located north of Sullivant-av.

The spark which has apparently touched off another "powder keg" in the Westgate area was the Rural Zoning Commission action last week when that body gave approval to the rezoning of all the land to a heavy manufacturing classification located 1500 feet north of Sullivant-av. Originally the railway had asked for rezoning of the entire tract of 92 acres from light manufacturing to the heavier classification. The board however permitted rezoning on only the back acreage keeping the first 1500 feet in its former classification.

It was announced this week that an open meeting of the membership of the civic organization will be held Feb. 18 at 8 p. m. in Westgate Elementary School to determine if the membership wishes to continue to fight this particular rezoning effort and to determine the course of action to be taken.

The Camp Chase Civic Association zoomed into the public spotlight a few years past when it vigorously and successfully fought an effort to establish a low cost housing project at the site of what is now Rosary Subdivision. At one of the public meetings held at that time more than 3000 persons turned out to hear the arguments pro and con on the subject.

It was this effort that created the organization and saw residents of the area joining in a concerted effort to create a "war chest" to battle promoters of the housing project. The attention forced on the projected venture was of such intensity that the promoters abandoned any further efforts to go through with their plans.

It was pointed out too, that other business to be transacted at the open meeting which has been scheduled will be the nomination and election of all officers as well as board members.

The association, in announcing the forthcoming meeting also urged that other problems of the community be brought to the attention of the organization in order that the group be enabled to take whatever remedial action that is necessary.

One of the principal points of opposition to the rezoning of the railway owned tract was the fact that a week previously the West Franklin County Association had voiced disapproval of the proposed rezoning effort and refused to give its recommendation for such a move to the Rural Zoning Commission. The West Franklin Association had urged that heavy manufacturing classifications be revised before any action be taken in reference to the NYC owned land.

Annexation Of 350 Acre Tract Studied

Annexation of another huge tract in this area to the City of Columbus was seen as a possibility this week as officers of Wilshire Homes Inc. newly organized development company sought the views of free holders in a 350 acre tract in Franklin Township immediately south of the city.

The area is surrounded on all sides but the north by Brookshire Park which was accepted into the city by annexation Jan. 4 in legislation by Columbus City Council. It is bounded by the Eureka Addition, Mound-st, Briggs and Demorest-rds.

There are 17 free holders and eight homes in the tract at the present time part of which will be developed by Wilshire Homes Inc., headed by Cecil D. Rose jr, Joseph Briggs jr and Joseph Briggs sr. Although the officers of the firm have contacted the free holders in the area relative to possible annexation of the tract, they pointed out this week, that while some of the land owners have indicated they would like to be annexed to the city, the move would not be made unless the majority indicated a willingness.

Joseph M. Briggs sr this week stated that his firm, "would go along with the wishes of the people in the affected area, staying in the township or applying for annexation according to their desires and wishes."

If the majority of freeholders indicate the desire to be annexed to the city, hearings will be held by the county commissioners who then decide on whether or not to permit annexation.

It was pointed out earlier this week that one of the Franklin County Commissioners, Harry T. Vigor had previously stated that he was opposed to annexation in piecemeal lots by the city wherein the cream was skimmed off the townships. He withheld comment on the latest possible annexation however until proceedings have been completed.

Following a discourse on his philosophy of life, Campbell led the audience in several songs. He has appeared before 400 high schools and colleges in the past year conducting similar songfest programs.

His landlord, John Vandenbark of the same address, called police after he found Hudson dead, lying across a bed with a 9-millimeter automatic in his right hand.

Although it was known that Hudson's mother, Mrs. Millie Hudson, lives in Chicago, police were unable to locate any local relatives. The body was taken to the Jerry Spears Funeral Home.

Camp Chase Civic Association Prepares To Fight Board Action

Indications this week pointed to another of those rezoning battles in this area as the Camp Chase Civic Association in an executive board meeting held last Thursday voiced its disapproval and opposition of rezoning any part of the New York Central Railroad property located north of Sullivant-av.

The spark which has apparently touched off another "powder keg" in the Westgate area was the Rural Zoning Commission action last week when that body gave approval to the rezoning of all the land to a heavy manufacturing classification located 1500 feet north of Sullivant-av. Originally the railway had asked for rezoning of the entire tract of 92 acres from light manufacturing to the heavier classification. The board however permitted rezoning on only the back acreage keeping the first 1500 feet in its former classification.

It was announced this week that an open meeting of the membership of the civic organization will be held Feb. 18 at 8 p. m. in Westgate Elementary School to determine if the membership wishes to continue to fight this particular rezoning effort and to determine the course of action to be taken.

The Camp Chase Civic Association zoomed into the public spotlight a few years past when it vigorously and successfully fought an effort to establish a low cost housing project at the site of what is now Rosary Subdivision. At one of the public meetings held at that time more than 2000 persons turned out to hear the arguments pro and con on the subject.

It was this effort that created the organization and saw residents of the area joining in a concerted effort to create a "war chest" to battle promoters of the housing project. The attention forced on the projected venture was of such intensity that the promoters abandoned any further efforts to go through with their plans.

It was pointed out too, that other business to be transacted at the open meeting which has been scheduled will be the nomination and election of officers as well as board members.

The association, in announcing the forthcoming meeting also urged that other problems of the community be brought to the attention of the organization in order that the group be enabled to take whatever remedial action that is necessary.

One of the principal points of opposition to the rezoning of the railway owned tract was the fact that a week previously the West Franklin County Association had voiced disapproval of the proposed rezoning effort and refused to give its recommendation for such a move to the Rural Zoning Commission. The West Franklin Association had urged that heavy manufacturing classifications be revised before any action be taken in reference to the NYC owned land.

Annexation Of 350 Acre Tract Studied

Annexation of another huge tract in this area to the City of Columbus was seen as a possibility this week as officers of Wilshire Homes Inc. newly organized development company sought the views of free holders in a 350 acre tract in Franklin Township immediately south of the city.

The area is surrounded on all sides but the north by Brookshire Park which was accepted into the city by annexation Jan. 4 in legislation by Columbus City Council. It is bounded by the Eureka Addition, Mound-st, Briggs and Dennison-rds.

There are 17 free holders and eight homes in the tract at the present time part of which will be developed by Wilshire Homes Inc., headed by Cecil D. Rose jr, Joseph Briggs jr and Joseph Briggs sr. Although the officers of the firm have contacted the free holders in the area relative to possible annexation of the tract, they pointed out this week, that while some of the land owners have indicated they would like to be annexed to the city, the move would not be made unless the majority indicated a willingness.

Joseph M. Briggs sr this week stated that his firm, "would go along with the wishes of the people in the affected area, staying in the township or applying for annexation according to their desires and wishes."

If the majority of freeholders indicate the desire to be annexed to the city, hearings will be held by the county commissioners who then decide on whether or not to permit annexation.

It was pointed out earlier this week that one of the Franklin County Commissioners, Harry T. Vigor had previously stated that he was opposed to annexation in piecemeal lots by the city wherin the cream was skimmed off the townships. He withheld comment on the latest possible annexation however until proceedings have been completed.

Famous Song Leader Guest At West Sr. High

George Campbell of Cincinnati, nationally known song leader and a past YMCA secretary, was featured on the senior high school assembly Tuesday morning, Feb. 9, at West Senior High School. Following a discourse on his philosophy of life, Campbell led the audience in several songs. He has appeared before 400 high schools and colleges in the past year conducting similar songfest programs.

Hilltop Man Takes Own Life

William Glen Hudson, 50, of 146 S. Harris-av, died Monday of self-inflicted wounds, according to Dr. Robert A. Evans, coroner.

His landlord, John Vandenbark of the same address, called police after he found Hudson dead, lying across a bed with a 9-millimeter automatic in his right hand.

Although it was known that Hudson's mother, Mrs. Millie Hudson, lives in Chicago, police were unable to locate any local relatives. The body was taken to the Jerry Spears Funeral Home.

Franklin County Honor Society To Install Hilliards High Youth

Kenneth Eberhard, 16, son of Mr. and Mrs. Harry Eberhard, 451 Maple-dr, New Rome, has been chosen a member of the Franklin County Honor Society. He will be initiated together with other students elected in an impressive ceremony in the Hilliards High School on Monday, Feb. 15, at 8 p. m. George C. Berry, superintendent of schools of Franklin County, and Charles J. Pickens, principal of Hillards High School will officiate.

Students chosen by the faculty at Hilliards High School must rank in the top-third of their class to be eligible for the society. The faculty votes on each student as to scholarship, character, leadership, sportmanship, and service. Since each school is limited to a quota the chances of a student gaining membership are further narrowed.

New members chosen this year from the junior class were Kenneth Eberhard, the sole member from Rome, Frank Bowman, Max Gray, Donna Kreis, and Donna McBrayer, all of Hilliards; and Mary Ann Porterfield of the Hilltop. Junior class members selected from last semester are Bessie Eckard, David Francis, James Hetrick, and Sandra Sichel, of Hilliards, and Charles Hart and Dorothy Smith of Rome.

Rezoning Battle Again Looms In Westgate Area

Report From City Hall

"If This CD Is Best I'd Hate To See The Worst," Sensenbrenner Asserts

Political Activity While On Defense

Hilltop Boy Scout Earns Eagle Badge

Camp Chase Civic Association Prepares To Fight Board Action

Indications this week pointed to another of those rezoning battles in this area as the Camp Chase Civic Association in an executive board meeting held last Thursday voiced its disapproval and opposition of rezoning any part of the New York Central Railroad property located north of Sullivant-av.

The spark which has apparently touched off another "powder keg" in the Westgate area was the Rural Zoning Commission action last week when that body gave approval to the rezoning of all the land to a heavy manufacturing classification located 1500 feet north of Sullivant-av. Originally the railway had asked for rezoning of the entire tract of 92 acres from light manufacturing to the heavier classification. The board however permitted rezoning on only the back acreage keeping the first 1500 feet in its former classification.

It was announced this week that an open meeting of the membership of the civic organization will be held Feb. 18 at 8 p. m. in Westgate Elementary School to determine if the membership wishes to continue to fight this particular rezoning effort and to determine the course of action to be taken.

The Camp Chase Civic Association zoomed into the public spotlight a few years past when it vigorously and successfully fought an effort to establish a low cost housing project at the site of what is now Rosary Subdivision. At one of the public meetings held at that time more than 3000 persons turned out to hear the arguments pro and con on the subject.

It was this effort that created the organization and saw residents of the area joining in a concerted effort to create a "war chest" to battle promoters of the housing project. The attention forced on the projected venture was of such intensity that the promoters abandoned any further efforts to go through with their plans.

It was pointed out too, that other business to be transacted at the open meeting which has been scheduled will be the nomination and election of all officers as well as board members.

The association, in announcing the forthcoming meeting also urged that other problems of the community be brought to the attention of the organization in order that the group be enabled to take whatever remedial action that is necessary.

One of the principal points of opposition to the rezoning of the railway owned tract was the fact that a week previously the West Franklin County Association had voiced disapproval of the proposed rezoning effort and refused to give its recommendation for such a move to the Rural Zoning Commission. The West Franklin Association had urged that heavy manufacturing classifications be revised before any action be taken in reference to the NYC owned land.

Annexation Of 350 Acre Tract Studied

Annexation of another huge tract in this area to the City of Columbus was seen as a possibility this week as officers of Wilshire Homes Inc. newly organized development company sought the views of free holders in a 350 acre tract in Franklin Township immediately south of the city.

The area is surrounded on all sides but the north by Brookshire Park which was accepted into the city by annexation Jan. 4 in legislation by Columbus City Council. It is bounded by the Eureka Addition, Mound-st, Briggs and Demorest-rds.

There are 17 free holders and eight homes in the tract at the present time part of which will be developed by Wilshire Homes Inc., headed by Cecil D. Rose jr. Joseph Briggs jr and Joseph Briggs sr. Although the officers of the firm have contacted the free holders in the area relative to possible annexation of the tract, they pointed out this week, that while some of the land owners have indicated they would like to be annexed to the city, the move would not be made unless the majority indicated a willingness.

Joseph M. Briggs sr this week stated that his firm, "would go along with the wishes of the people in the affected area, staying in the township or applying for annexation according to their desires and wishes."

If the majority of freeholders indicate the desire to be annexed to the city, hearings will be held by the county commissioners who then decide on whether or not to permit annexation.

It was pointed out earlier this week that one of the Franklin County Commissioners, Harry T. Vigor had previously stated that he was opposed to annexation in piecemeal lots by the city wherin the cream was skimmed off the townships. He withheld comment on the latest possible annexation however until proceedings have been completed.

Famous Song Leader Guest At West Sr. High

George Campbell of Cincinnati, nationally known song leader and a past YMCA secretary, was featured on the senior high school assembly Tuesday morning, Feb. 9, at West Senior High School. Following a discourse on his philosophy of life, Campbell led the audience in several songs. He has appeared before 400 high schools and colleges in the past year conducting similar songfest programs.

Hilltop Man Takes Own Life

William Glen Hudson, 50, of 146 S. Harris-av, died Monday of self-inflicted wounds, according to Dr. Robert A. Evans, coroner.

His landlord, John Vandenbark of the same address, called police after he found Hudson dead, lying across a bed with a 9-millimeter automatic in his right hand.

Although it was known that Hudson's mother, Mrs. Millie Hudson, lives in Chicago, police were unable to locate any local relatives. The body was taken to the Jerry Spears Funeral Home.

Franklin County Honor Society To Install Hilliards High Youth

Kenneth Eberhard

Kenneth Eberhard, 16, son of Mr. and Mrs. Harry Eberhard, 451 Maple-dr, New Rome, has been chosen a member of the Franklin County Honor Society. He will be initiated together with other students elected in an impressive ceremony in the Hilliards High School on Monday, Feb. 15, at 8 p. m. George C. Berry, superintendent of schools of Franklin County, and Charles J. Pickens, principal of Hillards High School will officiate.

Students chosen by the faculty at Hilliards High School must rank in the top-third of their class to be eligible for the society. The faculty votes on each student as to scholarship, character, leadership, sportmanship, and service. Since each school is limited to a quota the chances of a student gaining membership are further narrowed.

New members chosen this year from the junior class were Kenneth Eberhard, the sole member from Rome; Frank Bowman, Max Gray, Donna Kreis, and Donna McBrayer, all of Hilliards; and Mary Ann Porterfield of the Hilltop. Junior class members selected from last semester are Bessie Eckard, David Francis, James Hetrick, and Sandra Sichol, of Hilliards, and Charles Hart and Dorothy Smith of Rome.

New members chosen this year from the senior class were Anna Moore, June Woods, and Helen Patton from Rome; Jerry Kalkenbag Day Supplement

Camp Chase Civic Association Prepares To Fight Board Action

Indications this week pointed to another of those rezoning battles in this area as the Camp Chase Civic Association in an executive board meeting held last Thursday voiced its disapproval and opposition of rezoning any part of the New York Central Railroad property located north of Sullivant-av.

The spark which has apparently touched off another "powder keg" in the Westgate area was the Rural Zoning Commission action last week when that body gave approval to the rezoning of all the land to a heavy manufacturing classification located 1500 feet north of Sullivant-av. Originally the railway had asked for rezoning of the entire tract of 92 acres from light manufacturing to the heavier classification. The board however permitted rezoning on only the back acreage keeping the first 1500 feet in its former classification.

It was announced this week that an open meeting of the membership of the civic organization will be held Feb. 18 at 8 p. m. in Westgate Elementary School to determine if the membership wishes to continue to fight this particular rezoning effort and to determine the course of action to be taken.

The Camp Chase Civic Association zoomed into the public spotlight a few years past when it vigorously and successfully fought an effort to establish a low cost housing project at the site of what is now Rosary Subdivision. At one of the public meetings held at that time more than 3000 persons turned out to hear the arguments pro and con on the subject.

It was this effort that created the organization and saw residents of the area joining in a concerted effort to create a "war chest" to battle promoters of the housing project. The attention focused on the projected venture was of such intensity that the promoters abandoned any further efforts to go through with their plans.

It was pointed out too, that other business to be transacted at the open meeting which has been scheduled will be the nomination and election of all officers as well as board members.

The association, in announcing the forthcoming meeting also urged that other problems of the community be brought to the attention of the organization in order that the group be enabled to take whatever remedial action that is necessary.

One of the principal points of opposition to the rezoning of the railway owned tract was the fact that a week previously the West Franklin County Association had voiced disapproval of the proposed rezoning effort and refused to give its recommendation for such a move to the Rural Zoning Commission. The West Franklin Association had urged that heavy manufacturing classifications be revised before any action be taken in reference to the NYC owned land.

Annexation Of 350 Acre Tract Studied

Annexation of another huge tract in this area to the City of Columbus was seen as a possibility this week as officers of Wilshire Homes Inc. newly organized development company sought the views of free holders in a 350 acre tract in Franklin Township immediately south of the city.

The area is surrounded on all sides but the north by Brookshire Park which was accepted into the city by annexation Jan. 4 in legislation by Columbus City Council. It is bounded by the Eureka Addition, Mound-st, Briggs and Demorest.

There are 17 free holders and eight homes in the tract at the present time part of which will be developed by Wilshire Homes Inc., headed by Cecil D. Rose jr, Joseph Briggs jr and Joseph Briggs sr. Although the officers of the firm have contacted the free holders in the area relative to possible annexation of the tract, they pointed out this week, that while some of the land owners have indicated they would like to be annexed to the city, the move would not be made unless the majority indicated a willingness.

Joseph M. Briggs sr this week stated that his firm, "would go along with the wishes of the people in the affected area, staying in the township or applying for annexation according to their desires and wishes."

If the majority of freeholders indicate the desire to be annexed to the city, hearings will be held by the county commissioners who then decide on whether or not to permit annexation.

It was pointed out earlier this week that one of the Franklin County Commissioners, Harry T. Vigor had previously stated that he was opposed to annexation in piecemeal lots by the city wherein the cream was skimmed off the townships. He withheld comment on the latest possible annexation however until proceedings have been completed.

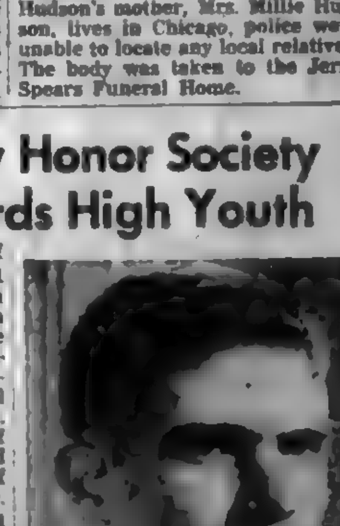
Hilltop Man Takes Own Life



William Glen Hudson, 30, of 146 S. Harris-av, died Monday of self-inflicted wounds, according to Dr. Robert A. Evans, coroner.

His landlord, John Vandenbark of the same address, called police after he found Hudson dead, lying across a bed with a 9-millimeter automatic in his right hand.

Although it was known that Hudson's mother, Mrs. Millie Hudson, lives in Chicago, police were unable to locate any local relatives. The body was taken to the Jerry Spears Funeral Home.

Franklin County Honor Society To Install Hilliards High Youth

Kenneth Eberhard, 16, son of Mr. and Mrs. Harry Eberhard, 451 Maple-dr, New Rome, has been chosen a member of the Franklin County Honor Society. He will be initiated together with other students elected in an impressive ceremony in the Hilliards High School on Monday, Feb. 15, at 8 p. m. George C. Berry, superintendent of schools of Franklin County, and Charles J. Pickens, principal of Hillards High School will officiate.

Kenneth Eberhard

Students chosen by the faculty at Hilliards High School must rank in the top-third of their class to be eligible for the society. The faculty votes on each student as to scholarship, character, leadership, sportmanship, and service. Since each school is limited to a quota the chances of a student gaining membership are further narrowed.

New members chosen this year from the junior class were Kenneth Eberhard, the sole member from Rome, Frank Bowman, Max Gray, Donna Kreis, and Donna McBrayer, all of Hilliards; and Mary Ann Porterfield of the Hilltop. Junior class members selected from last semester are Bessie Eckard, David Francis, James Hetrick, and Sandra Sicbol, of Hilliards, and Charles Hart and Dorothy Smith of Rome.

New members chosen this year from the senior class were Anna Moore, June Woods, and Helen Patton from Rome; Jerry Kalten-

THIS POWER-PACKED JEEP WOULD BE AVAILABLE TO THE COMMUNITY on a 24-hour basis, along with its skilled driver-operator, in the event of emergency or catastrophe, according to Irving Beltz, owner of the Beltz Service Garage at 2971 Sullivant-av. Already proven through its five years of service to stranded motorists and other individuals, the jeep boasts a four-wheel drive with dual back wheels that make it operate as a tractor on the muddiest of cowpaths and a dembundable crane on the front or back that pick up the weight of the jeep without a bit of trouble.

Other equipment carried includes an air compressor for flat tires, a fire extinguisher, a 110-volt generator for operating hand tools and emergency lights, a quick charger for run-down batteries, and a power take-off unit in the rear. The jeep carries its own auxiliary lights, an acetylene torch for welding and cutting, and a one-man towing bar. It is available for individual emergency calls from 7 a. m. to 9 p. m. week days and from 8 a. m. to 6 p. m. on Sundays.

Early Settler Recalls

Borrowed Books Start Hilltop Library

Every once in a while, Mrs. Lafayette Woodruff, one of the first settlers on the Hilltop, pays a visit to the Hilltop Branch Library with its 150,000 books. When she does, she thinks back 43 years to the days when a group of Hilltop pioneers borrowed 300 volumes from the Columbus Public Library to build the first small seedling library in this area. She believes it was the first suburban library in Columbus.

Mrs. Woodruff now lives at 1424 Fair-av, but her heart is with the Hilltop, where she settled with her young physician husband in March of 1900.

"When we went to that area, the Hilltop didn't have any electricity, gas or city water," she recollects. "Broad-st was paved. The rest were just mudholes. Utilities didn't start coming in until about 1903."

She lived on the Hilltop for 20 years, moving to a small apartment when she decided her large house was too much to keep up single-handed after the prominent Dr. Woodruff died. The house was on the south-west corner of W. Broad-st and Harris-av.

The Hilltop was a thriving community even in those early days, and it wasn't long before civic-minded citizens saw the cultural needs to be filled. A public library was needed, they decided, so the Hilltop could have books without the long, inconvenient journey across town to the Columbus Public Library, then known as the "Carnegie Library."

Two organizations took the lead: the Sunset Literary Club and a Hilltop businessmen's group. First, they tried to persuade the city to build a branch library. Then they decided they would make a library for themselves.

Plans were laid in 1910. The Columbus library agreed to loan 300 volumes for the new library. The West Broad-st School was then under construction. When it opened in the spring of 1911, the library backers could point proudly to one of its rooms set aside as the first public library on the Hilltop.

The tiny, one room library was open three evenings and three afternoons a week, Mrs. Woodruff recalls. The staff, serving without pay, were members of the Sunset Literary club, of which Mrs. Woodruff is a charter member, and other local women.

The little library functioned for nearly a decade, remembers Mrs. Woodruff. Then more difficulties came. With community growth came more demands for space at the school, and the library was crowded out. It was time for a "council of war."

The only available room was the shelterhouse across Broad-st from the state hospital entrance—so the library was moved into it. Volunteer staffers managed to keep it open for a few months, but finally it had to close.

For over a year, Hilltop had no library. Things were no better, apparently, than when the library backers had started to work.

In the meantime came the death of J. T. Holmes, prominent attorney and father of Lawrence Holmes, president of the library's board of trustees. Mr. Holmes left a 6,000 volume segment of his private library to the group. It was valued at nearly $3,000. These books, too, were stored in the shelterhouse.

Something had to be done.

Something was.

Mrs. Woodruff, Mrs. Karl T. Weber, Mrs. C. E. Sharp and other civic-minded people planned a fund campaign and search for new quarters. The Sunset club joined with the Hilltop Chamber of Commerce, which appointed a campaign group of ten teams.

The campaign went over with a bang! Over $2,000 was raised. Space was found on the second floor of the old Citizen's Trust and Savings Bank Building at West Park and W. Broad-st, now a drug store. With the new funds, the library backers bought shelves, desks, chairs, a few books, and hired a librarian. The Hilltop Library was in business again!

And they stayed in business until 1928. Annual campaigns brought in more funds. On Oct. 4, 1928, the city opened its first three branch libraries, at Linden, Clintonville and Hilltop, the community which had worked for its own library for so long. The new library was at 28 N. Hague-av.

The 300 books from the Columbus Public Library went to the new branch, and the Holmes volumes went to Capital University.

"It was worth it," declared Mrs. Woodruff today. "And it was a community project. I want to stress that. Many organizations and many people helped keep the library alive."

Mrs. Woodruff is still an active woman, belonging to the Little Symphony support club, a women's Welsh organization (she is proud of her Welsh descent), the Needlework Guild of America, and she regularly attends the Sunset Literary Club and St. Paul's Episcopal Church.

Occasionally, she still gets out to the Hilltop—not often now, for the years have made it hard. "The last time I went, I noticed that the house we lived in, at Broad and Harris, has a sign, 'Future Home of the YMCA.' The lot to the east is now a parking lot. The lot to the left, where the man lived whom we bought the house from is the Jerry Spears Funeral Home. All the area behind has been built up. It used to be a farm.

"Yes, I've seen growth. We saw the West Broad-st School built right in front of our home. There will be more growth. The Hilltop is a great community.

"How old am I? My secret! When I'm not able to do anything, or take any active part—then I may reveal it."

Old-timers who read this will feel the fingers of memory open doors and windows into a fascinating and lively past. Younger readers of the pioneer efforts to bring books to a young community—what will they feel?

As they walk the streets of the Hilltop, they may look at buildings and at places and realize that those things are not "just there" by nature, like clouds or earth, and not immutable. The Hilltop, like America itself, is the growing, expanding product of a pioneering past.

Report From City Hall

"If This CD Is Best I'd Hate To See The Worst," Sensenbrenner Asserts

Political Activity While On Defense Payroll Is Scored By The Mayor

A lot has been said about the fight the mayor is carrying on to oust two officials of the civil defense organization. The mayor contends he is asking that Hilltopper Arthur J. Bellar and Gordon Serrott resign their positions because they were paid out of civil defense funds while actively campaigning for the Republican machine last year.

Mayor Sensenbrenner this week pointed out that the mayor is responsible for administration of the various departments of city government for which public funds are expended and that in his opinion the two men in question were not doing the type of job that should be done.

"It is true," the mayor said "that some sirens have been installed and a sky watch has been set up but just ask any persons if he knows what to do in event of an actual attack and you'll soon determine just how much has been done to educate people of their responsibilities regarding civil defense.

"If the Franklin County Civil Defense organization is one of the best in the country as some people claim, then I'd hate to see what the worst is like," he stated. I want civil defense brought down to the level of the man and woman and child in the street so they will be educated as to what they are to do in event of a disaster."

As reported in this newspaper last week, a meeting will be held this week to reorganize the financial and administrative set-up of the Columbus Municipal Zoo. Heretofore the operating costs of the zoo have been supplied largely through the water department and charged up to that department as costs. The mayor has stated that he has no desire to take anything away from the zoo but does feel that a seperate department needs to be set up so the costs of the zoo can be determined and charged accordingly.

The mayor has had considerable support of this plan and especially from many persons who have been quite disturbed at increased sewer rental fees while money from the water department was being diverted to pay for another department.

Hilltop Boy Scout Earns Eagle Badge

Ronald Knipp

Ronald Knipp, 15, of 211 S. Burgess-av, earned two significant Boy Scout honors this week. He was the sole Hilltopper among 19 members of the Central Ohio Council of the Boy Scouts of America to receive the highest honors in scouting in the Ohio Union at Ohio State University on Sunday. On Monday afternoon, he appeared on the "Shoot The Works" program on WLWC-TV, as a representative of the Central Ohio Council in connection with observance of National Boy Scout Week. Knipp was presented the Eagle badge in the Central Ohio Council Eagle Court of Honor on Sunday.

Ex-Hilltopper Eugene Hensel Dies Suddenly

A former Hilltopper, Eugene L. Hensel, 56, of 339 Garden-rd, Columbus police prosecuter from 1927 to 1930, died Sunday at his home. He was an attorney with offices at 8 E. Long-st.

At the time of his death, he was chairman of the Tax and Legal Committee of the National Council of Farmer Co-operatives and general counselor for Automobile Club Insurance Co., 2183 W. Broad-st.

A graduate of West High School and the Franklin University Law School, he was a member of the Columbus, Ohio State and American Bar Associations. He was also a member of the Athletic Club and the Indianola Presbyterian Church.

During 1913-14 while at West High School he was editor of the Hilltop News, published by Estelle Harmon.

Surviving are his wife, Ruth; two sons, Robert and James of Columbus, and two sisters, Mrs. Ray Hawthorne of Columbus, and Mrs. William Bryan of El Cajon, Calif.

Services were held at the Schoedinger funeral home, 229 E. State-st at 3 p. m. Tuesday. Cremation followed the services.

Annexation Of 350 Acre Tract Studied

Annexation of another huge tract in this area to the City of Columbus was seen as a possibility this week as officers of Wilshire Homes Inc. newly organized development company sought the views of free holders in a 350 acre tract in Franklin Township immediately south of the city.

The area is surrounded on all sides but the north by Brookshire Park which was accepted into the city by annexation Jan. 4 in legislation by Columbus City Council. It is bounded by the Eureka Addition, Mound-st, Briggs and Demorest-rds.

There are 17 free holders and eight homes in the tract at the present time part of which will be developed by Wilshire Homes Inc., headed by Cecil D. Rose jr, Joseph Briggs jr and Joseph Briggs sr. Although the officers of the firm have contacted the free holders in the area relative to possible annexation of the tract, they pointed out this week, that while some of the land owners have indicated they would like to be annexed to the city, the move would not be made unless the majority indicated a willingness.

Joseph M. Briggs jr this week stated that his firm, "would go along with the wishes of the people in the affected area, staying in the township or applying for annexation according to their desires and wishes."

If the majority of freeholders indicate the desire to be annexed to the city, hearings will be held by the county commissioners who then decide on whether or not to permit annexation.

It was pointed out earlier this week that one of the Franklin County Commissioners, Harry T. Vigor had previously stated that he was opposed to annexation in piecemeal lots by the city wherin the cream was skimmed off the townships. He withheld comment on the latest possible annexation however until proceedings have been completed.

Camp Chase Post Membership Nears New High

Camp Chase Post 96 of The American Legion was announced last week at the initiation of its huge class of candidates at Schmelzer's Restaurant as the first post with a membership quota of more than 500 members to attain its goal in the 12th District. As a result of the achievement the Hilltop post will be the recipient of district honors at the next conference

Announcement was also made by First Vice Commander R. E. Greene that Camp Chase membership has now reached a total of 504 members which is but 10 shy of an all time high in membership.

Wednesday evening the Camp Chase degree team will preside at initiation ceremonies for Paschal Post of Grove City, according to announcement by Elmer Young, degree team captain.

Commander George Levisay also announced that the annual Junior Baseball Banquet at which more than 60 boys will be guests of the post will be held Feb. 17.

Hilltop Man Takes Own Life

William Glen Hudson, 50, of 146 S. Harris-av, died Monday of self-inflicted wounds, according to Dr. Robert A. Evans, coroner.

His landlord, John Vandenbark of the same address, called police after he found Hudson dead, lying across a bed with a 9-millimeter automatic in his right hand.

Although it was known that Hudson's mother, Mrs. Millie Hudson, lives in Chicago, police were unable to locate any local relatives. The body was taken to the Jerry Spears Funeral Home.

Why Not Investigate Civil Defense Department?

In such times as these when the atomic bomb may play such an important part in what the future of the world is to be it seems quite obviously silly that there should be a squabble in the city of Columbus over the local civil defense department.

It isn't important that one man or another holds the job dependent on which side of the political fence he is on.

It is only important that the job be done well. Certainly, there is no place for petty politics in a matter of such vital importance to the people of the city and county.

It is well known that Columbus surely would be an important target in event of a war with Russia because of the defense work carried on here.

So, rather than spend a lot of time quibbling over the merits of a couple of individuals it would seem that a genuine investigation of the local civil defense organization is in order. Has the city and county been getting what they are paying for? Have we done as good a job as should have been done up to this point? What benefits would we realize if we were to be attacked?

The answers to these and other similar questions will give the answer to the problem at hand.

Lost Pup Found Thru Classified Ads

Mrs. R. A. Fuller, 137 S. Terrace-av, lost her little dog. She placed an ad in The Hilltop Record and went to the beauty shop. While sitting under the dryer she picked up a copy of the Record and read the following ad under Found classification:

SIX MONTHS pup, tan, short hair, with white throat and boots. RA. 0649.

Scamper is proud of his neighbor's good judgment. If you don't believe us, ask Scamper himself. Who's Scamper? Why he's a very happy dog who lives at 137 S. Terrace-av. He wasn't so happy just a short time ago, however. You see he was lost, quite lost. His mistress read the classified section and found him.

Window Displays Highlight Hilltop Scout Week Activities

Boy Scout and Cub Scout activities on the Hilltop this week reached a tempo that was in keeping with the nation-wide celebration of the 44th anniversary of the Scouting movement during Boy Scout Week, Feb. 7-13.

Hilltop Boy Scouts and Cub Scouts have arranged window displays in many of the stores of local merchants. These displays will be judged by the camping and activities committee of the southwest district of the Central Ohio Council of Boy Scouts, which is headed by Virgil Barber, and rated either, "excellent," "fine," or "participating."

On the local level, Cub Scout Pack 56, sponsored by the Hoge Memorial Presbyterian Church, has arranged a judging of all Cub den displays in cooperation with the Hilltop Business Association. The HBA will take the winning den downtown to a free movie and refreshments. A committee from the HBA will judge the windows.

Supervising the trip of the winning den will be George Marx, committee chairman; Dr. Ralph Stacy, cubmaster; and Karol Whitlatch, assistant cubmaster.

Cub Scouts of Pack 56 and Boy Scouts of Troop 172, also sponsored by Hoge Memorial Presbyterian Church, attended special dedicatory services at the West Broad Street School on Sunday, Feb. 7.

Frank Haley, neighborhood scout commissioner, presented new charters to the units, which were formally accepted by C. H. Myton, institutional representative. Dennis Hawes led the Cub Scouts in the Cub Scout promise and Emil Buchseib led recitation of the Boy Scout oath.

The scoutcraft display of Troop 172 has been set up in the window of the Economy Variety Store, 2402 W. Broad-st. Displays of the five dens of Cub Pack 56 have been placed in the windows of Hilltop merchants as follows:

Den 1, Mrs. Violet Baus, den mother, Tune Shop, W. Broad-st at Chase-av; Den 2, Mrs. Gail Linson, den mother, and Den 6, Mrs. Virginia Wilcox, den mother, Westgate Electric Co., 2655 W. Broad-st; Den 3, Mrs. Frank Haley, den mother, Peterson's Store at W. Broad-st at Burgess-av; and Den 4, Mrs. Ralph Stacy, den mother, West Hill Drug Store, W. Broad-st at Warren-av.

YMCA Clubs To Have Candy Sale Service Project

Thirteen Hilltop YMCA clubs are going to take part in a city wide candy sales effort which will have a kick-off rally at the "Y" office on Monday, Feb. 22, at 10:00 a. m. The profit from the sale will be divided equally between World Service and local club service project.

Some of the local club service projects of the past have been Thanksgiving baskets to the needy, Christmas gifts for disabled veterans and sending boys to camp.

Rev. Paul Dunn, member of the Hilltop YMCA Board of Directors, is the chairman of the sale. He will be assisted by Mrs. Willard Waltman of the "Y" Mothers Council, Stan Ruoff of the Indian Guides, Richard Williamson of the Gra-Y, Richard Rice of West Junior Hi-Y, Ron Klein of West Senior Hi-Y and Mrs. Robert Trott of Gradale Sorority.

Shotgun Blast Proves Fatal

Frank Cornell, 49, of 296 S. Harris-av, died of a shotgun wound in the chest at Mt. Carmel Hospital Monday morning.

A fire emergency squad took him to the hospital for surgery after his wife, Joan, and step-son, Robert Boldt, 18, heard a shot in the basement of the home at 2:30 a. m. Sunday and found Cornell on the floor. A 12-gauge shotgun lay beside him.

Cornell apparently ended his own life, police said.

Schlechty Funeral Home, London, is in charge of funeral arrangements.

Following a discourse on his philosophy of life, Campbell led the audience in several songs. A SELLOUT IS PREDICTED FOR THE HILLTOP MINSTREL by "Swami" Bill Coon as he gazes into the crystal ball to foresee how the ticket sales are going for the Silver Anniversary Roundup edition of the community show scheduled for Feb. 25 and 26 at West High School. Coon, interlocutor for the show, is surrounded here by end men from past minstrels who will also appear this year. Standing, left to right are Lee Phillips, Eddie Walker, C. H. "Doc" Campbell, Noble Allen, Sr., Dick Becker and Harold Greene.

Announcement was also made this week by C. H. Campbell, HBA secretary that tickets for the show are now on sale at Wolfe Electric Service, 2427 W. Broad-st, instead of Esquire Men's Shop as previously announced. Although "Swami" Coon is predicting a sellout Campbell said there are many good seats still available, but they are going fast and early reservations should be made.

Court Battle Now Predicted On Slaughterhouse Location

Some 400 residents who filed a petition of protest against a slaughterhouse being operated at 1038 Harrisburg-pk with the Franklin County Commissioners on Monday, Feb. 8, learned that their only hope of relief was through the courts.

The petition against the Franklin County Rural Zoning Commission in allowing D. E. Gochenour to operate the slaughterhouse in conjunction with his grocery on Harrisburg-pk was presented by six members of the Wilson Heights Civic Association. John Quelette served as leader of the protest group.

Major criticism levelled against T. R. Hickey, secretary of the zoning commission and O. A. Miller, county building inspector and chief enforcement officer of the zoning commission, was their action in authorizing the issuance of a non-conforming permit to Gochenour.

The committee emphasized it had no objection to the meat market and grocery store operated by

Franklin County Honor Society To Install Hilliards High Youth

Kenneth Eberhard, 16, son of Mr. and Mrs. Harry Eberhard, 451 Maple-dr, New Rome, has been chosen a member of the Franklin County Honor Society. He will be initiated together with other students elected in an impressive ceremony in the Hilliards High School on Monday, Feb. 15, at 8 p. m. George C. Berry, superintendent of schools of Franklin County, and Charles J. Pickens, principal of Hilliards High School will officiate.

Students chosen by the faculty at Hilliards High School must rank in the top-third of their class to be eligible for the society. The faculty votes on each student as to scholarship, character, leadership, sportmanship, and service. Since each school is limited to a quota the chances of a student gaining membership are further narrowed.

New members chosen this year from the junior class were Kenneth Eberhard, the sole member from Rome, Frank Bowman, Max Gray, Donna Kreis, and Donna McBrayer, all of Hilliards; and Mary Ann Porterfield of the Hilltop. Junior class members selected from last semester are Bessie Eckard, David Francis, James Hetrick, and Sandra Sichol, of Hilliards, and Charles Hart and Dorothy Smith of Rome.

Pirates Maintain First Place In Intermediate Cage Loop

The West Side Pirates managed to maintain their first place position in the Intermediate Boys League but were hard pressed to win over the Basketeers 28-25. This Basketeer defeat knocked them from a second place tie with the Jailhouse Five who won from the Bombshells on a forfeit.

The Pirates led throughout most of their game with the Basketeers but could never pull out far enough into the lead to be comfortable. The Pirates were on the long end of a 14-8 first half score and a 23-16 third quarter score but the Basketeers outscored them 9-5 in the last quarter before losing out.

Jim Pilkington iced the win for the Pirates with a free throw in the last 10 seconds to widen a 2 point advantage. The Pirates blocked a desperation shot by the Basketeers at the gun. Paul Thompson of the Pirates led all scorers with 17 points.

In a second thriller of the week, the Bulldogs came from behind to score a 21-29 win over the Big 5 as Ralph Seymore scored the winning Bulldog basket with 15 seconds remaining. After trailing 12-14 at the half and 15-16 at the third quarter, the Bulldogs managed to outscore their opponents to win the decision.

The Big 5 lost the game at the free throw line by missing 13 of 19 free throws.

Your Youth

By Bob Schmidt—Dick Wilson

The tom tom is still beating for the braves each Saturday morning at 10 at the "Y" office. The medicine man is teaching all Indian Guide braves various Indian dances and also the art of making Indian costumes.

The Wyandotte have elected Paul Leighninger as their new chief and Chief Bob Edgar is the retiring chief. All the tribes are busy working on their totem poles and tom toms. The Kickapoos and Cherokees are now in the process of organizing two new tribes and will serve as their sponsors throughout the year.

Each tribe is anxious for spring weather so it can start its outdoor activities. This past week the Hilltop Indian Guides went to Piketon to help organize several new tribes. The members of the Kickapoo, Wyandotte and Cherokee served on this organizing committee.

The February schedule is now available to all kids so hurry down to the "Y" today and pick up your schedule right away.

The Monday evening Boys' Craft is still continuing to be a popular program. Each Monday finds the "Y" office packed with boys wanting to learn to build models. Of course everyone likes movies but it seems as if our "Y" boys and girls put movies as their first choice as the "Y" office each Tuesday night is bursting at the seams. That's all right kids, come on down anyhow, we can always find room for a few more.

Westgate EUB Wins First Round Of YMCA Junior Church Loop

By Dick Wilson

Westgate EUB won the first round of the Hilltop YMCA Junior Church Leagde at John Burroughs gym last week with a convincing 65-8 victory over the Junior Firemen. The victory gave the EUB five an unblemished record for the first round. Ron and Don Ireland were once again the main point markers for the victors as each of the twins collected 18 points for his evening effort. The young and inexperienced Junior Firemen were led by Brown who made one bucket and two fouls for four points.

Hoge Memorial showed in their game with the Church of Christ that they are to be reckoned with in the second round as they clobbered the Dixon coached five 79-23. Coach Propers' team was led in the scoring by John Edwards who collected 25 points. Every member of the Hoge team except Jim Edwards managed to break into the scoring column.

Jim Edwards nevertheless played a good floor game for the Presbyterians. Dunham was high scorer for the losers with 11 points while Smoot was the shining light on rebounds and defensive play.

Burgess EUB coasted into an undisputed third position as they used 14 players to down Westgate Methodist 44-24. Steece played a much improved brand of ball for the Dellinger five as he collected 18 points and played a smart floor game. Dave Mack and McQueen led the Miller coached five with eight points apiece.

West Junior Hi-Y dropped a slot in the standings as Glenwood Methodists clobbered the "hot and cold" YMCA team 48-19. Hummel and George Tittle were the big difference between the two teams as Hummel collected 16 points and Tittle swished 13. Bill Ingle was high for the Eagle five with six markers. Next week will be the beginning of the second round of play.

Outstanding Act Of Citizenship

One of America's farthest-reaching organizations, the Boy Scouts of America, is marking its 44th birthday during Boy Scout Week, February 7 to 13. On reaching this notable milestone we find The Boy Scout movement at its peak in membership.

Today 2,440,000 boys are enjoying the "game of Scouting" in its three distinct programs, Cub Scouting, Boy Scouting and Exploring, each appealing to boys of various age levels.

We seldom think that this great work is made possible largely through the active sponsorship of the church, the school and aid from the United Appeals. But perhaps even more significant is the fact that some 860,000 adults share their time as volunteer leaders with the boyhood of America.

Boy Scout Week this year has been dedicated to honoring the Cubmasters, the Scoutmasters and the Explorer Advisors—the men who bring Scouting directly to the boys.

To them has been entrusted the care and guidance of our boys and young men. It is their influence upon the Scouts of today, with whom they work and play, that help mold these boys and young men into better citizens and better proponents of the American way of life.

These unselfish men who give leadership in Scouting are performing an outstanding act of citizenship. Our nation owes them much.

FLOWER ARRANGEMENTS

I love each flower that blooms in the garden that I tend, and many represent associations of years gone by. Time flies when I pick up garden tools in the early morning and start digging and caring for the tender plants. Inside work piled up and energy taxed at the end of day is soon forgotten when I can bring in beautiful blooms to decorate my home.

But when summer wanes and autumn arrives we must look elsewhere for substitutes for the fresh flowers we have been gathering as there is always that morning when you waken and look out and see the garden has been laid under a black spell during the night. Stiff, withered stalks and blackened flower heads mark the place where only yesterday you were cutting dozens of full blooms. If we have foresight we will have a supply on hand of Salvia, spired, coxcomb, hardy hydrangea and statice from the garden hung up to dry with heads down and any number of others. Darkness is essential for preserving color. Thorough drying takes at least two weeks.

I think everyone loves the early autumn rides along the harvest roads to gather bittersweet, carrion berries, milkweed, cat tails and others. Bittersweet is sometimes a problem to arrange, but if you cut it from the original stem and tie it in bunches on top of a stick it will be more manageable. Most flowers will retain color better if they are plucked just as they start to show color. Goldenrod is one of the best, mullein and dock, which are very common, are two of the best sources of dried material. If you wish a variety of colors in the dock start picking it when it is still green. Sumac will also have a variety of colors if you pick it at different times, varying from rich garnet to reddish brown.

Arrangements made with dormant or dry materials have the advantage of lasting for a long time and offer a field for intriguing experiment. They can be quite colorful too. With materials, flowers and containers assembled, and a fairly clear picture of what arrangement is to be, we come to the final step of actually putting our arrangement together. First of all, provide your self with ample space, room enough to spread your material so that any flower or foliage can be picked up without disturbing any of those that remain.

Pewter is fine for dried arrangements, so is copper and wood is particularly good or you can use that cracked antique urn that will not hold water. As you work with your dried bouquets you will find them easier to manage and imagination will give you new effects.

We all need happy memories to store up against winter winds and I think memories to do with making the home more beautiful are the happiest. Keeping close to earth is easy, it does not cost much and the generous wealth of nature belongs to everyone, so keep the memory of summer in your winter house.

In Passing

By Esther Weakley

With malice toward none; with charity for all; with firmness in the right, as God gives us to see the right, let us strive on to finish the work we are in; to bind up the Nation's wounds, to care for him who shall have borne the battle, and for his widow and his orphan; to do all which may achieve and cherish a just and lasting peace among ourselves and with all nations.—Abraham Lincoln.

MY VALENTINE

She is temperamental as April
And often she will disdain
My proffered love, then she'll condescend
To take it back again.

She has a dozen other loves,
My fickle, charming Valentine,
And though I'm paying anxious suit,
If she knows, she gives no sign.

"She is lovely; she is engaged"
To the doctor, the postman, the man next door.
Yet the only Valentine I want
Is a certain miss, age almost four.

Valentine counters are busy and interesting places these days. Having a few minutes to spend the other day, I spent them watching people buying Valentines, and enjoyed my snooping very much. There was the lady who bustler in; grabbed a handful of Valentine cards and ask the clerk to hurry, she had to catch a bus. Two teen-agers giggled over some of the more gooey verses and didn't buy any. Two young men—aged about ten—looked all around in the best gangster style, to see if anyone was watching, then bought a "secret pal" deal, paying the clerk for it was a handful of pennies. A prosperous looking man read a lot of verses very carefully, then selected three. One was for his wife; one for his mother, and the other was for "little daughter," or that's what the Valentine said anyway. But the sweetest buyer was a little old lady who asked the clerk to read the verses on several Valentines because she couldn't see veery well. The Valentine was for her husband and it was a very beautiful verse—all about how she had loved him "through the years." I'm going back to that counter and perhaps I'll watch you buying your Valentine a Valentine.

If you like gang entertainment that doesn't even pretend to be cultural or instructive, you'll love the Walter Phillips Show on WLW-C. Mr. Phillips was good on radio (he conducted the all-night show on WLW before his morning show on television) but tv is good to him; vice versa. Our Patti O'Hara helps a lot to make the show a bright spot in anyone's morning. Now if WTVN would put Patti's Mammy and Pappy back on that station, I'd never get any more work done. Patti's parents, as everyone knows, are Blanche and Dad Meachum, of "Just Neighbors" fame.

One of the loveliest verses I ever read about Lincoln contained the lines

"A great light out of darkness came,
And Lincoln filled the world."

Sorry I don't know the poem or its author, but here is part of a poem by Vance Douglas, reprinted from a verse magazine:

WITH MALICE TOWARD NONE

Our freedom faces dangers grave
As ever stalked footsteps of man.
Our Constitution would be scrapped
If by their wiles we could be trapped;
Cooperation with their plan
Would make of each of us a slave.

But when the peace returns again
I pray a Lincoln helps to guide;
That no Procrustes rules through hate.
A Lincoln could eradicate
Race prejudice and selfish pride;
Could weld a brotherhood of men.

Mail — From Columbus: "The news story about the baby who bit the snake's tail off must be news too, like when man bites dog" . . . From Mt. Vernon: "What is happening to our comedians? First Godfrey, now Gleason. Maybe they take their work too seriously or work too hard at being funny. Some of them haven't tried hard enough for they are very unfunny, though maybe it's my queer sense of humor" . . . From my favorite shut-in: "Here's a nice appetizing story the doctor told me: A little boy had been told he must eat his breakfast egg because it was good for him and he asked if he had to eat the beak too. Ugh."

"Anyone want me for a Valentine?"

With this being the season for Valentines the above remark might be attributed to Joel Buchanan the three-month-old son of Mr. and Mrs. Floyd M. Buchanan, 436 S. Ogden, but in all likelihood his parents will be unwilling to spare him as a Valentine to anyone else except themselves.

These Eyes —

How Well Do You Know Them?

This is a new feature of The Hilltop Record. We know you'll find it entertaining in testing your own powers of observation and memory in identifying the person to whom these eyes belong.

Last week's pair of eyes must have stymied many of our readers who usually give us a ring to say "You didn't fool me this week. I know the owner of those eyes. They're so-and-so." But this week the phone didn't ring once so we must have really had a toughie to identify. The owner of last week's eyes incidentally is Leo L. Phillips, Jr., son of Columbus' new assistant Safety Director Leo L. Phillips, 617 S. Ogden-av. We did say, you know, that the name was being mentioned quite prominently around city hall.

Leo Phillips, Jr.

This week though we've dug up a pair of eyes that are familiar to most everyone on the Hilltop. These are the eyes of a character you might meet in most any Hilltop store or business establishment.

Then, too, this week in order to encourage the followers of this column we're going to offer a prize. If you think you know the owner of these eyes, just write the name on a post card and mail to EYES, c/o The Hilltop Record. To the first five correctly identifying the eyes we'll give a free three months subscription to The Hilltop Record. If you are already a subscriber sign the card with a friend's name so that he too can enjoy the EYES' column. The post mark will be the determining factor. Let's see how well your memory serves you these days.

Out in the country, but not out of touch

Modern living to many means an acre of land . . . a pair of blue jeans . . . and a long week-end. A few years ago these pleasures were not for a city fellow, who had to keep in touch with things. But now, when nearly everyone has a telephone, it's easy for thousands of suburbanites to live out in the open and still have the services and security of the community at their beck and call.

Since 1940, the percentage of families with Ohio Bell telephones has doubled . . . and we've furnished more and more service out where week-end farmers are building their dream houses. It's our goal to keep telephone progress abreast of the times so that it can continue to provide more convenience and fun at the lowest possible cost.

Induction Committee Announced

Dick Wilson of the Hilltop YMCA announced this week that committees for the Hilltop Gra-Y induction and pot luck supper have been appointed. The induction and pot luck is to be held at Glenwood Methodist Church on Friday, Feb. 19, at 6:30 p. m.

Mrs. Fred Dinsch, president of the Hilltop YMCA Mothers Council, will be the general chairman of the event and in charge of the decorations. Assisting on the decorations will be Mrs. John Davis, Mrs. Kenneth Timmons, Mrs. Ralph Elliott and Mrs. Carl Weaver.

The committee in charge of reservations is Mrs. Robert Dent and Mrs. John Davis of West Broad; Mrs. George Rolph and Mrs. Kenneth Timmons for John Burroughs; Mrs. Norman Line and Mrs. Marvin Snyder for Westgate; Mrs. Eliza Buckley and Mrs. Gerald Frank for West Mound; Mrs. Farrell Badgley and Mrs. Carl Weaver for Highland; Mrs. Carl Ingle for the assistant leaders of the five clubs, and Mrs. Ralph Elliott for the Mothers' Council.

All of the Gra-Y parents and the parents of the Junior Hi-Y boys serving as assistant leaders will be contacted by one of the above to ask their cooperation in attending and preparing a dish for the pot luck.

Don Thompson Named State Farm Agent

By ZIP

The powers that be of the State Farm Insurance Companies apparently have a likin' for the Thompsons, indicated this week by the announcement of the appointment of Donald L. Thompson, 3168 Sullivant-av, as an agent on the Hilltop, close on the heels of a similar notification received less than a month ago by Wilbur E. Thompson, also a Hilltopper.

Don Thompson

But the similarity doesn't end there. Except for the fact that they are not related, the life stories of each report much in common.

For instance, both were graduates of the class of 1940 of West High School. Each was in service during World War II and received honorable discharge papers in 1945.

Maritally, they differ slightly. Don wed a Hilltopper, the former Virginia Lee Johnson, while Wilbur chose a Georgian. However, both families made their home in Florida before deciding to settle permanently on the Hilltop.

Families? Oh, yes! Here again the Don Thompsons have followed the Wilbur Thompson pattern—they also have three children—Donna Lee, two years of age, Curtis Allen, eight, and Terry Lee, 11, the latter two being students at the Westgate Elementary School.

There undoubtedly will be many times in the future when the paths of the two Thompsons will cross and, according to information released by State Farm officials, if they could secure the services of a few more Thompsons such as Don and Wilbur, any resulting confusion would be more than offset by their value to the company.

Mrs. Schmidt Offers Recipe For Spicy "Snickerdoodles"

Mrs. Vivian Schmidt

"Snickerdoodles," the favorite cookie of Mrs. Vivian Schmidt's family, is the recipe contribution for this week.

The donor's husband, Bob, is executive secretary of the Hilltop Branch YMCA and the couple has three daughters, Pamela, seven; Deborah, five, and three-year-old Robin Wendy. They reside at 118 N. Powell-av, and attend Hope Memorial Presbyterian Church.

Mrs. Schmidt is serving as vice-president of the Kiwanikwe this year and as secretary to the Hilltop "Y" Mothers' Council. She is also a member of Y-Wives, a city-wide social club, and of Otterbein Women's Club, her alumna group.

With her family to care for, and all her activities, Mrs. Schmidt still finds time to devote to her favorite hobby. She tells us she loves to sew and fashions many of the clothes she and her daughters wear.

Her cookie recipe turns out a really generous amount of cookies; a truly important factor when baking for a family of youngsters. These sweet, spicy, crisp cookies are sure to become a favorite in your household, once you try them.

Snickerdoodles

Preheat oven to 400 degrees.

Mix 1 cup shortening, 1½ cups sugar, 2 eggs.

Sift together and stir in 2¾ cups flour, 2 teaspoons cream of tartar, 1 teaspoon soda, ½ teaspoon salt.

Roll into balls the size of small walnuts. Roll in mixture of two tablespoons sugar and two teaspoons cinnamon. Place about two inches apart on ungreased cookie sheet.

Bake 8 to 10 minutes in 400 degree oven, until lightly browned, but still soft.

(These cookies puff up at first, then flatten out with crinkled tops.

Makes about five dozen two-inch cookies.

Court Battle—
(Continued from Page 1)

Gochenour but declared that the slaughterhouse was "a blot on the community."

Quelette charged that there had been no official investigation ever made into the matter of the permit and that both Hickey and Miller had failed to notify area residents and the civic committee of the intention to grant the permit.

In answer to charges of the committee, Hickey declared that an investigation had been made and Miller denied knowledge of the use of the establishment as a slaughterhouse.

Following a two-hour session of charges and countercharges, Assistant Prosecutor Paul Martin pointed out that area residents had recourse to the court for relief. Martin was sitting in an advisory capacity for the county. Such a suit is currently pending in Common Pleas Court and is scheduled for hearing within the next few months.

ON DISPLAY THROUGHOUT FEBRUARY AT THE HILLTOP Branch Library are 17th to 20th century Bibles. They are part of a collection of Bibles recently entered by Columbus residents in a Bible contest sponsored by the Eastwood Seventh-Day Adventist Church. Here, Mrs. James H. Myers (left) and Mrs. Harry A. Emrick, both of the Hilltop Library staff, look over a Bible which has been in the family of Paul Knechtly, caretaker at Goodale Park, for 156 years. It was printed in Edinburgh, Scotland. (Hilltop Record Photo)

18th To 20th Century Bibles Are On Display At Local Library

Bible scholars will have a field day at the Hilltop Branch Library during February. On display throughout the month will be Bibles from the 18th to the 20th century. They are part of the volumes submitted in a city-wide Bible contest recently sponsored by the Eastwood Seventh-Day Adventist Church.

During the contest, 46 Bibles and testaments were submitted by residents of the Hilltop and the West Side and 16 by residents of the South Side. The greater portion of the Bibles submitted are on display in the Main Library.

At Hilltop Library, the oldest Bible is 224 years old and is owned by Alma E. Stevenson of 224 E. Gates-st, who reveals that the book has been in her family's possession for more than two centuries.

Hilltoppers, who have Bibles on display in their own community library, include Mrs. William L. Rausch of 291 S. Roys-av, who has a 163-year-old Bible on display which plainly shows the ravages of the Columbus flood of 1913; Mrs. Russell Anderson of 2014 Olive-st, whose 127-year-old Bible was the wedding gift of Payton Washington Taylor, whose grandfather owned the land on which the White House now stands; and Mrs. Charles Helenthal of 490 S. Harris-av, whose new testament, dated 1846, was carried by her grandfather in the Mexican War.

Other Hilltoppers with Bibles on display are Mrs. Carrie D. Cramer, 296 Martha-av; Mrs. Iva Marsh, 223 N. Wayne-av, and Mrs. R. C. McCreary, 315 Wrexham-av.

The newest Bible in the collection at the Hilltop Library is a copy of the New Standard Revised Version. The oldest is 224 years old and is owned by Alma E. Stevenson, 224 E. Gates-st.

'Taint How It Smells, Gals, It's What It Does For YOU

By Betty Daff

"A rose is not a rose on everybody", might be the summation of an article written by Louise Paine Benjamin and published in the Ladies Home Journal, being distributed in pamphlet form by Mrs. Fred Asay, cosmetician at West Hill Drug Store, W. Broad-st at Warren-av. It is a unique approach to the art of perfume selection based on the idea that a women's identity is associated with the type of perfume she chooses and should, therefore, be selected with the greatest care.

Written in the form of a quiz, it offers an entirely new and different method of determining which scent is best for you. The five categories include questions which cover personal preferences in the choice of newspaper articles, general reading selections, types of movies preferred, taste in clothing and social occasions.

Your own answers form the basis of a comprehensive personality analysis. The most complimentary perfume classification is recommended and a long list of well-known blends and fragrances for each type is suggested.

If you are the adventurous, spirited type that feels pride in the exploits of successful women, enjoys their biographies and is most comfortable in simple, tailored clothing, your perfume should harmonize with those tastes. Not for you the sweet, flowery odors, but instead, the tangier, outdoor scents of spicy carnation or geranium, or blends with pine would be more complimentary.

The author suggests that real glamour lies in accenting your natural personality with the proper perfume choice, rather than in wearing a scent because it is new and startling. Her personal analysis method, if followed carefully, will prevent such errors and make perfume-buying an adventure with a happy ending.

Seen at Seiller's

by Sue Fredendall

YOU'RE A SWEETHEART! That's what he'll say about you when you give him one of the hand tooled wallets or pocket secretaries Seiller's have. Oh they have so many things, to help open your sweetheart's eyes to the fact that you are a really nice person. There are cigarette lighters in the form of a trophy, shaving kits, card cases, money clips, tie clips and a great, great assortment of cuff link sets. And of course the ever popular "Old Spice" toiletries for men.

If you're really subtle, perhaps you could give him a gentle hint about what you would like to receive from him on St. Valentine's Day. If you're lucky enough to be married to your true love, you might hint for the beautiful black nylon, permanently pleated night gown with lace top we saw at Seiller's. You'll look every inch the "femme fatale". It is sheer provocation. There are other shades also.

If Cupid hasn't shot his arrow, to the heart of your heart yet, help the little fellow along with one of these lovely gifts from Seiller's.

Don't forget about the green stamps at Seiller's. You get one for every dime you spend at Seiller's. They are worth cash, when you get your book filled. Seiller's refunded $7,000 in '53. You get double the amount of stamps by paying your bill on Monday. We know a lady who has kept her linen closet well stocked simply from saving her green stamps and using them once a year to replenish it. Bye now. Be seeing you at Seiller's. Adv.

Finding Health

By Rev. Carl Smith

A great deal has been written on the effect religion has on health, especially mental health. There are many people who wonder if there really is a connection between the two and there are many who think that when you mix the two you are going back to the days of the witch doctors.

What can we say about the connection between religion and health? It seems to me that there are some guide-posts which are [illegible]:

1. We should never feel that [illegible] Christian is insured against tragedy or illness. Christ was crucified and many a saint has achieved peace of soul in spite of life-long [illegible].

2. We should never feel that illness is a sign of God's pleasure or displeasure. Often illness is a sign that we are out of kilter [illegible] perhaps alienated from [illegible] center of our existance, God; but God does not will that we be ill.

3. We should never feel that religion is an extra powerful aspirin. Our faith was not made to serve our ills and problems. We were created to serve our faith.

4. Finding health in our faith does not come from centering [illegible] attention on our problems, but upon God. When we focus our attention on our problems, we [illegible] living with a diseased center of attention. We need rather a life-giving center, which is Christ. Our lives take on the character of that which serves as our center of attention.

If our center of attention is essentially diseased, then we will take on the completion of illness. If our center is life-giving, then our lives take on positive values.

Special Series Of Sermons To Conclude

It has been announced by Rev. George J. Taylor, pastor of the Westgate Methodist Church, that the special series of sermons on the Apostle's Creed will be concluded during the next two weeks. The series has been designed to help the members of the Congregation prepare for the coming Lenten Season.

In the series the sermon topic for last Sunday was "I Believe in the Holy Catholic Church" and the two sermons which will close the series will be "The Forgiveness of Sins" planned for next Sunday, Feb. 14 and "I Believe in the Life Everlasting" for Sunday, Feb. 21. This will bring the series to a close at the beginning of the "Week of Dedication" and the Lenten Season.

All the friends of the church are invited to join the congregation in hearing these closing sermons of preparation.

Church Ends Successful Funds Drive

A successful financial campaign is reported by the Hillcrest Baptist Church in cooperation with a denominational drive to raise an $6,250,000 fund for establishing new churches in new population centers throughout the northern area of the United States.

Hillcrest Baptists who were asked to assume $8040 as their share in the extensive project have surpassed their quota by more than $1000. Frank Kent served as chairman of the committee that gave leadership to the project in the local church.

This campaign, "Churches for New Frontiers," followed closely on the heels of another, last fall, when the Hillcrest congregation raised nearly $5000 for a new heating system for the building, which is now in operation as a permanent improvement for the church.

Social Security Begins at Home
Our government may lighten the burden of life in years ahead, but much we can do for ourselves, right now, to banish worries we take for granted. For example simply by arranging, now, for the ownership of a family plot, you will have conferred upon those you love the one item of "Social Security" without which no "Peace-of-Mind-Plan" can be complete. Tomorrow IN THE MAKING

Quiet, please . . .

This is genius at work!

This is tomorrow in the making!

What will come from the interior of this test tube, bubbling quietly over the flame of the Bunsen burner? Will it be a cure for cancer? A new plastic? Or will it be a new killer—silent, odorless, colorless—that can destroy life in all that it touches.

In these breath-taking days of new scientific discoveries, the ancient truth of one of the greatest of religious sayings becomes sharper day by day.

"Where there is no vision, the people perish. . . ."

Today our greatest scientists admit that vision must accompany the results of their work if the world is not to be consumed in the fires of its own advancement. That is why you will find the churches of America working to lengthen the vision and sharpen the focus that must belong to everyone that advances toward the new horizon of our tomorrow. The achievement of America must be matched by a morality that comes from hearts touched with the wisdom of God.

We shall not fear the test tube—if in back of it are the scientists, the churches and the people working toward a common cause.

And the cause is our tomorrow in the making—a brighter tomorrow for all. . . .

Be not afraid, only believe.
